This was
near a road

at the
road and
you can
see the
road

Life is only a day
Yesterday is but a dream

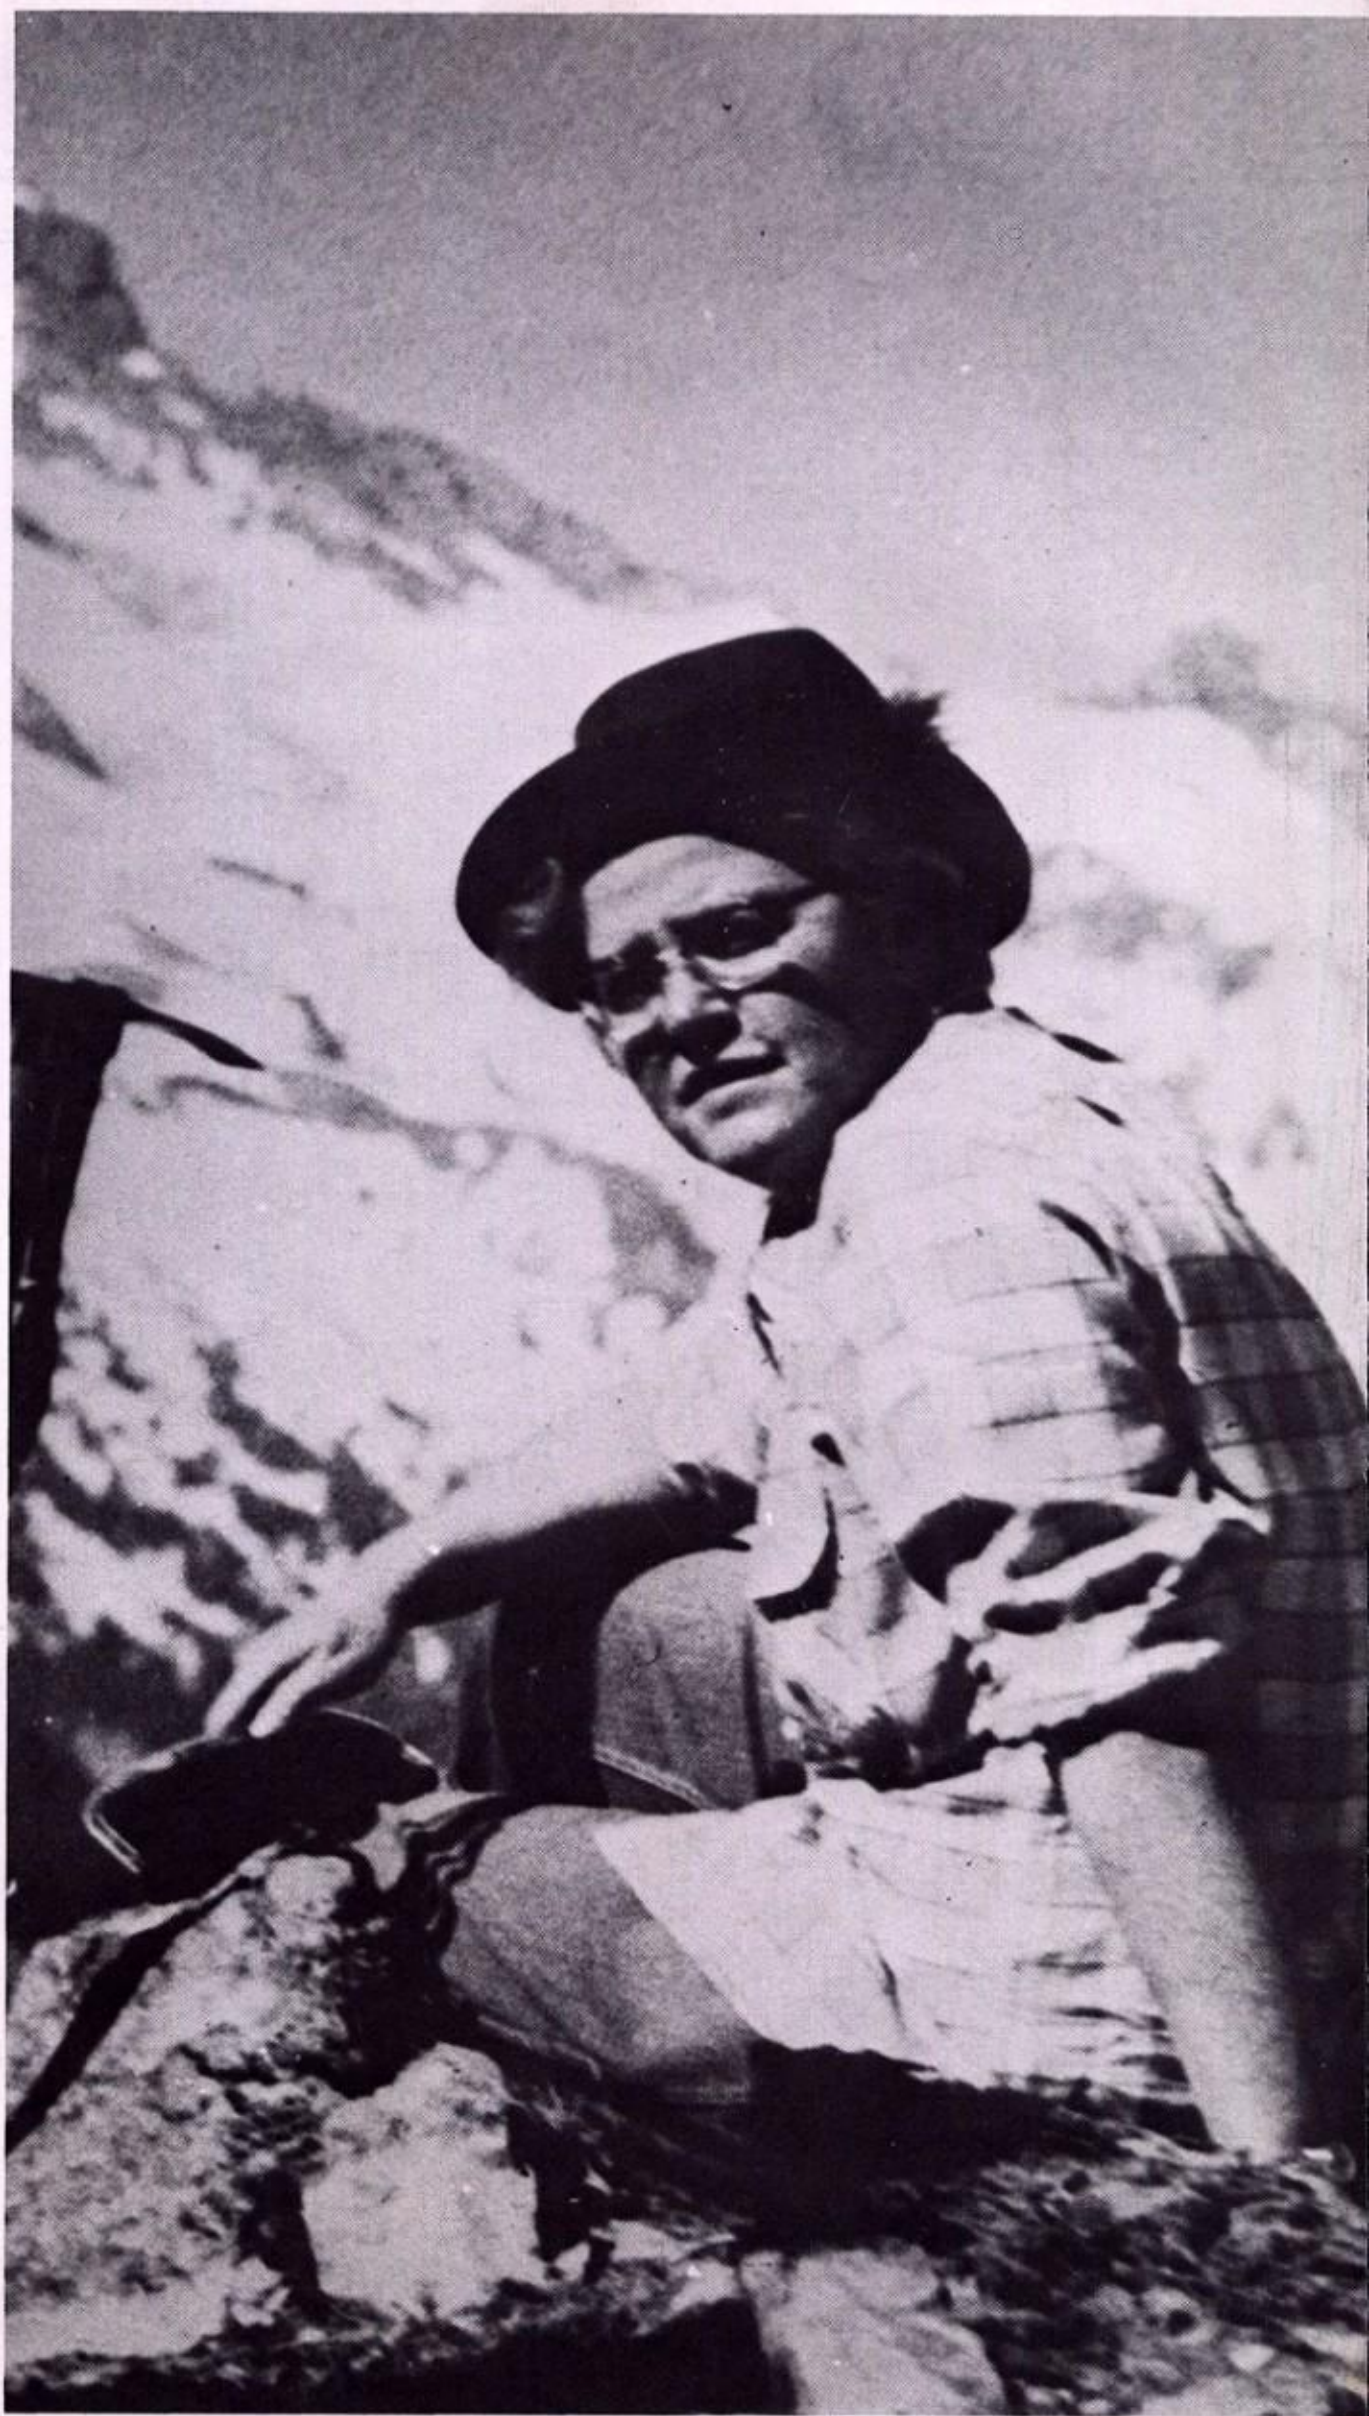

There is no tomorrow
There is only today
So don't rush it away

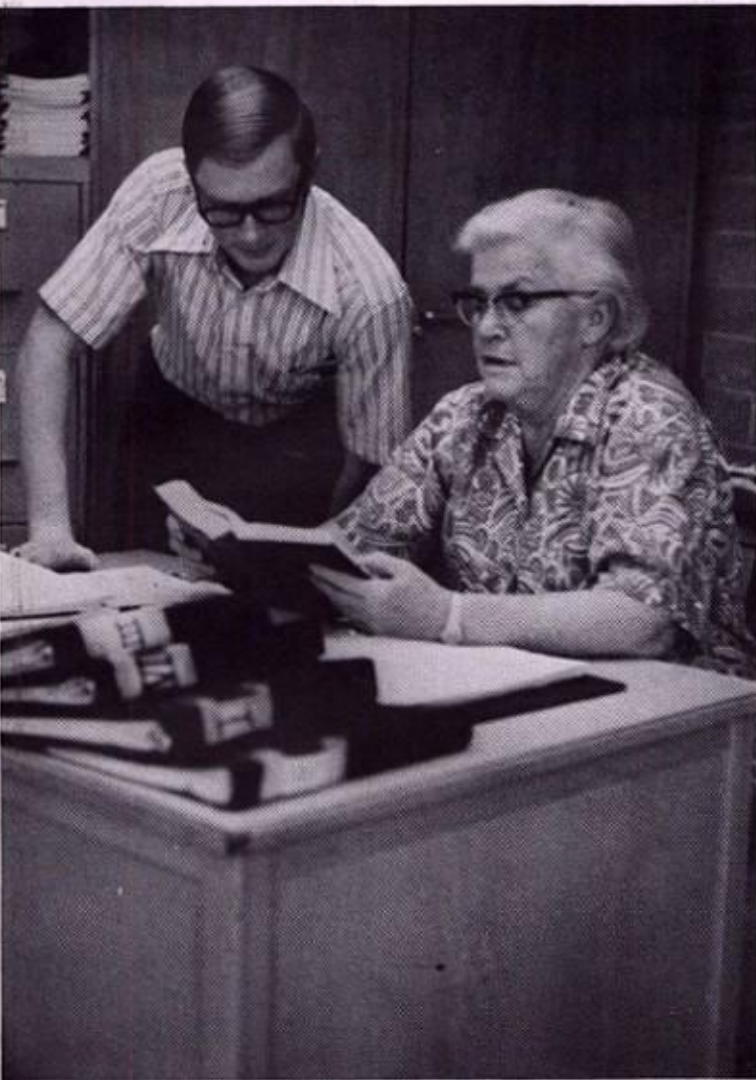

Life is what you make it
Death is how you take it
Love should be cherished by all mankind

IN HONOR OF MISS CHAPMAN

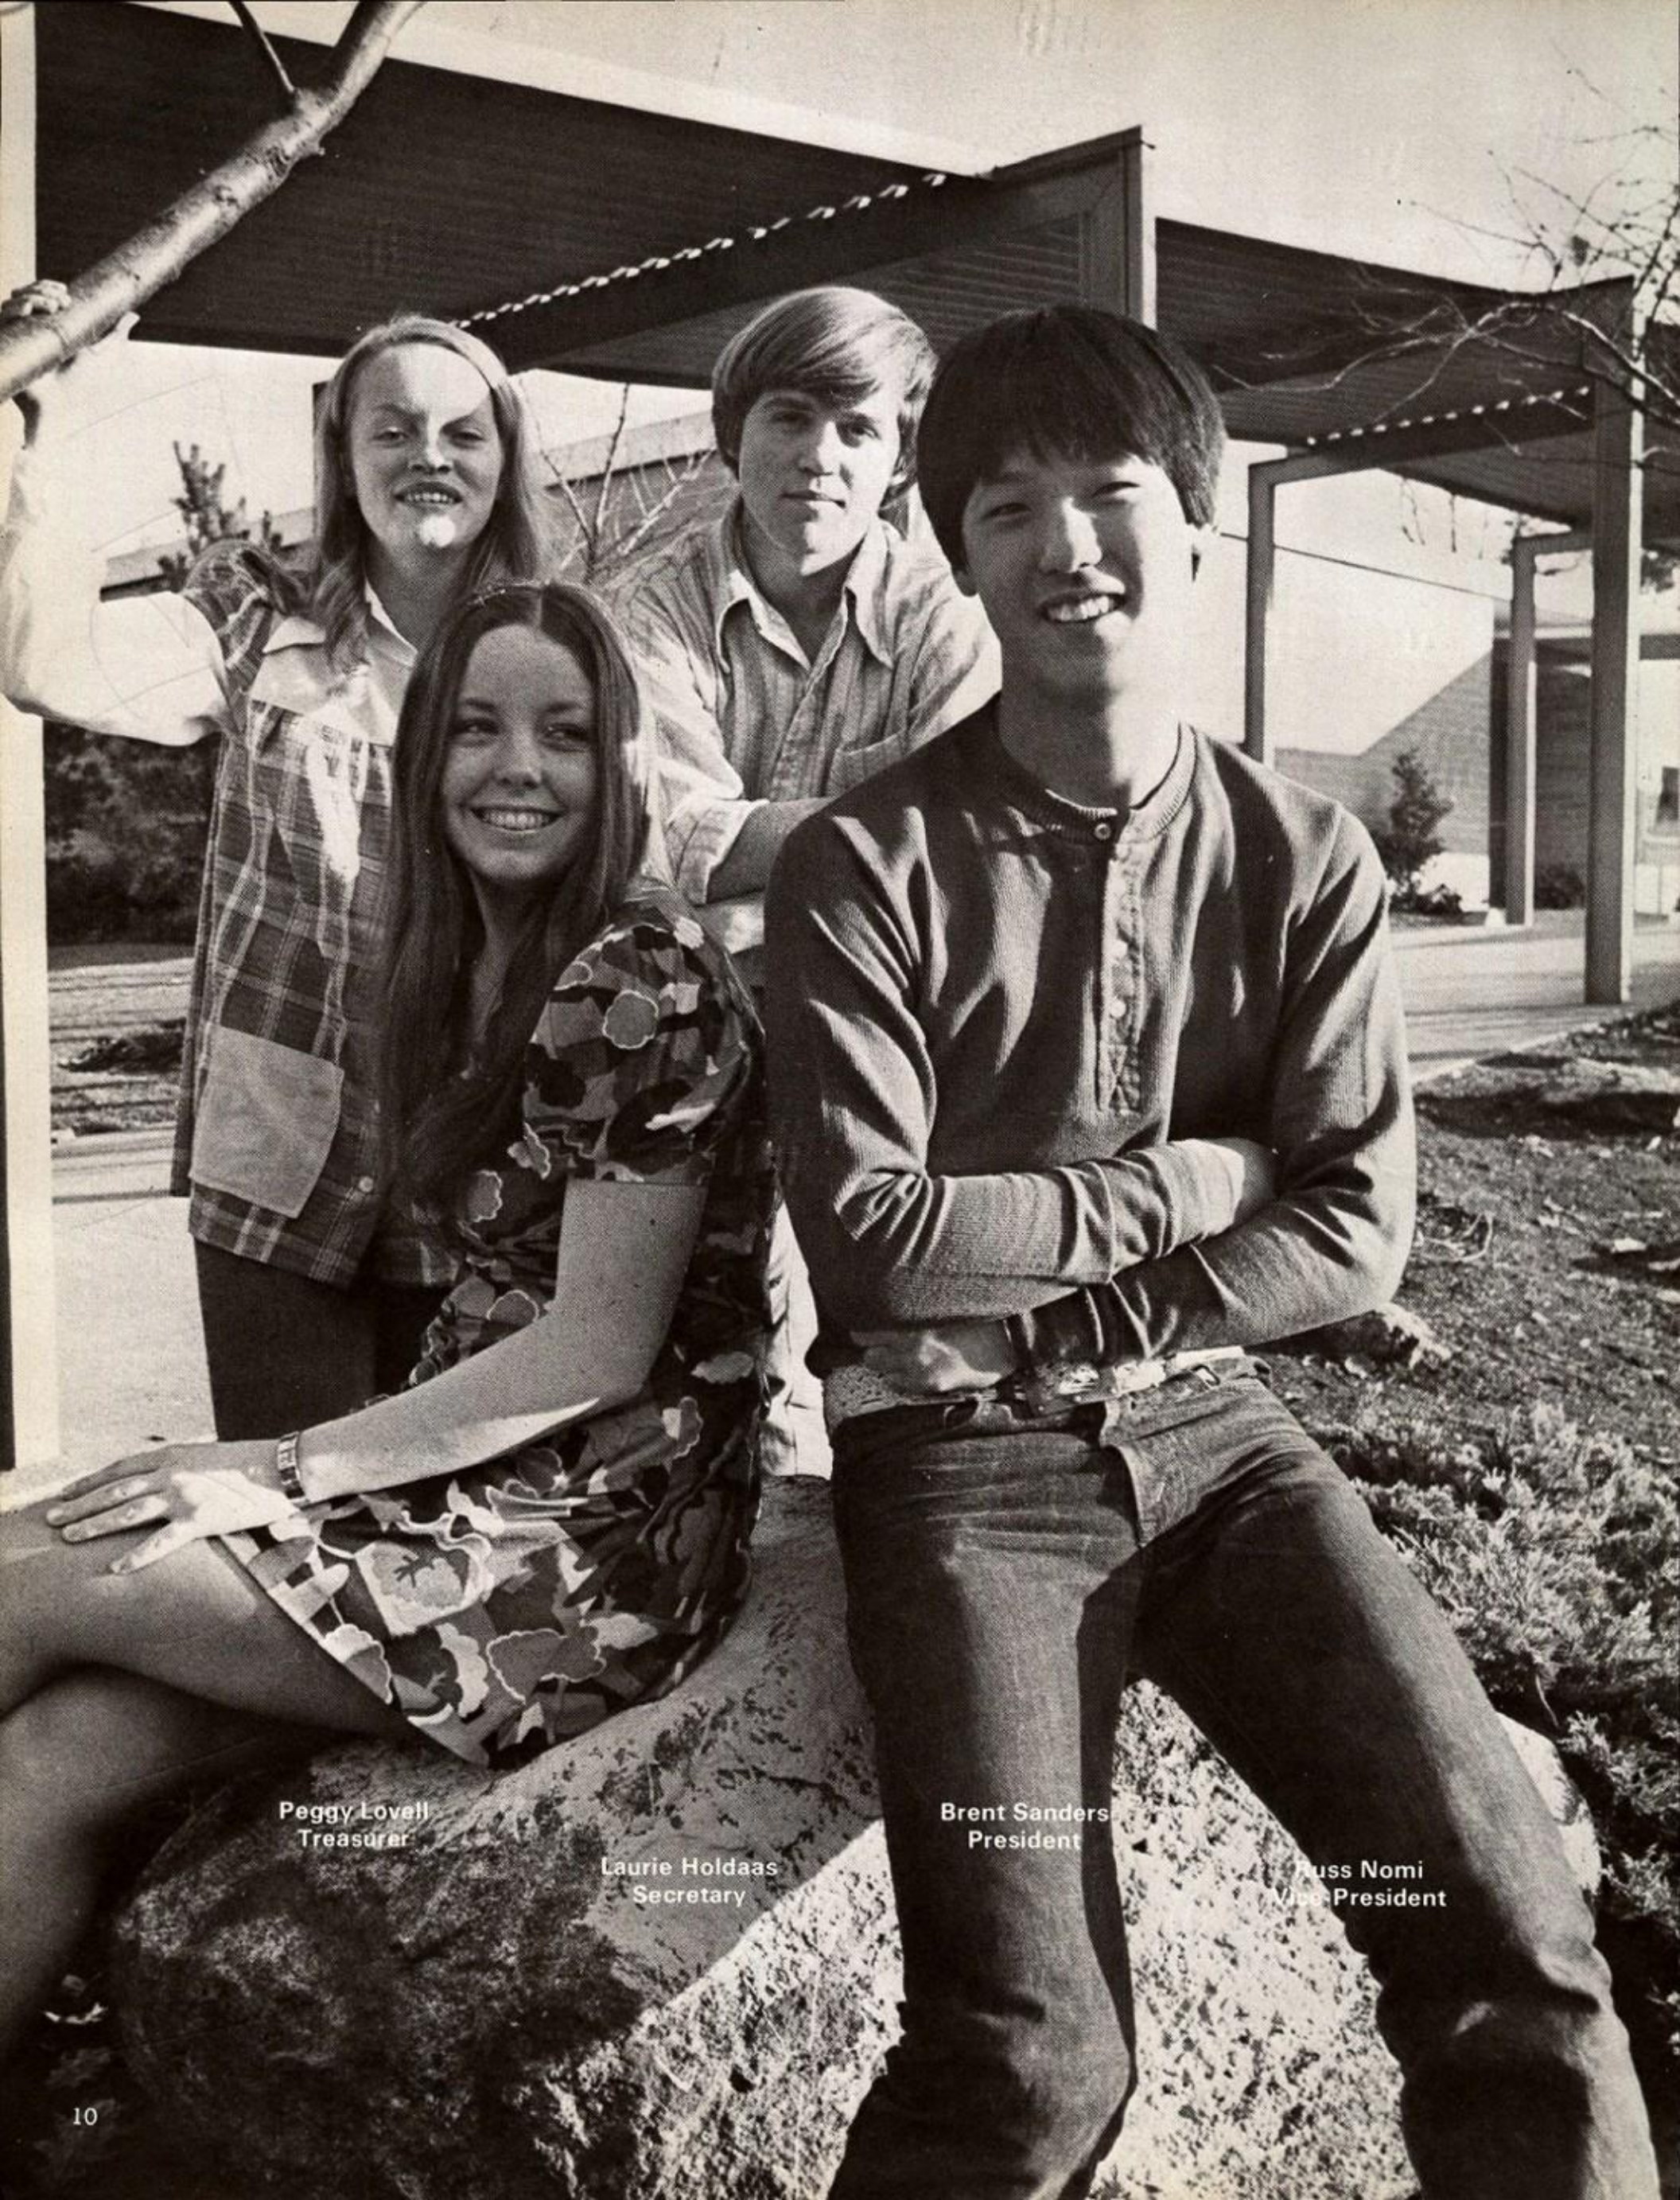

With great pleasure the Taku Annual Staff is proud to announce that this year's dedication is presented to Miss Hazel Chapman. Over the years Miss Chapman's hearty personality has warmed and delighted the hearts of students. Furthermore, her enthusiastic qualities have been enjoyed and appreciated by the faculty for many years.

Miss Chapman began teaching at Glacier when it opened 12 years ago. She has taught Health Education, Survival courses, and has promoted the teaching of First Aid. Also, she has devoted her time in teaching Sex Education. She was one of the first advisors at Camp Waskowitz and shows the importance of the outdoor world by fishing, camping and hiking.

With sincere gratitude and pleasure, we dedicate this years annual to a wonderful person who is retiring this year. Good luck in the future, Miss Chapman.

WE STILL BELIEVE IN TOMORROW

The seniors hosted the 1972 HOMECOMING with a football game, assembly and dance. The Grizzlies sunk the Pirates 20-19, in their victory over Highline. The Homecoming Spirit was carried out through the week with various class competitions, ending with an assembly and dance. Senior Jody Woodward was crowned Homecoming Queen of 1972. Her first Lady in Waiting was Lori Peterson and second Lady in Waiting was Cydra Solberg. Junior Princess was Jill Jones and Sophomore Princess, Marilyn Valentine. The dance was held on October 7, and the music was provided by "Atlantic".

HOMECOMING '72

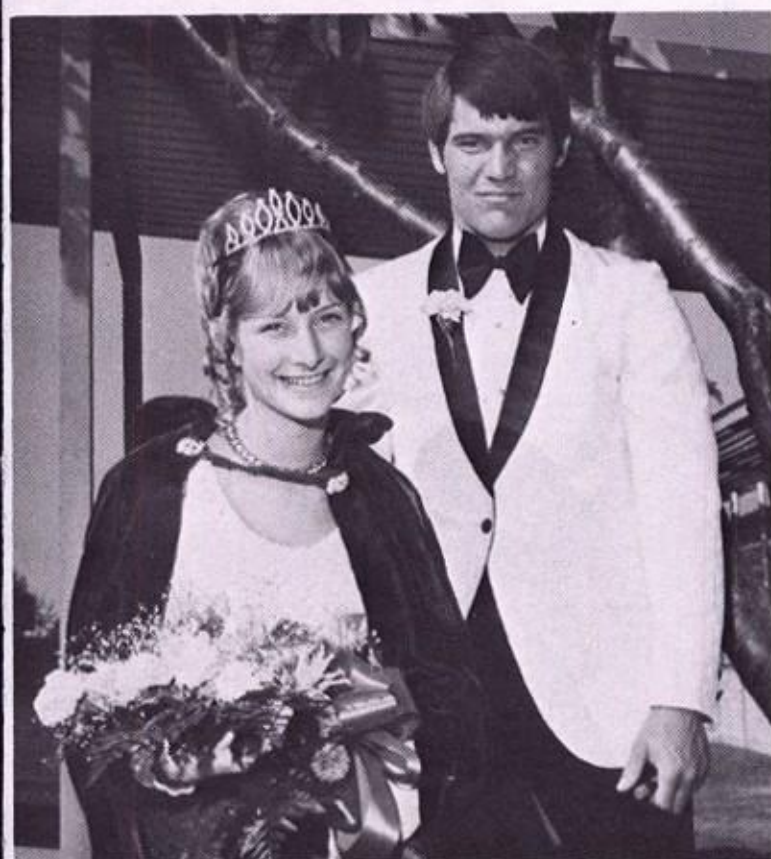

QUEEN JODY

BEGINNINGS

SPARKLE

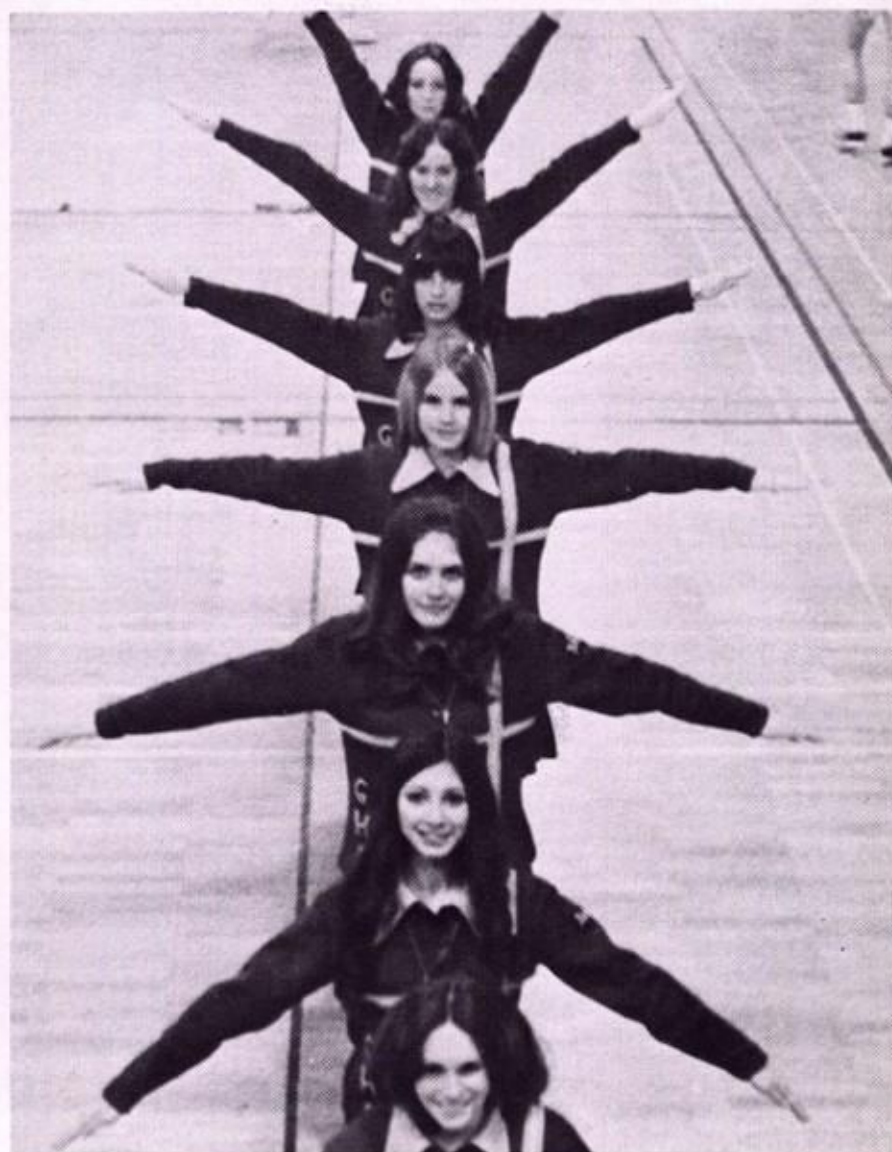

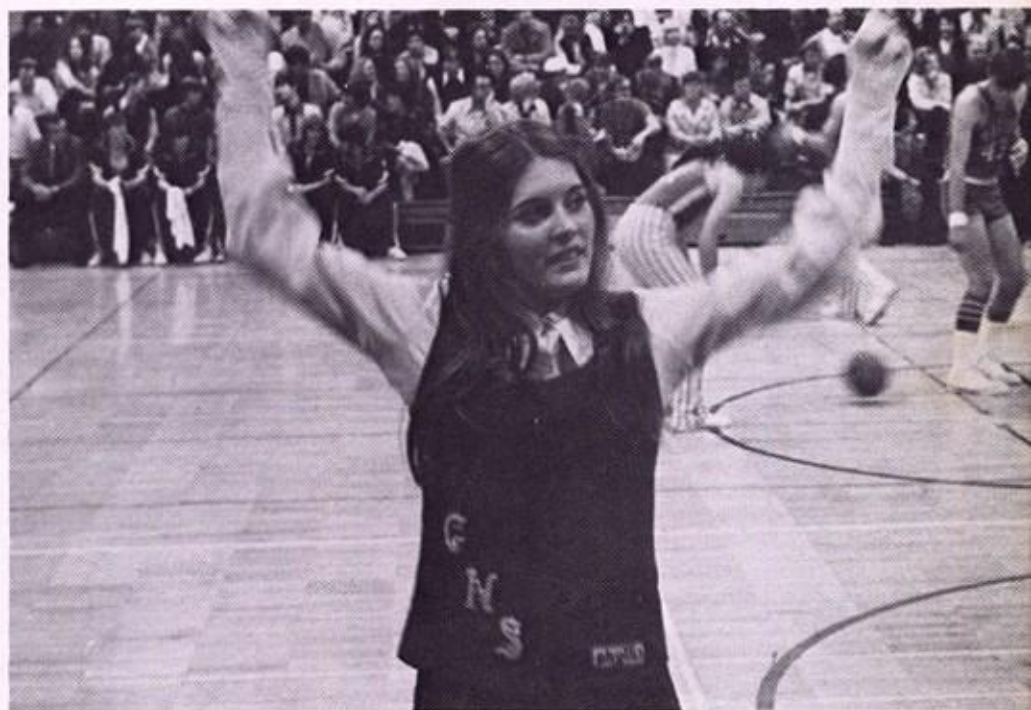

Dedication and enthusiasm were expressed by the Varsity and Junior Varsity Pep Staffs. The girls of the Varsity Pep Staff were awarded four 1st place ribbons at the State Conference.

Varsity Pep Staff: Queen, Phyllis Thorfinson, Patty Akita, Laura Buscio, Sue Erickson, Jill Jones, Colleen Simms, Cec Turgeon and Advisor Miss Sheila Wilson.

J.V. Pep Staff: Debbie Betts, Della Fratangelo, Carrie Woodward and Marilyn Valentine.

Try to understand each person we meet. With a smile, a thank you, and a hearty greet.

He'll
see you next
year
Mike H.

DEDICATED TO THE ONE I LOVE

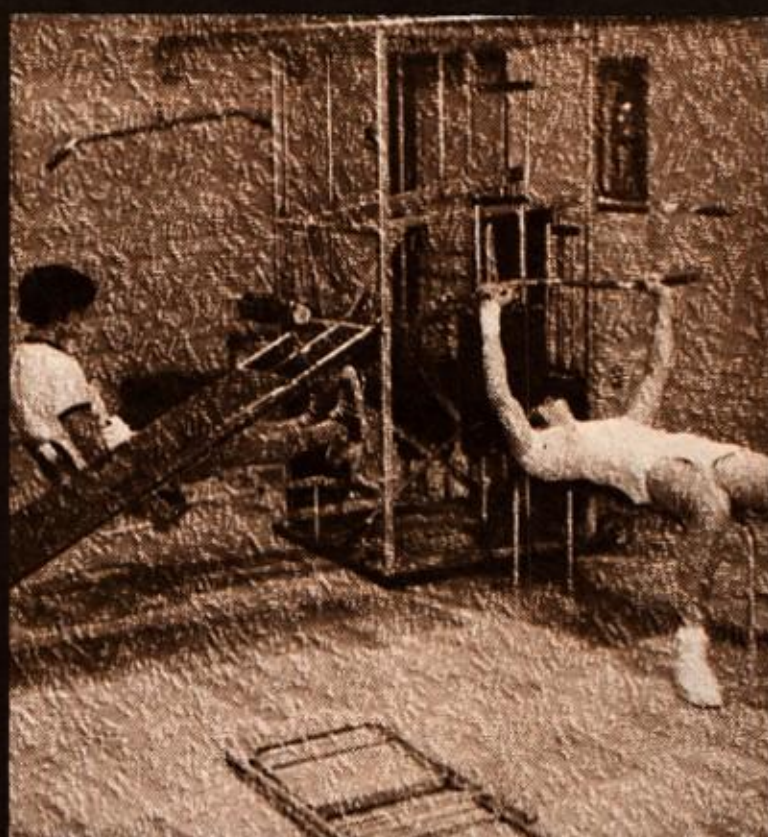

Hey Keith keep
the chicks hot and the
beer cold. And by the way
you owe me \$7.00.
Take it easy and Mike
have a nice summer. Mike Nowing P.S. Give
up

"Dedicated to the One I Love" set the theme for this years
Sophomore sponsored Tolo. Once into the red, white, and black
sentimental decorated gym, on the eve of February 2, the guests
were entertained by the rock group Pulse. For all attending it was a
great time of fun and dancing.

Keithy Baby - a can do
hope you find that last for
this summer 2 weeks you only
more than we'd dick Keith
a real Thanks for the expensive
chemistry answers
even though I
got a D
Craig

Personal sacrifice, not
personal glorification; when
you win, there is enough glory
for all.

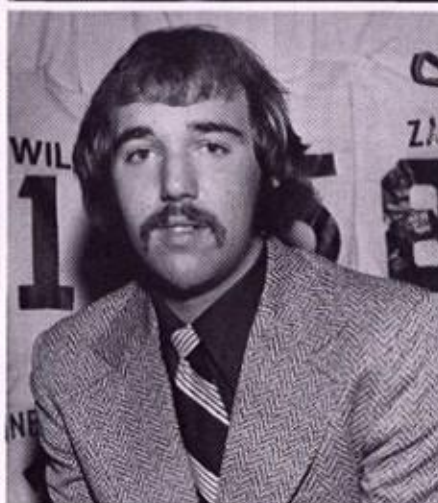

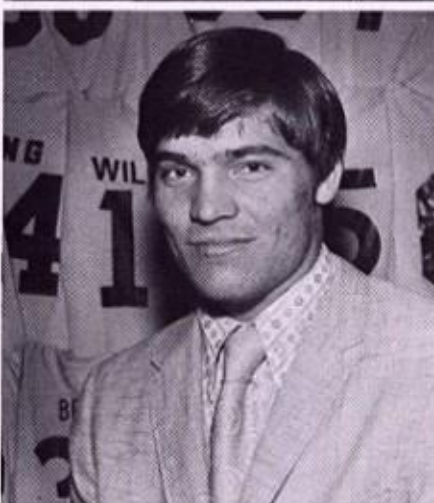

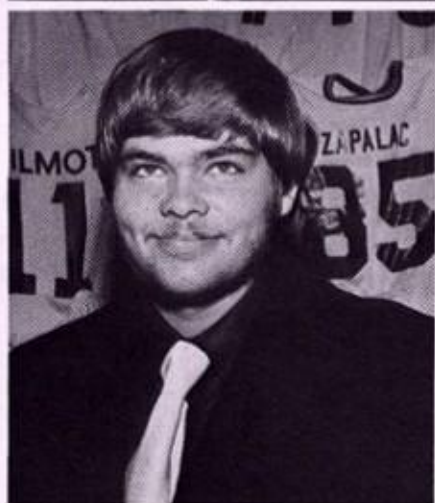

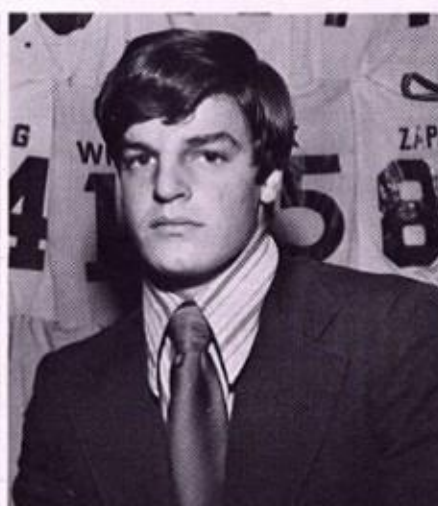

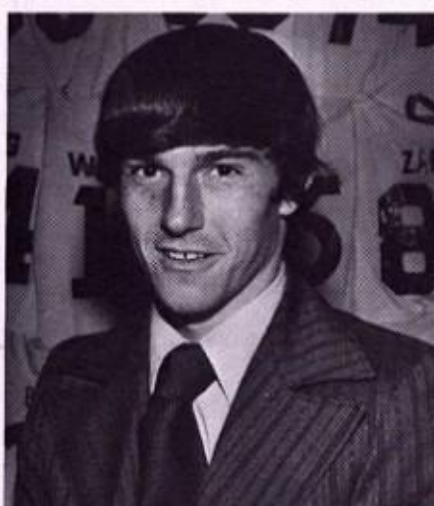

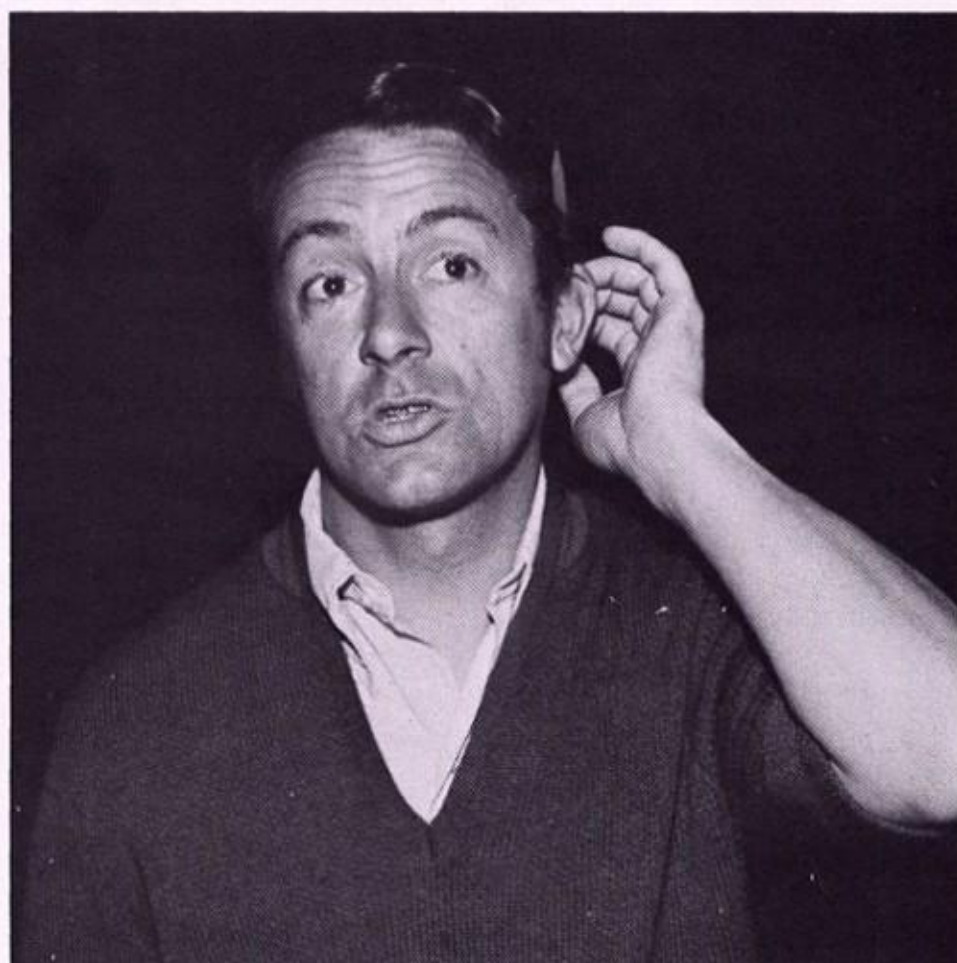

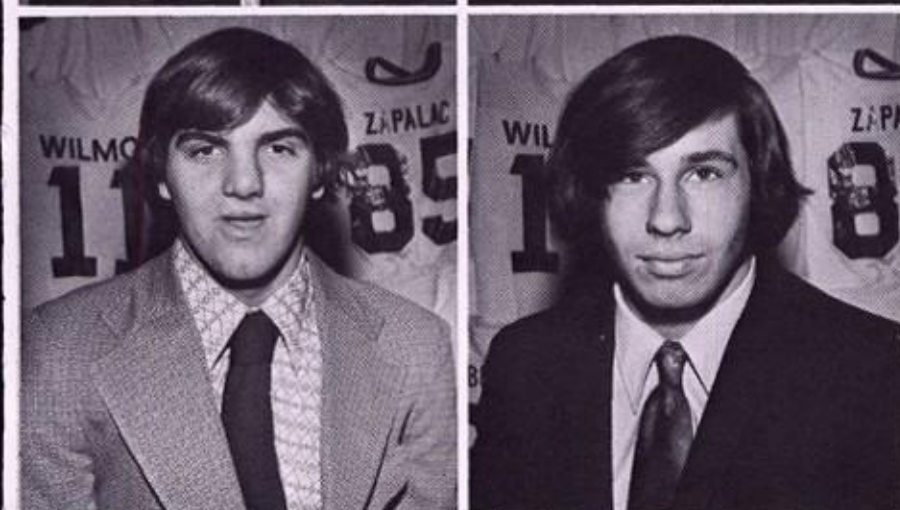

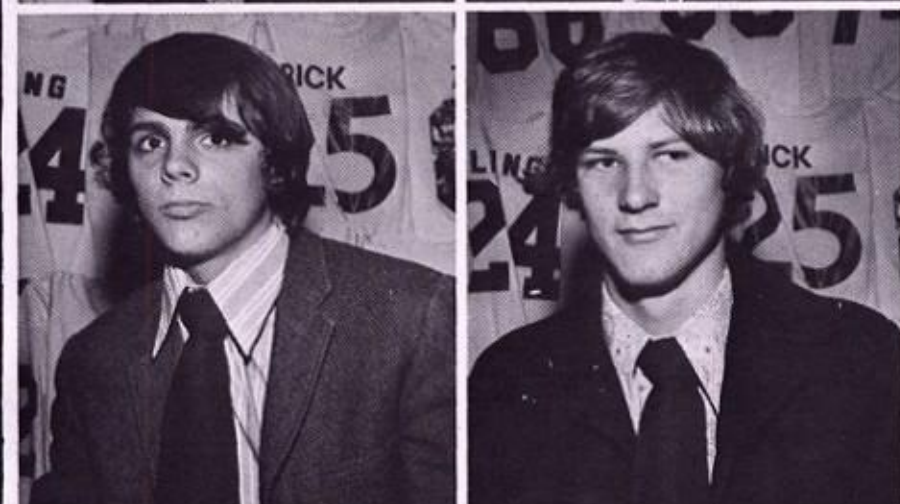

SPORTS

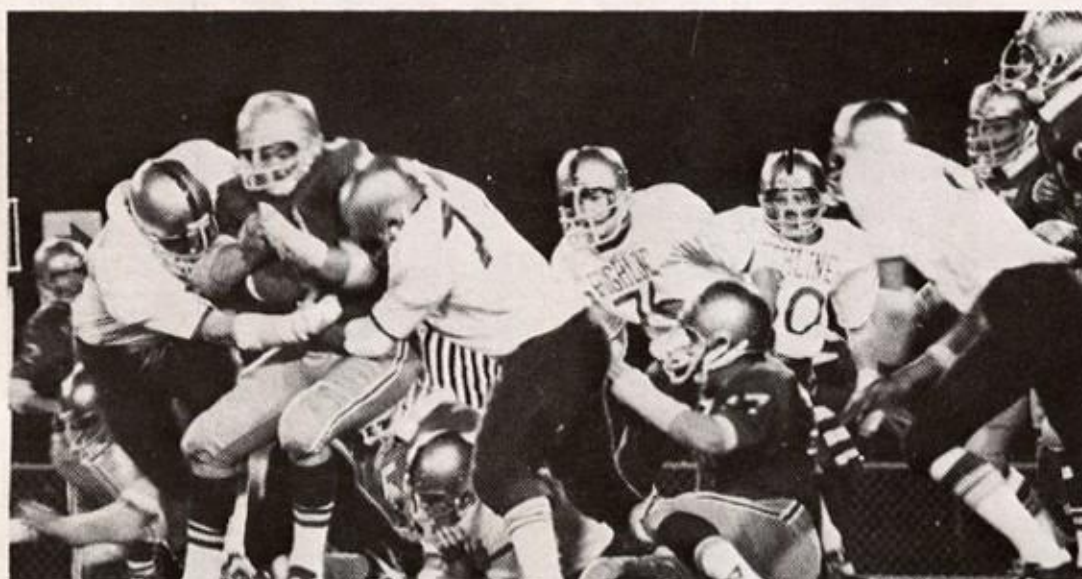

7-3 IN '72

With the onset of autumn comes the beginning of many exciting activities around a high school. Most of these activities at Glacier are centered around the weekly football game. This years team, the greatest in Glacier's football history, made it a thrilling and memorable fall for all of us. In the bears first league game of the season, they ripped to a 14-12 victory over Kent Meridian, a team we had never defeated. With the momentum started, the grizzlies then rolled on to win 4 more straight games. A close 1 point victory over Highline was the start of one of the highlights of the year, Homecoming. A dance, the night after the game, capped off a truly special weekend. Then the bears, ranked 2nd in state, slipped, and 3 games were lost. But under Coach Steve Doutrich the grizzlies bounced back and trounced Tye for the final game of the season. This years team, setting a 7-3 record for the season, finished close in the standings behind Kent Meridian, Kentridge, and Mt. Rainier.

GOLF SWINGS ON

This year's golf team, encouraged by a lot of new talent, ran high in both spirit and effort. Led by senior medalist, Bob Maiers (the only returning letterman), the golf team swung through an exciting season with many close matches. The team is already looking forward to another productive season next year.

Varsity team members (left to right) - Jim Wilmot, Bob Maiers, Keith Klein, Steve Beck, Kurt Morgan, Roger Bowlin, Zac Zapalac, Dave Eagleson, Craig Puki, Bob Tasche, Tom Eagan, manager Alan Kincaid, Coach Tom Sahli, manager Ron Ross.

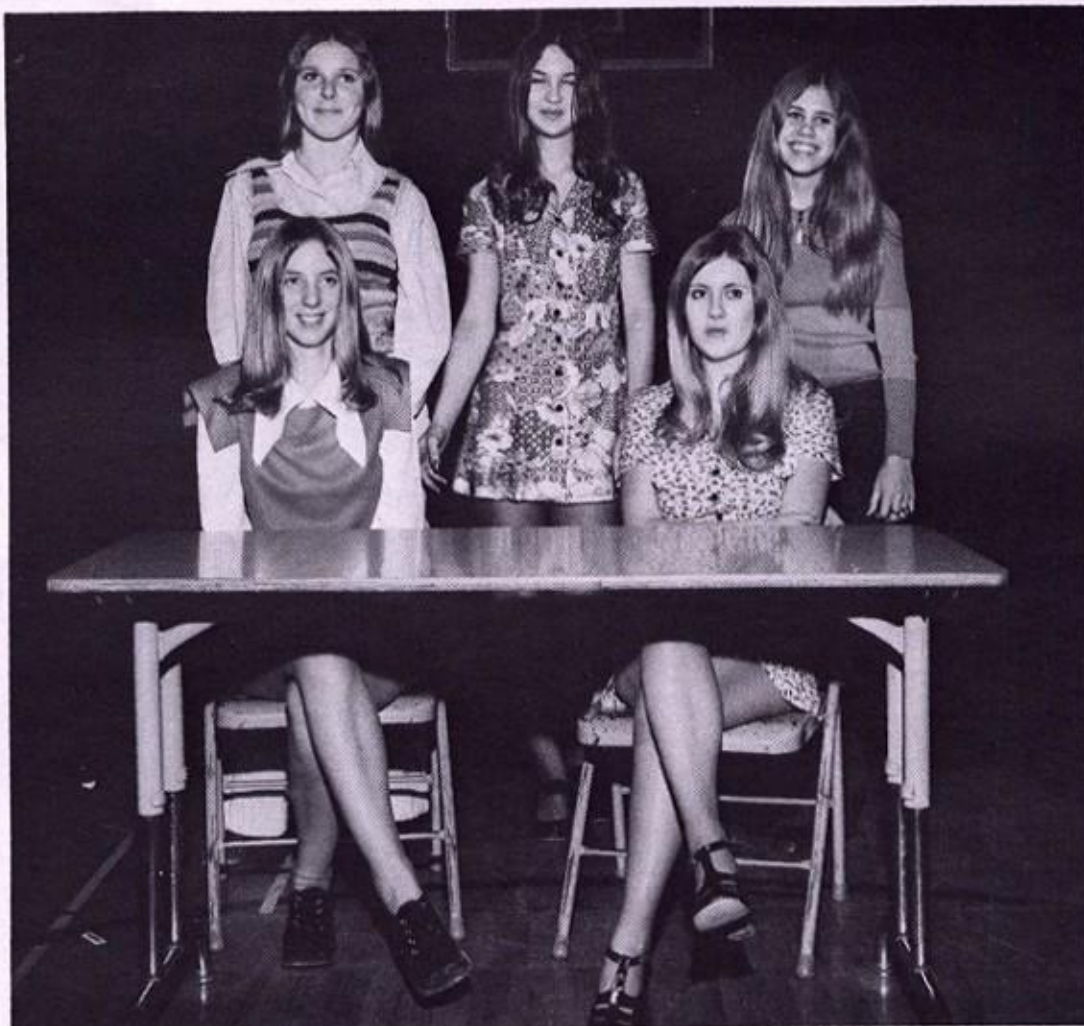

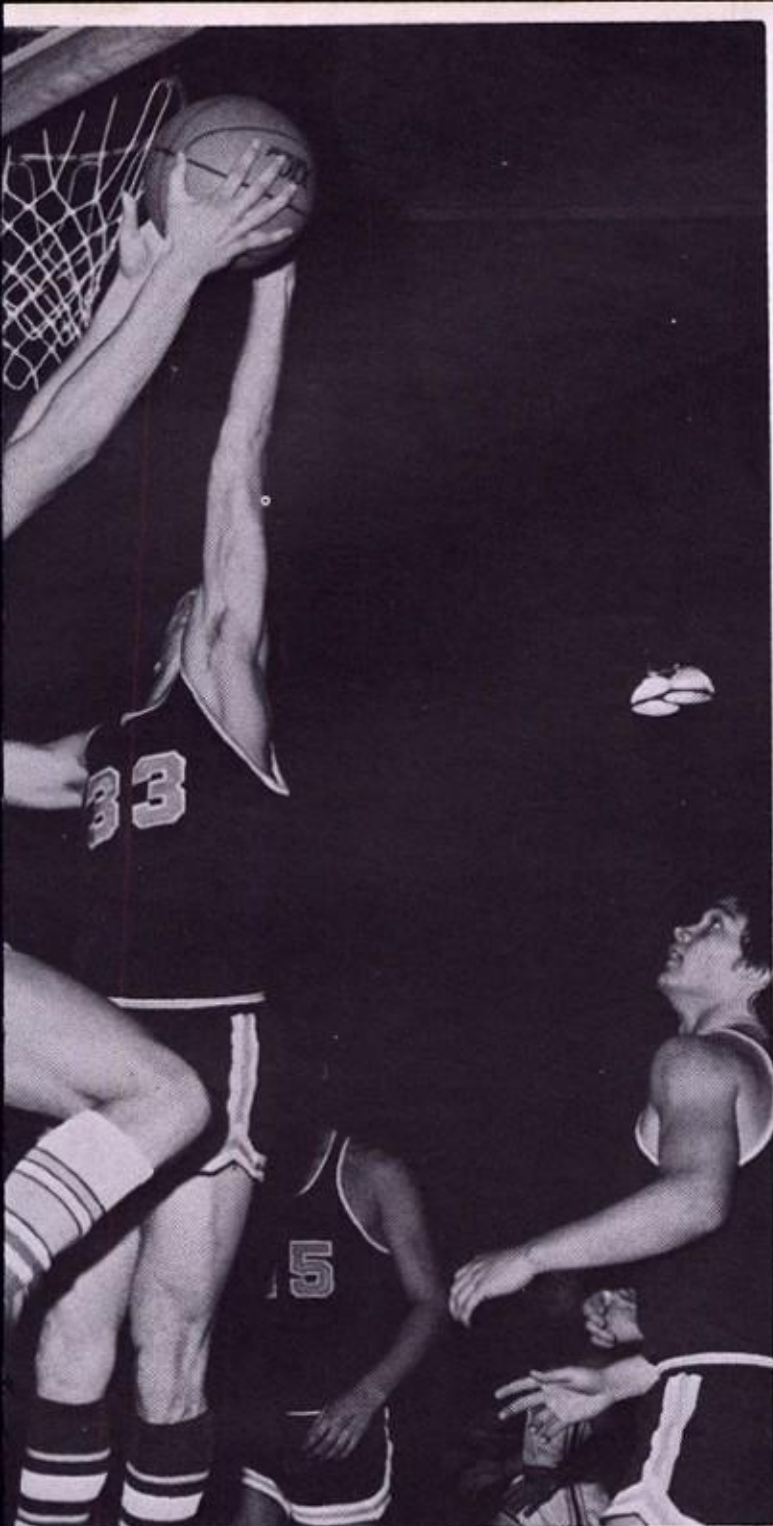

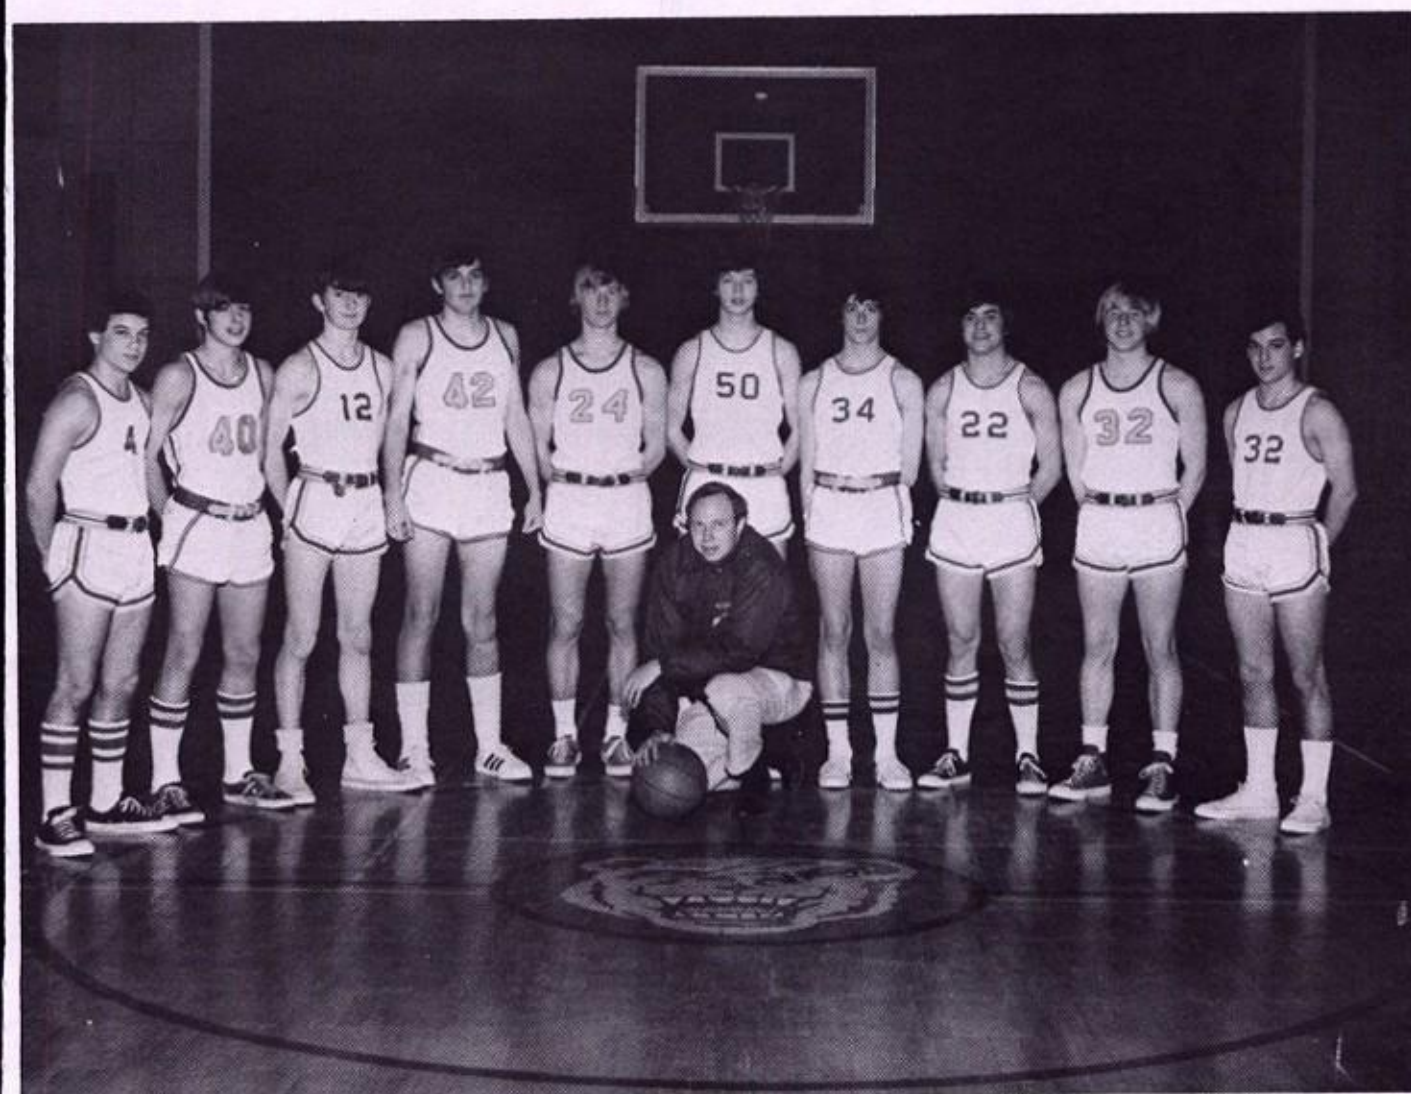

Junior Varsity team members (left to right) - Glen Walker, Brad Mergen, Craig Verdi, Randy Stricker, Mitch Barker, Paul Price, Craig Matteson, Coach Greg Flynn.

IN THE BUCKET

Glaciers basketball team was led this year by three returning lettermen and many other skillful athletes. The year went by with many disappointments and many joyous moments. The studentbody was great by turning out in large numbers for both home and away games, and giving the team all their support.

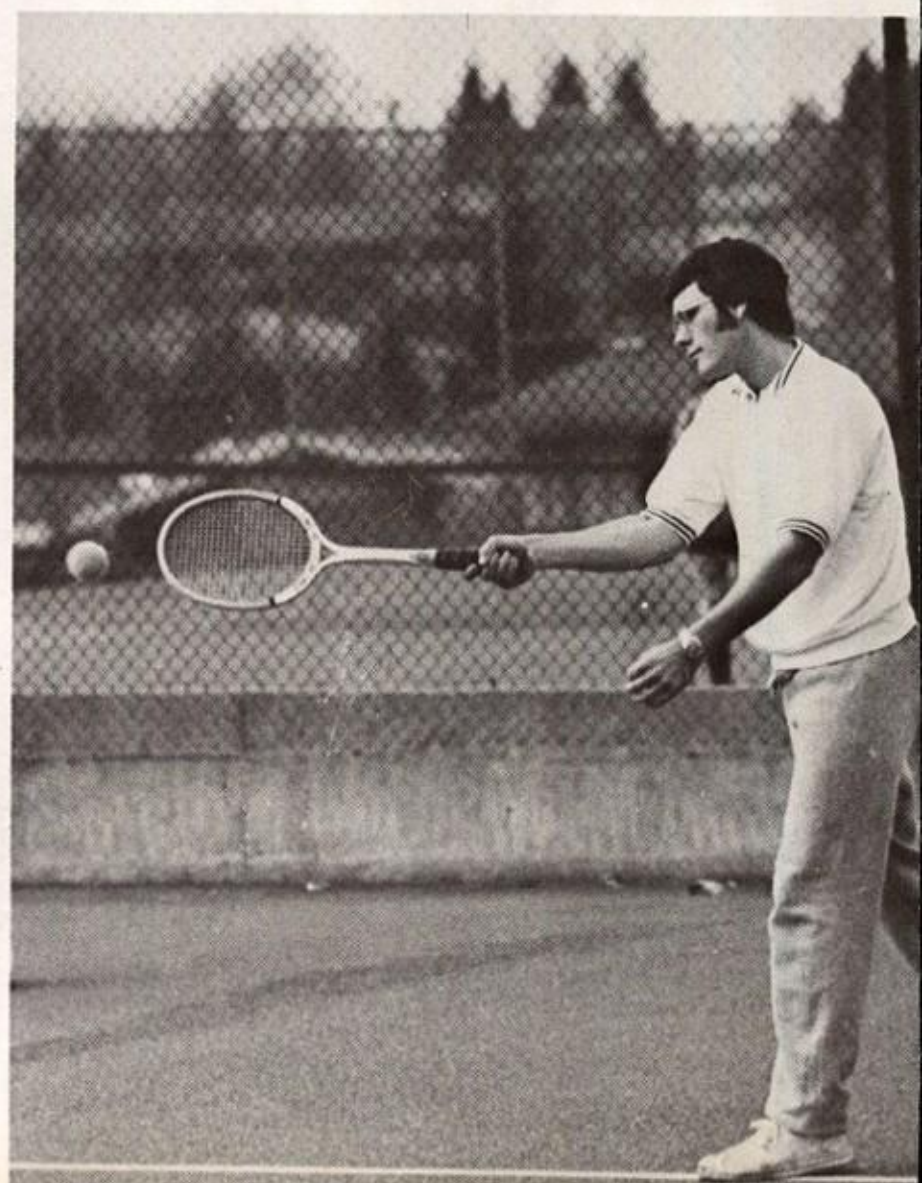

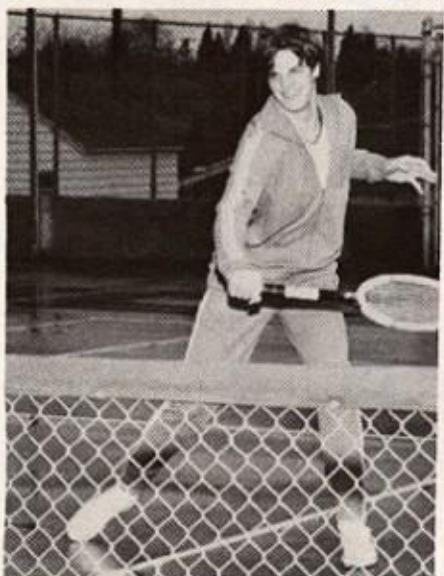

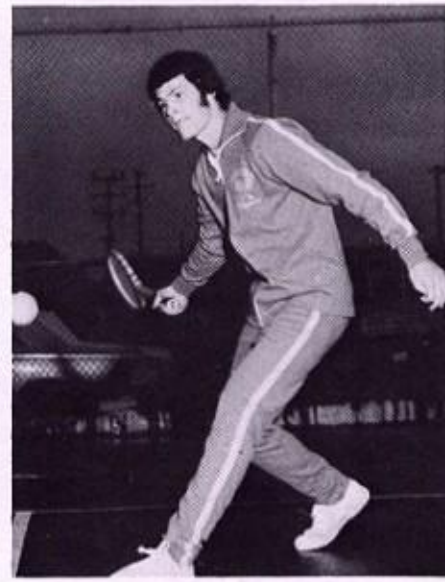

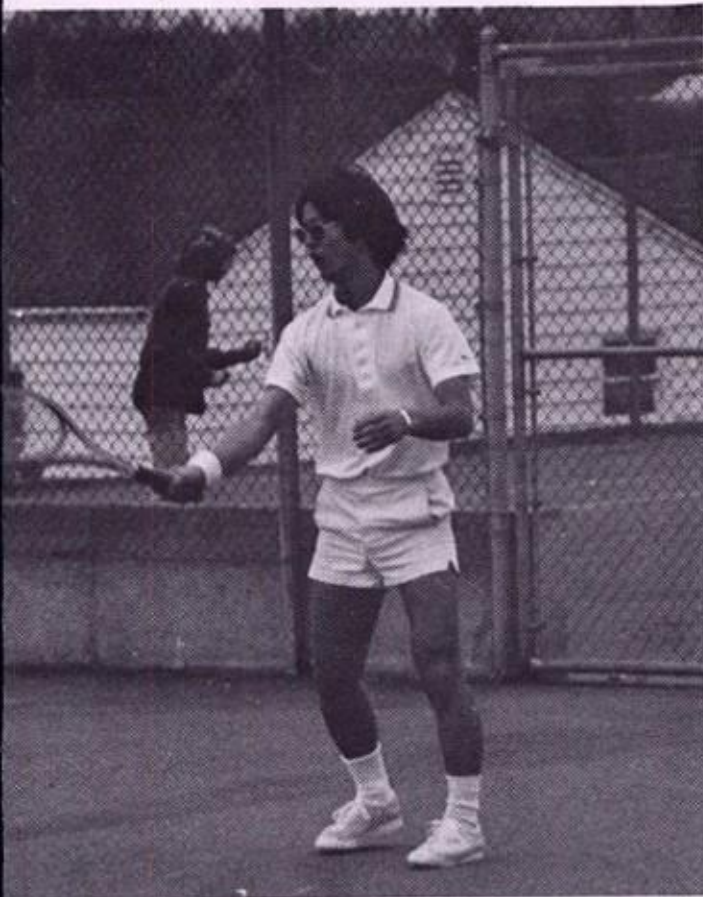

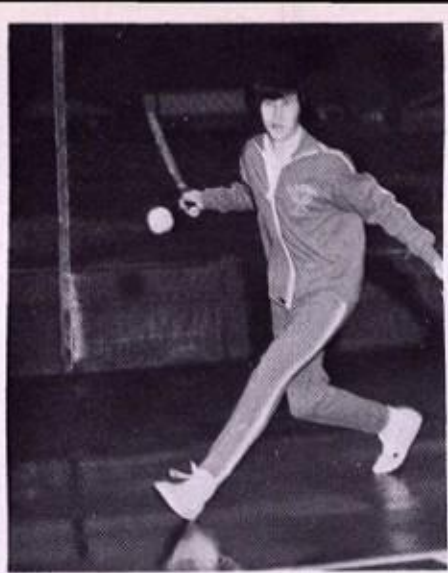

Sophomore team members (left to right) - Darrel McGavran, Peter Johanknect, Richard Dimwiddle, Nick Gagliardi, Duffy Romaro, Dan Janikula, Scott Williamson, Tony Gauthier, Ross Hill, Doug McGavraa.

*Keith your
a real Tucker
but it was been
leading up you
in health and
P.L. Don't
to Stoney
summer this
you
cox*

Drowsy and sleepy-eyed the tennis team got up at the crack of dawn every morning and was on the courts, displaying their superb ability of maneuvering a racket. Through the process of elimination they earned themselves positions on the team, picking up pointers and new tips to improve their techniques. With it's developing new talent and returning lettermen, they had no trouble in gaining victories.

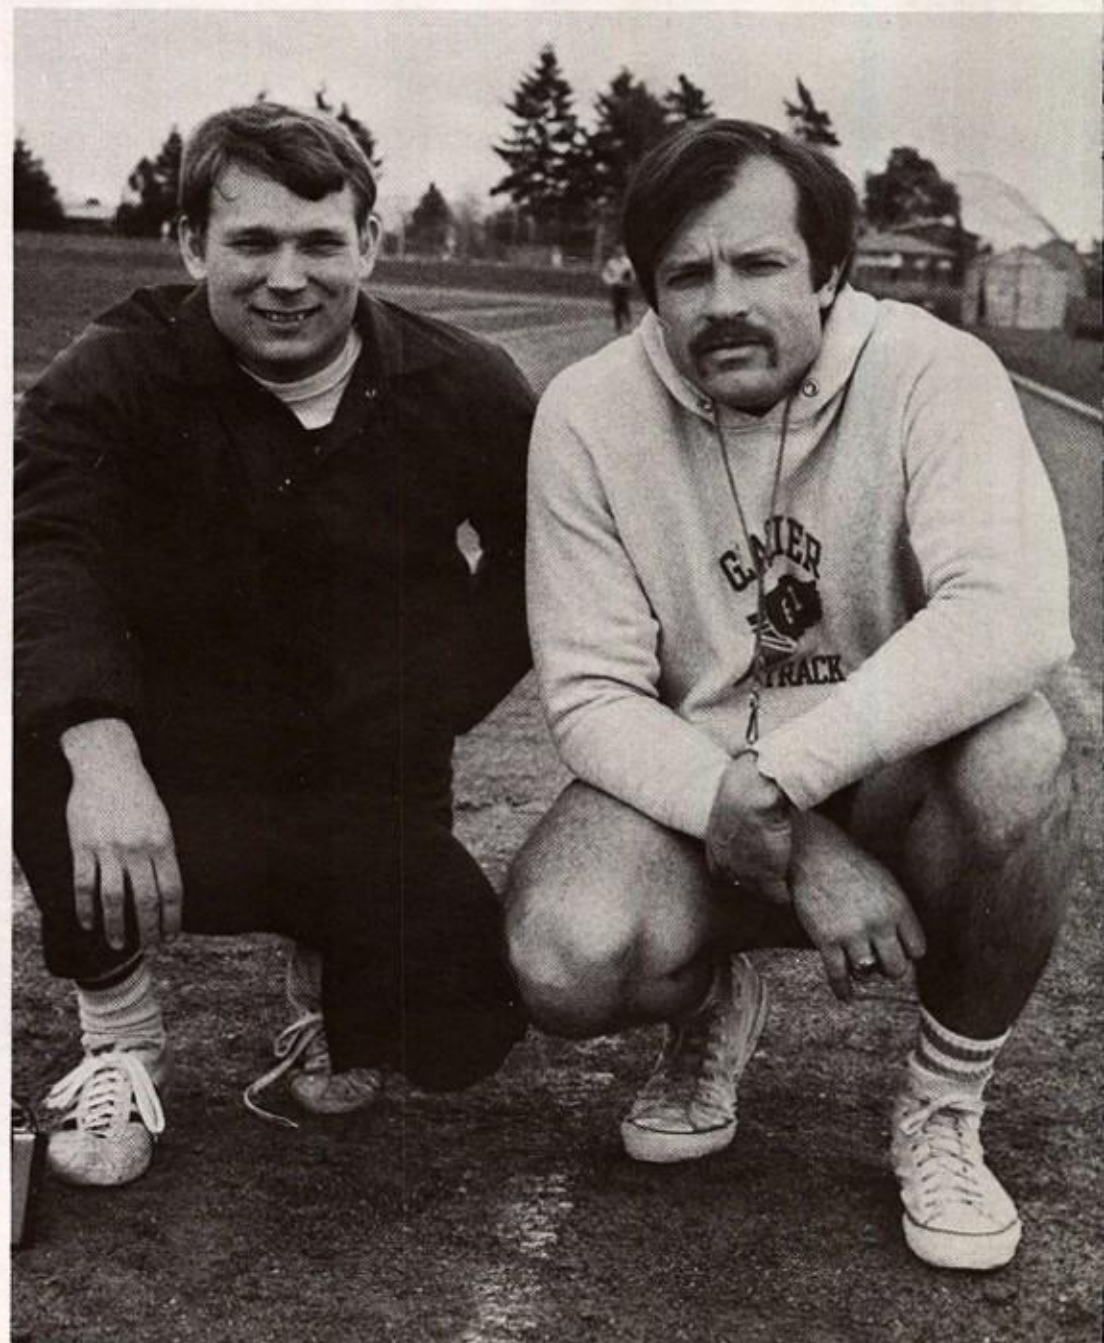

NO "LOVE" ON THE COURTS

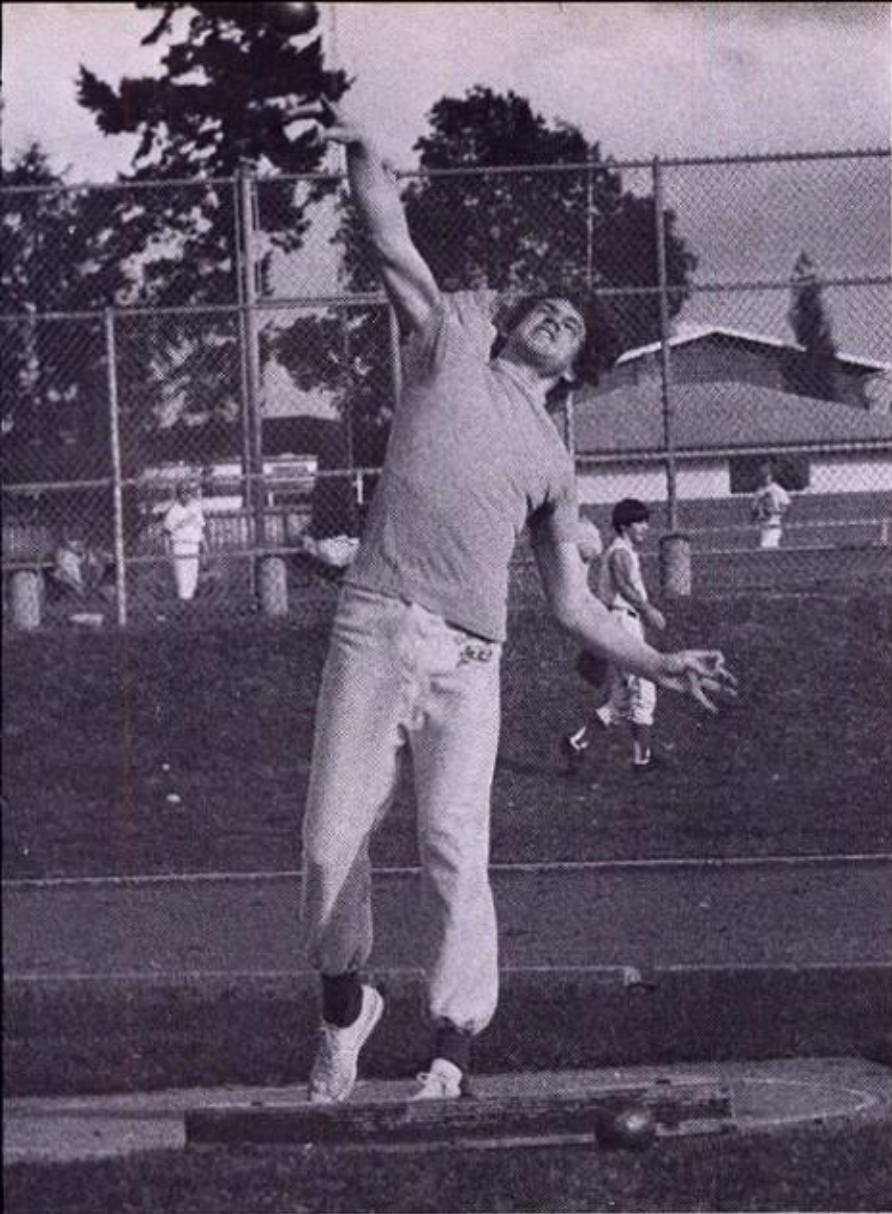

Keith,
We suffered
through sting
together so I guess
we have made it through
the worst and luck
Pat

MINI
OLYMPICS

The '73 track team was loaded with lots of talent and skill in the many track and field events. Co-captains Doug Mills and Dan Payne pushed the athletes through a successful season under the eyes of Coach Dick Day and Coach Lynn Howard.

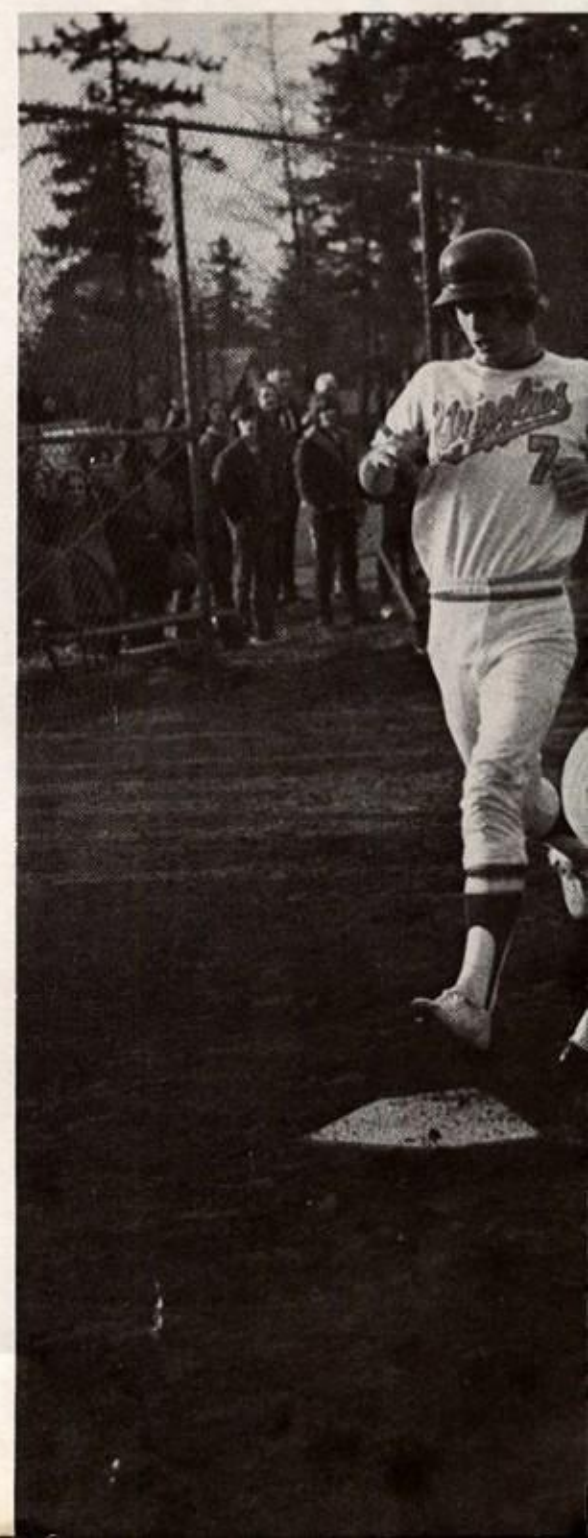

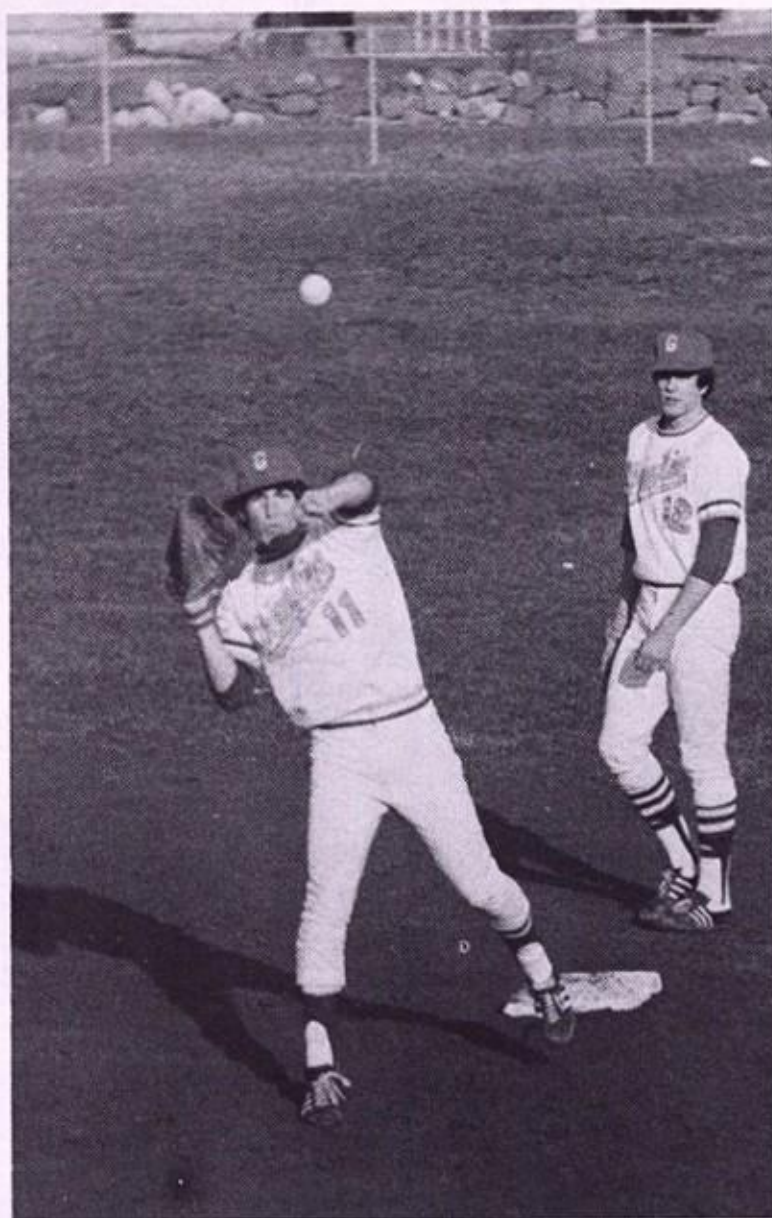

ACES IN DIAMONDS

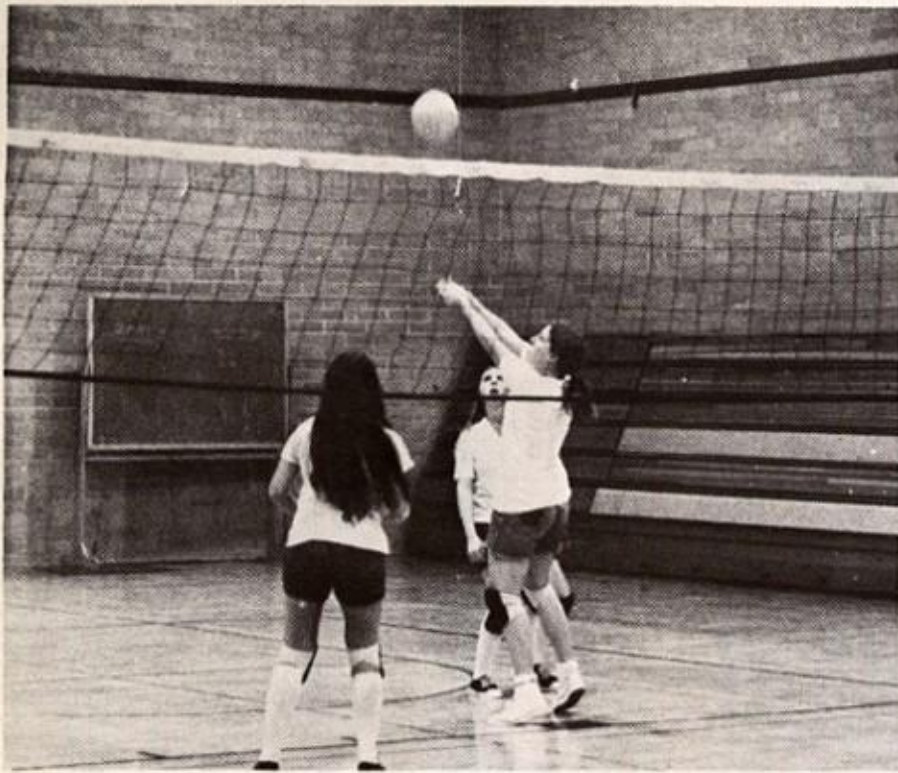

Varsity team (bottom row, left to right) Kevin Cimmery, Casey Gravel, Tony Gauthier, Mike Heater, Tom Eagan, Eldon Denhert. (top row, left to right) Alan Olson, Dave Grant, Dano Bagnell, Mark Gravel, Zac Zapalac, Steve Curtis, Keith Klien, Bruce Rick, Coach Dick Mott. Managers Bill Schukar and John Marticio. Statisticians Mary Rushmier, Chris Sibley, Anna Failor, Carol Shaw, Laura Payne, Mary DeSisto.

Coming off a great season last year, this years team led by Coach Mott hoped to carry the momentum through this season. After coming in second behind a powerful Evergreen team last year, Glacier's determined ballplayers surely had another productive season.

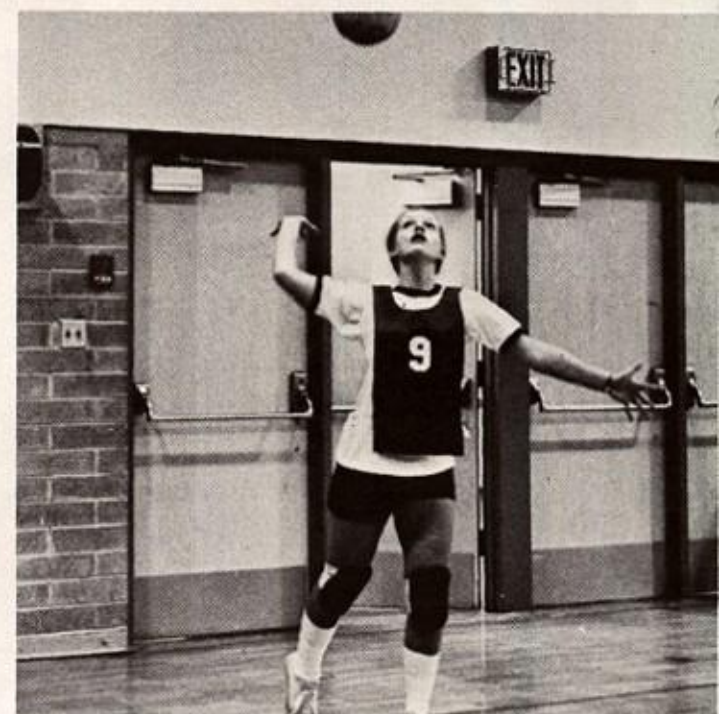

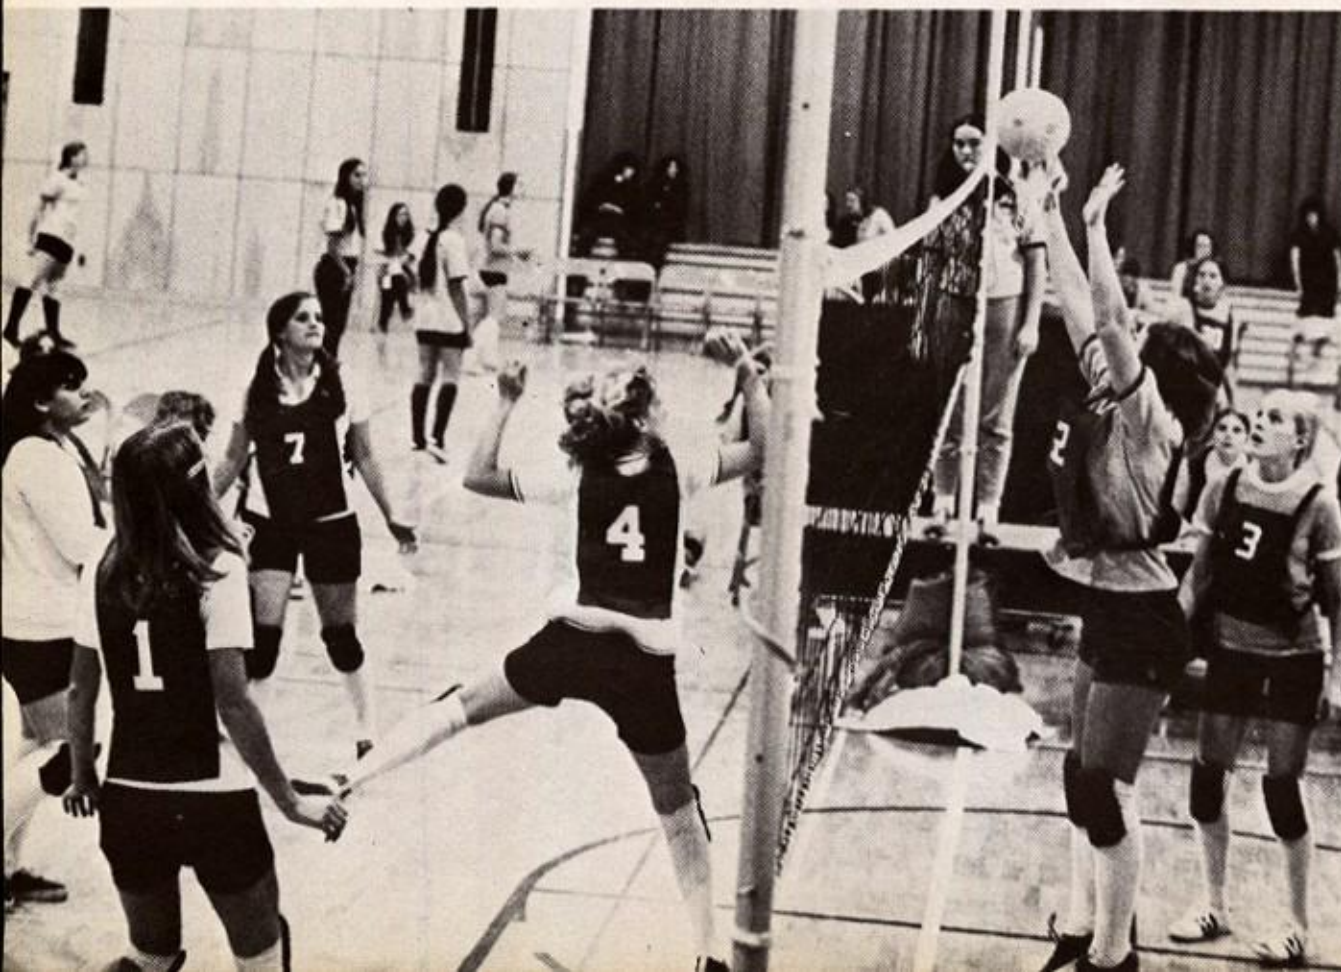

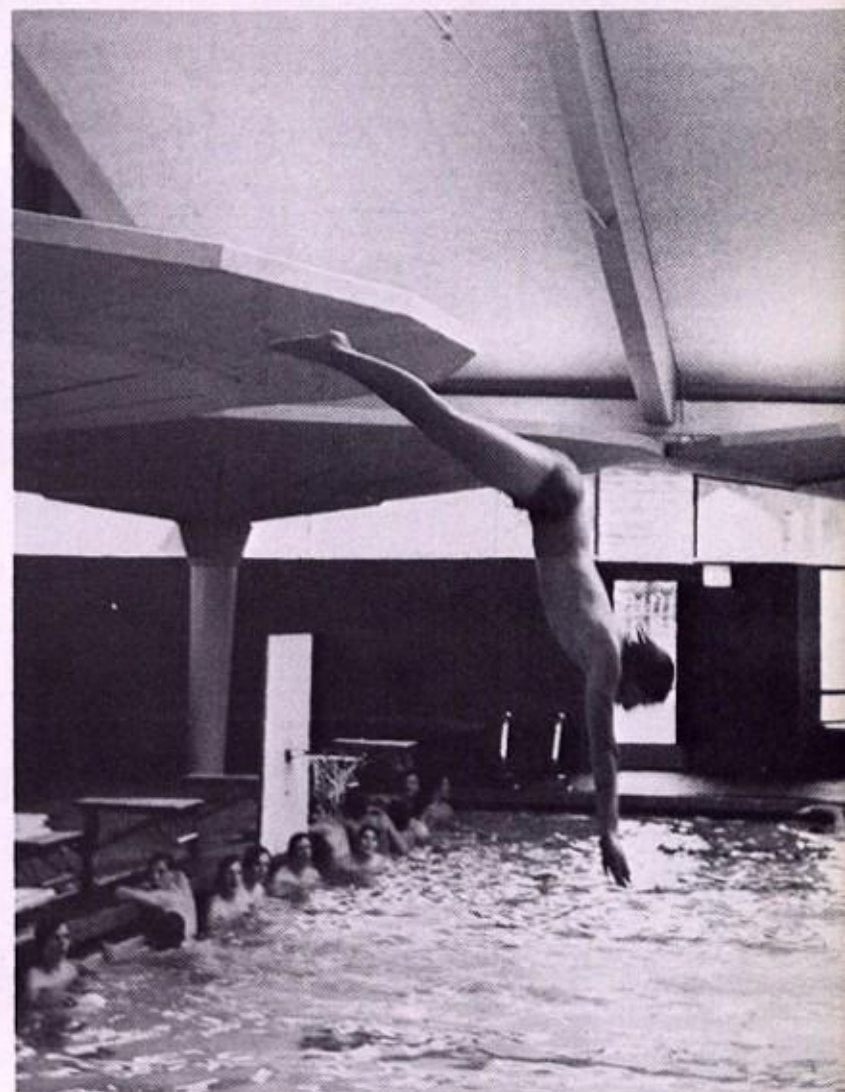

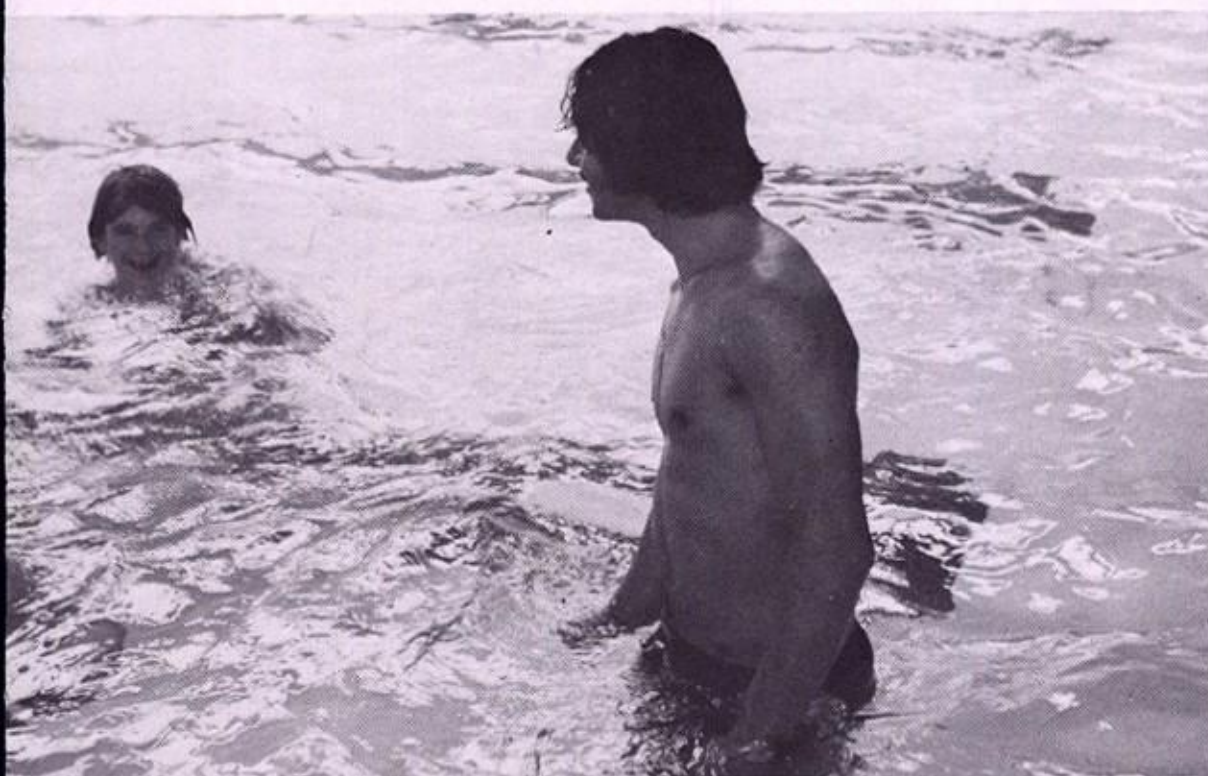

VOLLEYBALL

Girls are finally in the spotlight with their own varsity sport; volleyball. Miss Nelson, with her spirit and drive, led them through a successful year with 4th place in the league; 6 wins, 4 losses.

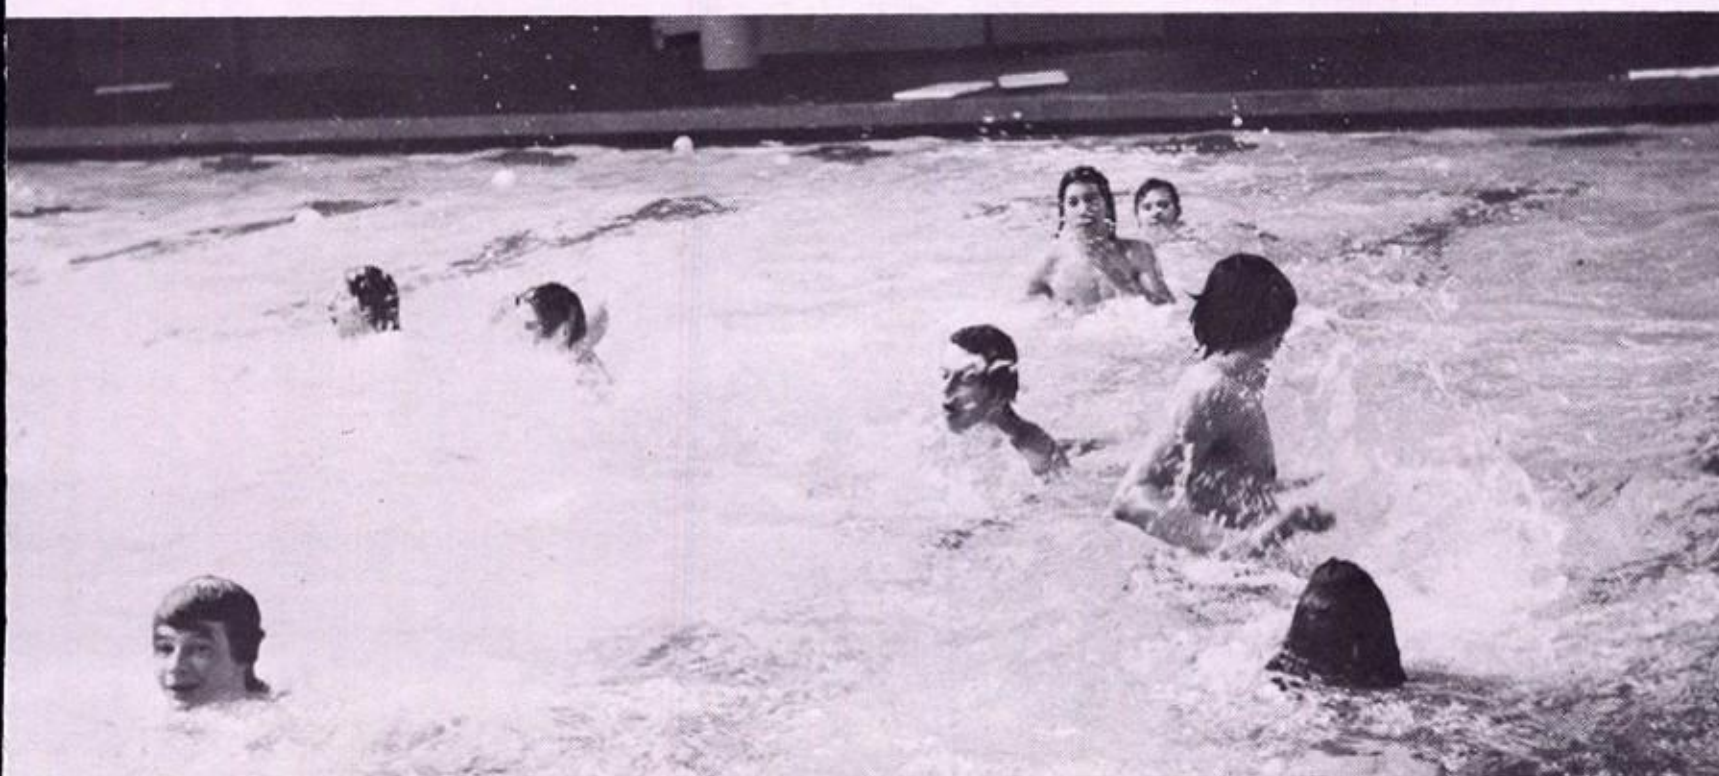

This first exciting season was ended with an awards banquet. Captain Peggy Lovell and teammates awarded Jody Woodward Most Inspirational and Toni Prudin Most Improved.

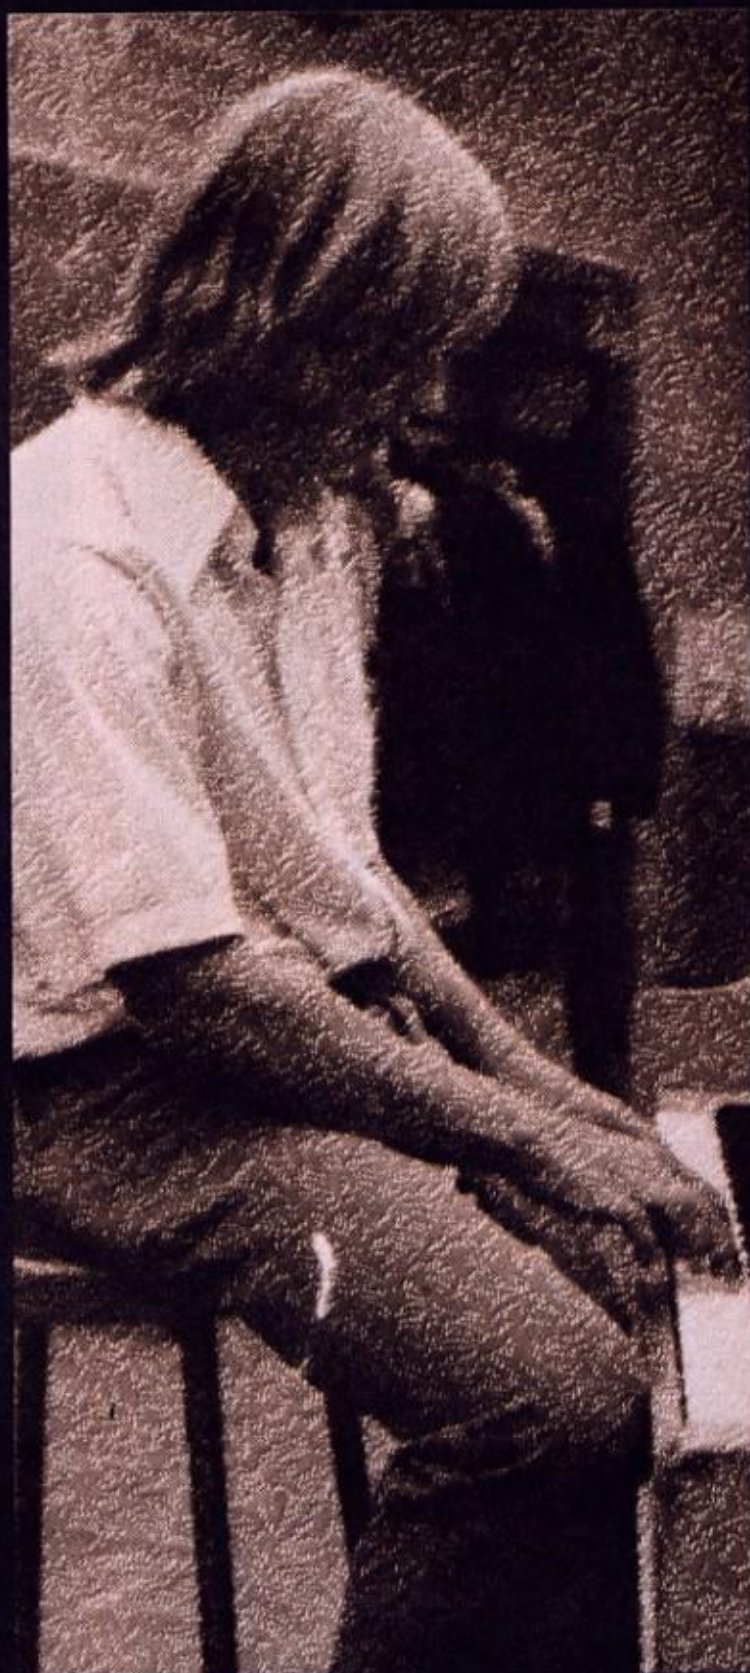

SPLASH!

This was Glacier's first year to have a Boy's SWIM Team. It was a season filled with hard practices and dedication from the team members. Coach Jan Hall, feels that swimming was successful due to the experiences the team members aquired. Hopefully next year, Glacier's Swim Team will be even more successful in addition to a Girl's Swim Team.

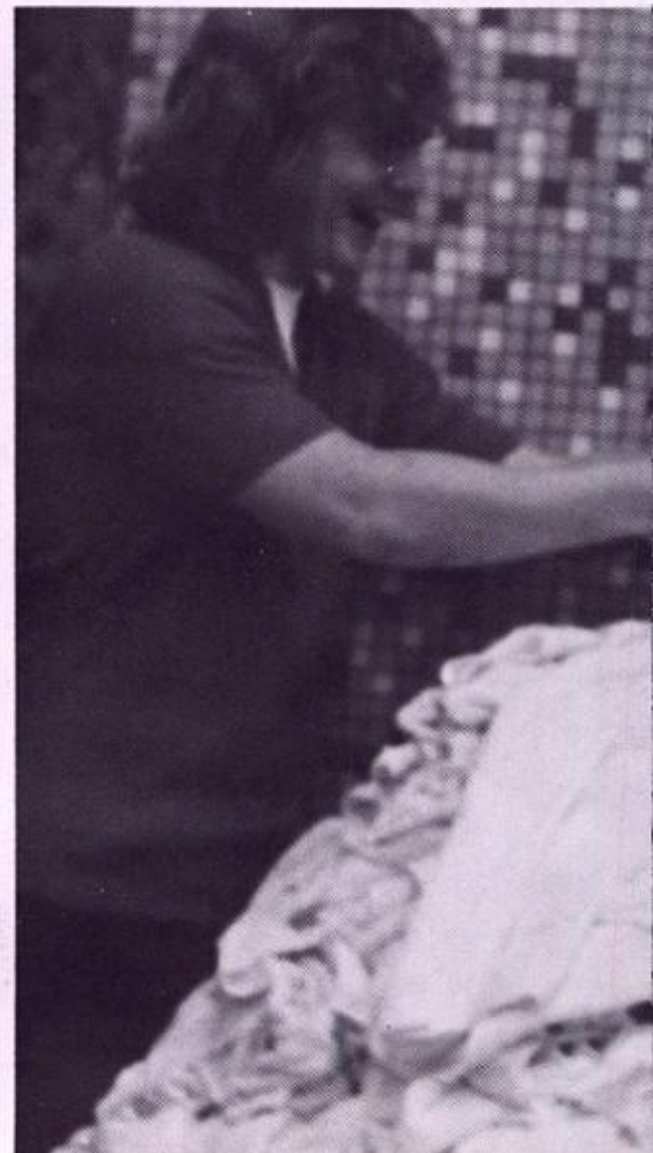

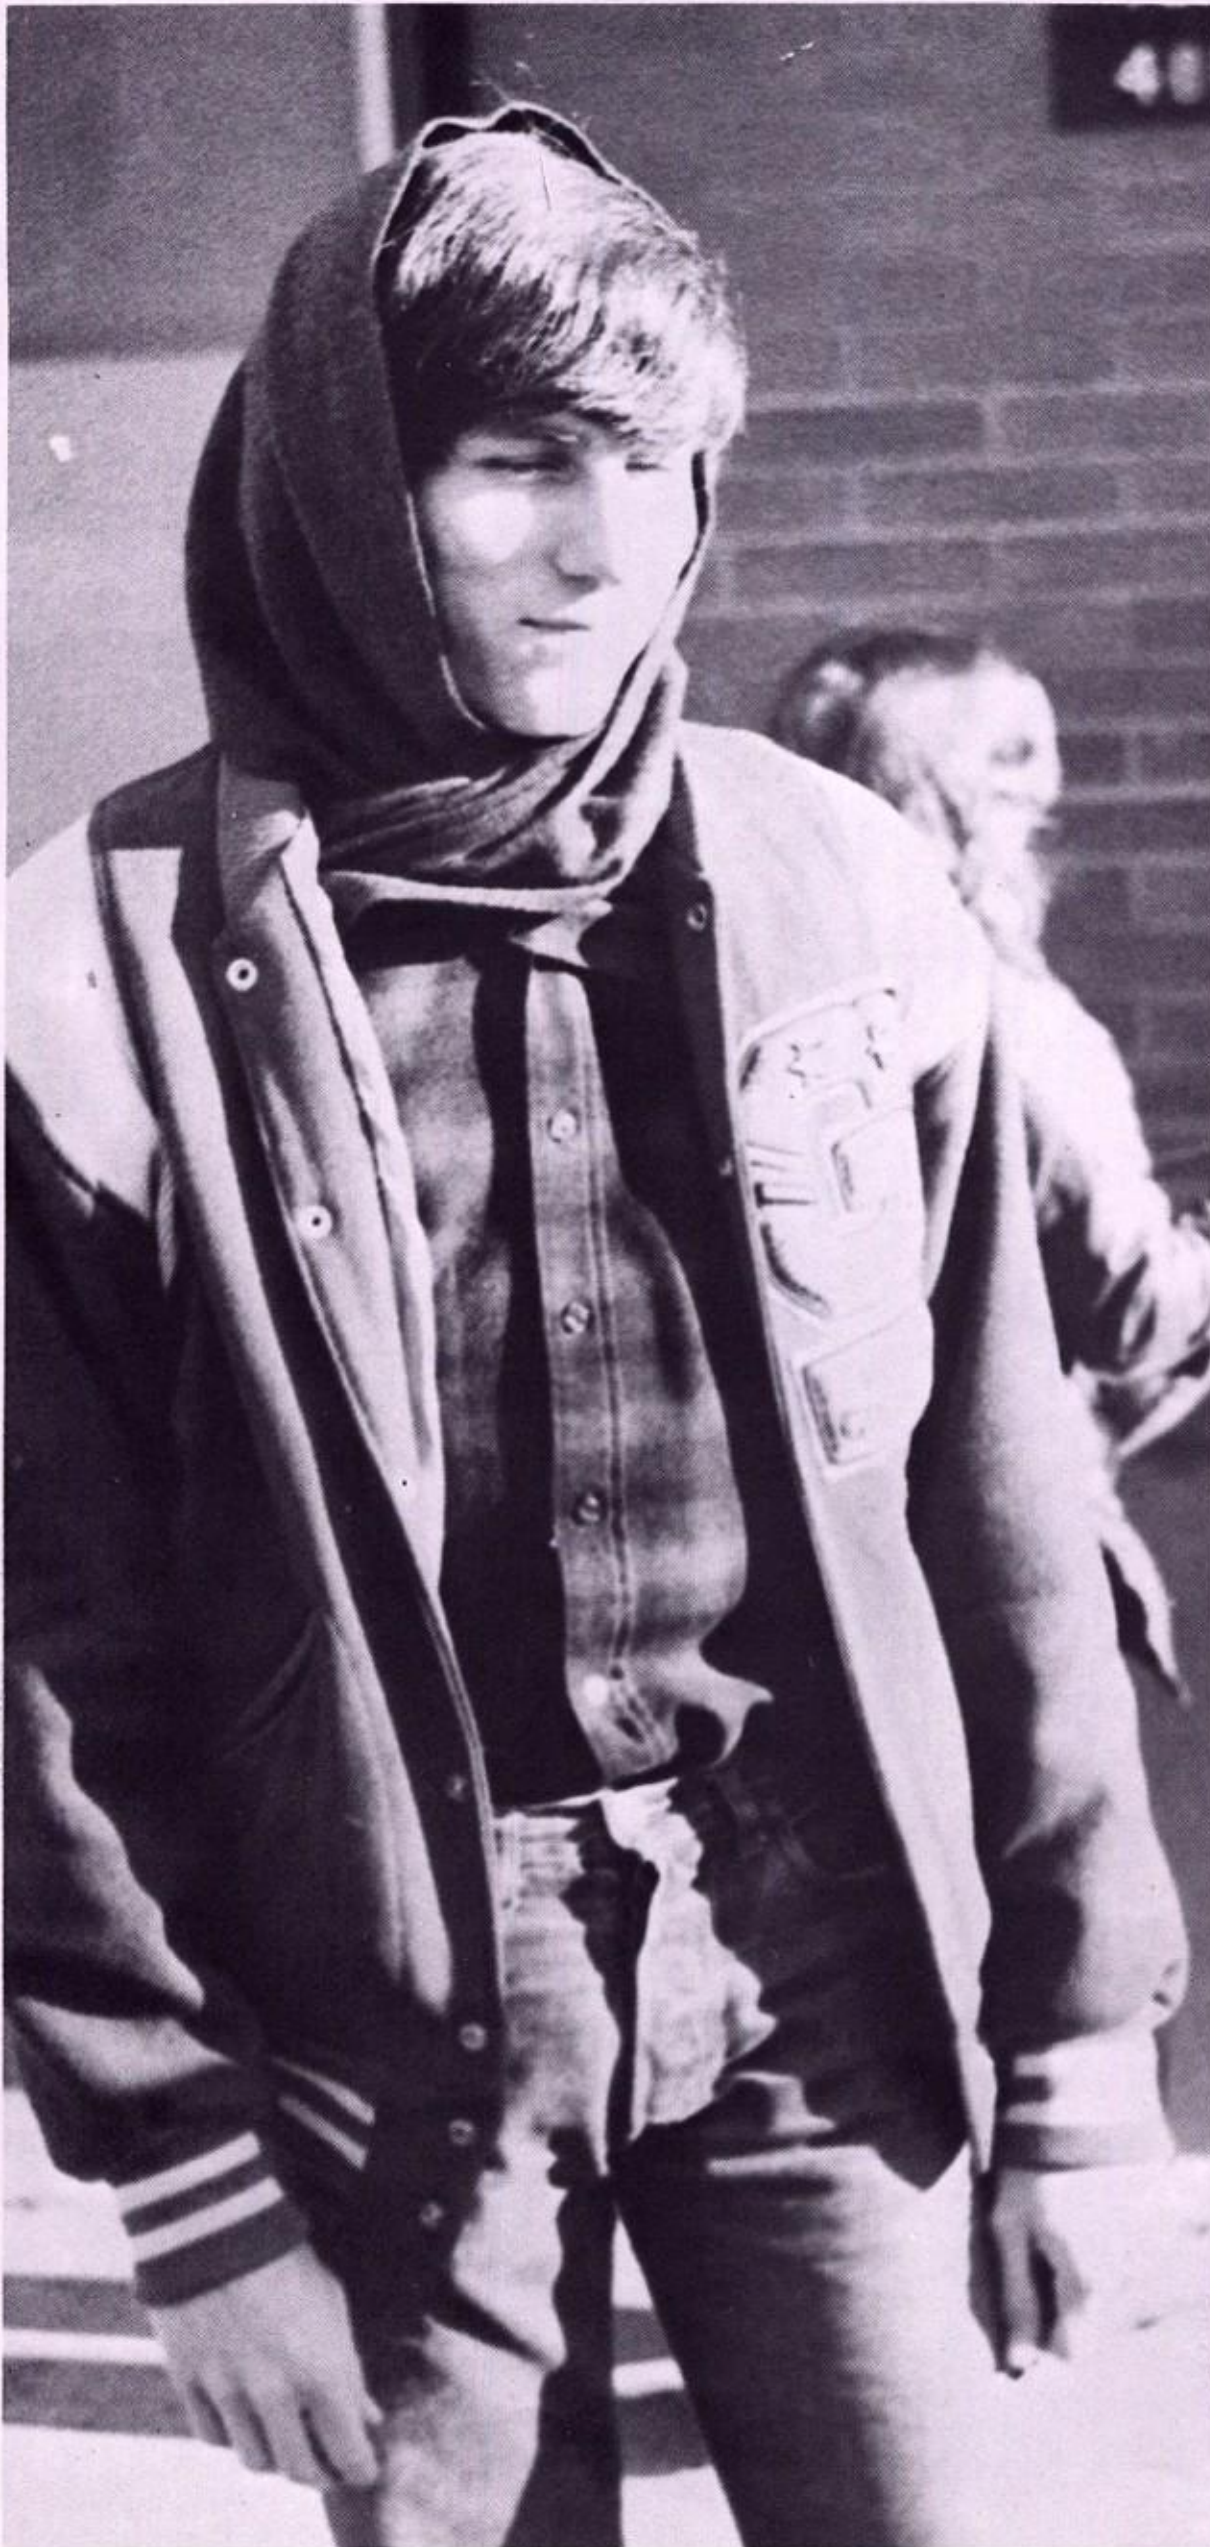

Enthusiasm is the vital strength which allows man to continue in his infinite search for excellence.

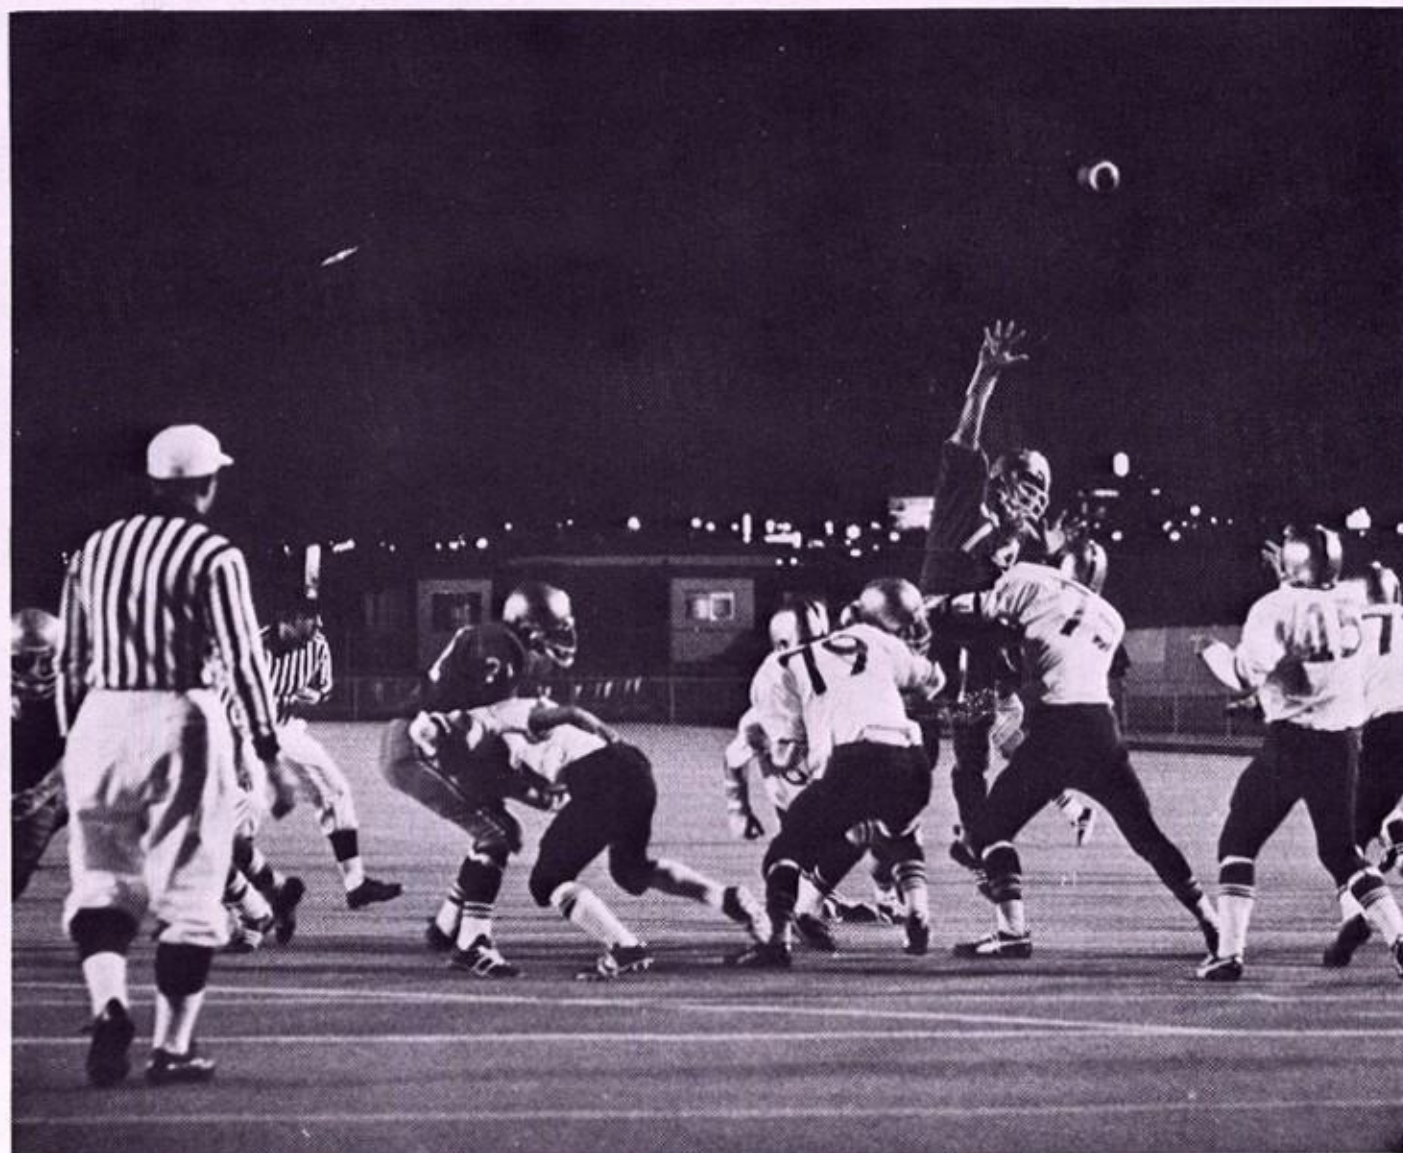

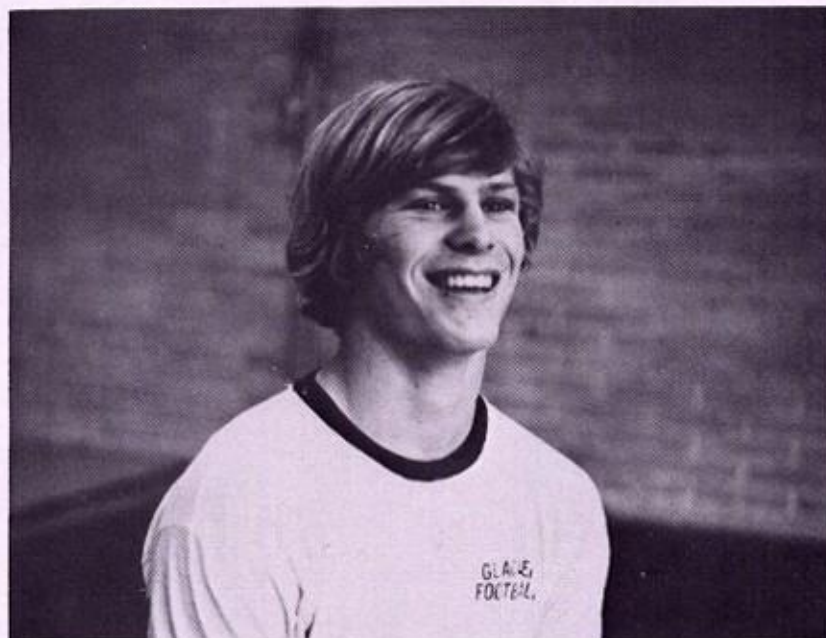

CLUBS

BIG "G"

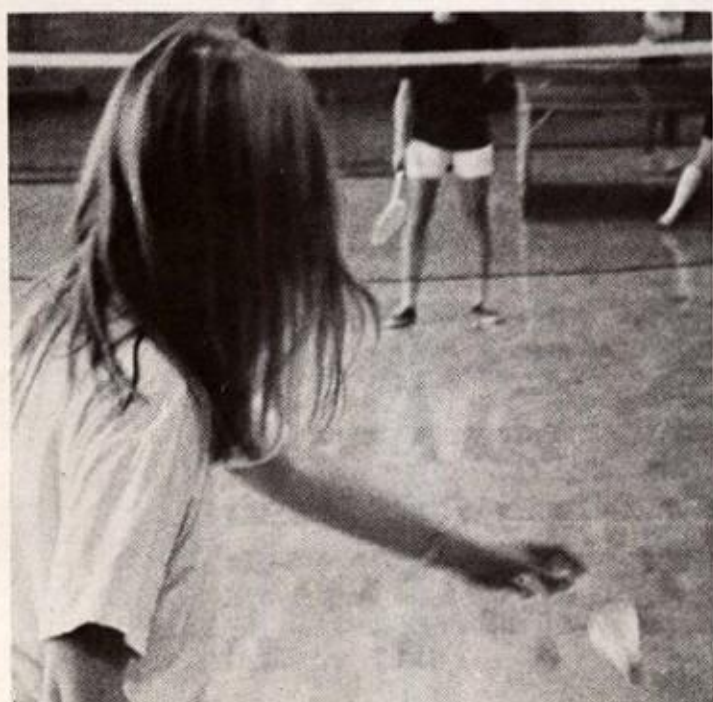

This year "Big G" was led by President Mark Gravel. They had a year filled with various activities to raise funds for the members. Their activities included an annual rummage sale, swimming and a trip to see the Seattle Sonics. This year "Big G" donated a set of dumbbells for the use of weight lifting.

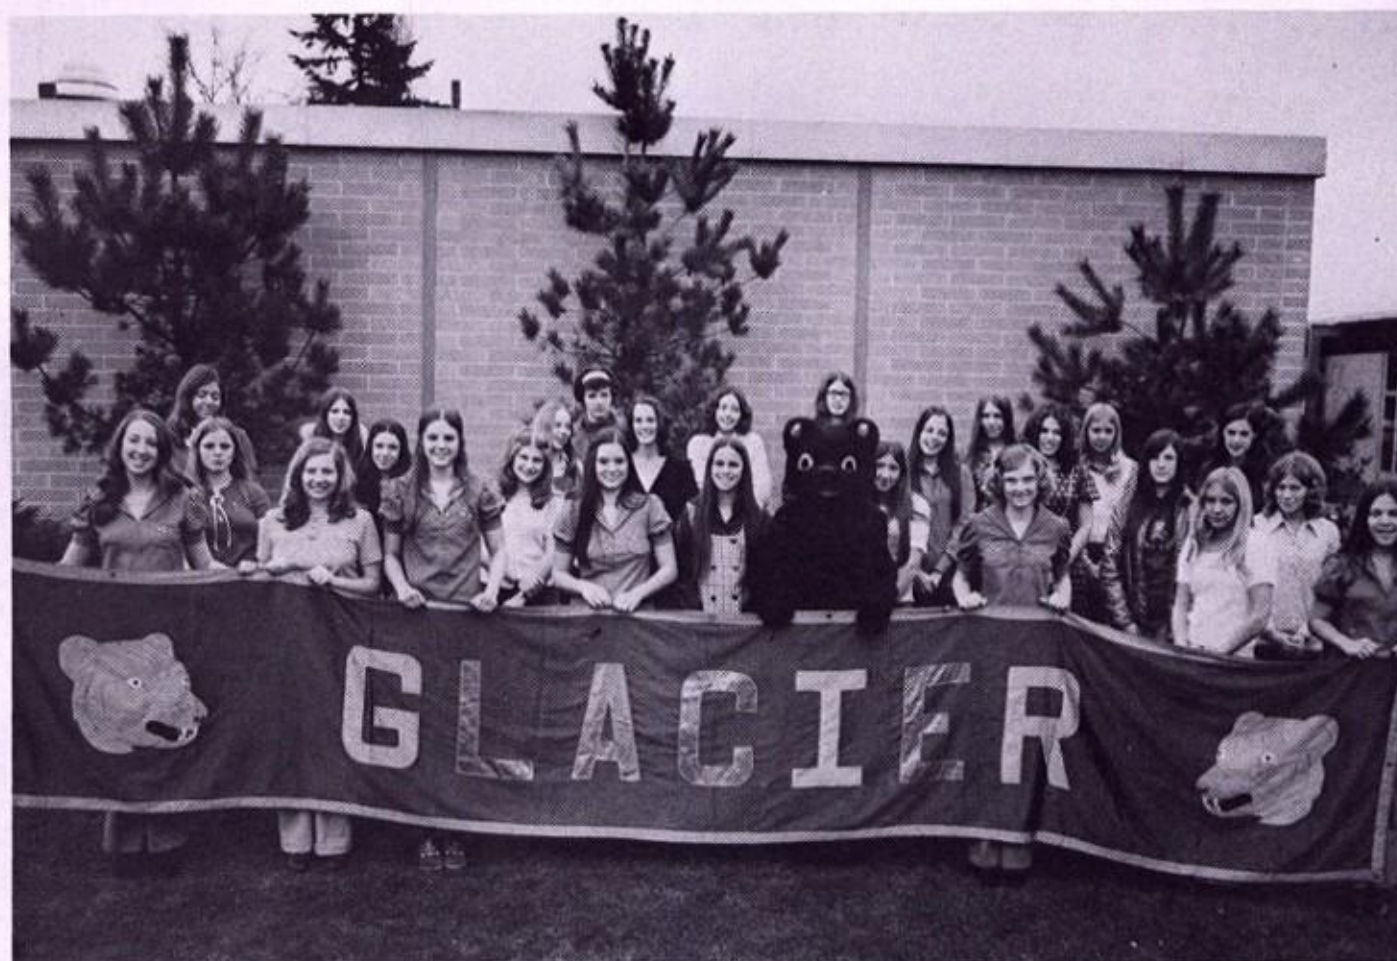

GAA is an exciting, fun-filling club where any girl can participate in many sports throughout the year. The girls met twice a week before school. Besides playing volleyball, basketball, badmitten and other sports, they sold snowcones at the home basketball games.

This years GIRLS' CLUB was busy with their annual events and projects as well as some new ideas. The girls involved were pleased in the success of their activities.

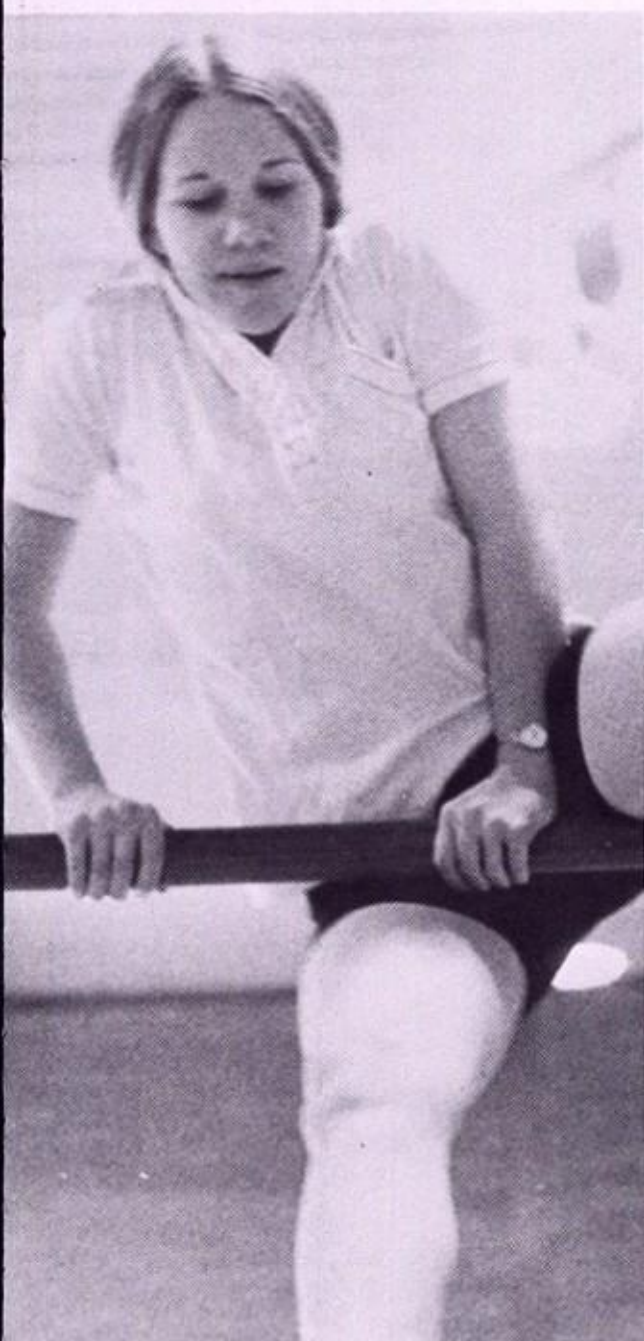

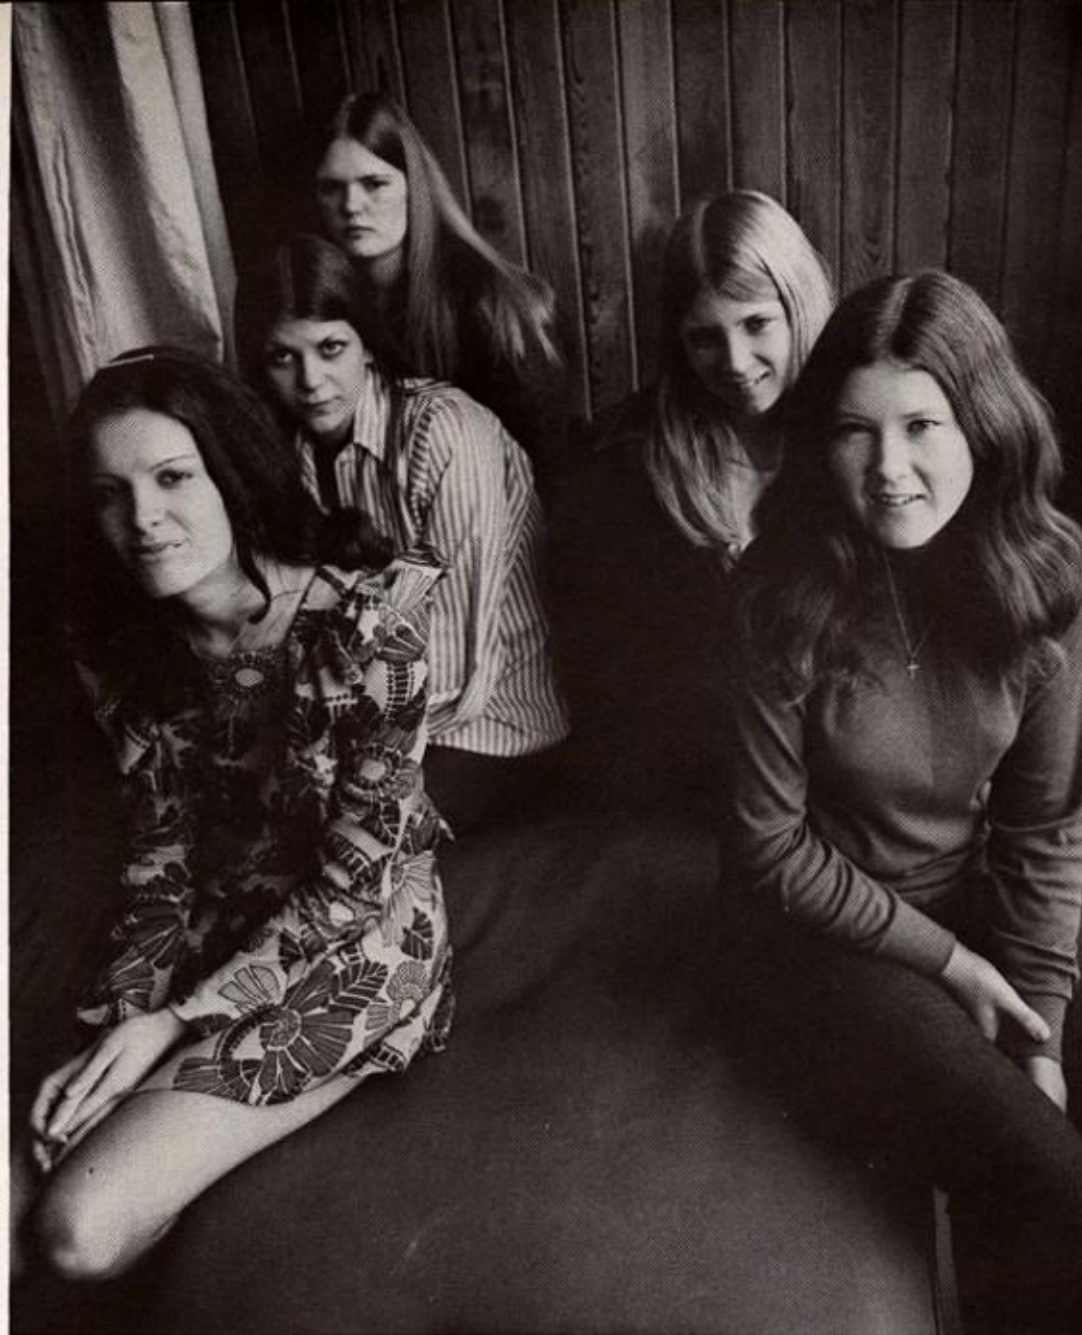

ACTION AND ACTIVITIES

If you've wondered how the school gets decorated with well made signs, or why the teams don't get hungry after their games, just ask the girls in PEP CLUB. They'll tell you they painted the signs and fed the boys with cookies and pop after the games. They do many other things to add spirit to our student body.

The SQUARE DANCE CLUB was a success in its first year at Glacier. They danced to familiar songs such as the Virginia Reel, Oh Johnny Oh, and many others. They hope that next year they can expand and have larger dances.

NOW IS THE TIME FOR INVOLVEMENT

Several girls served as CLINIC AIDS this year. Throughout the day as people came into the clinic these girls worked diligently. Their jobs consisted of checking people in and out of the clinic, taking temperatures, keeping the beds neat and helping in emergencies.

This year, Mr. Chester's PHYSICS CLUB met after school to probe into the mysteries of physics. Through various movies, activities, and experiments, the club came to a better understanding of their interests.

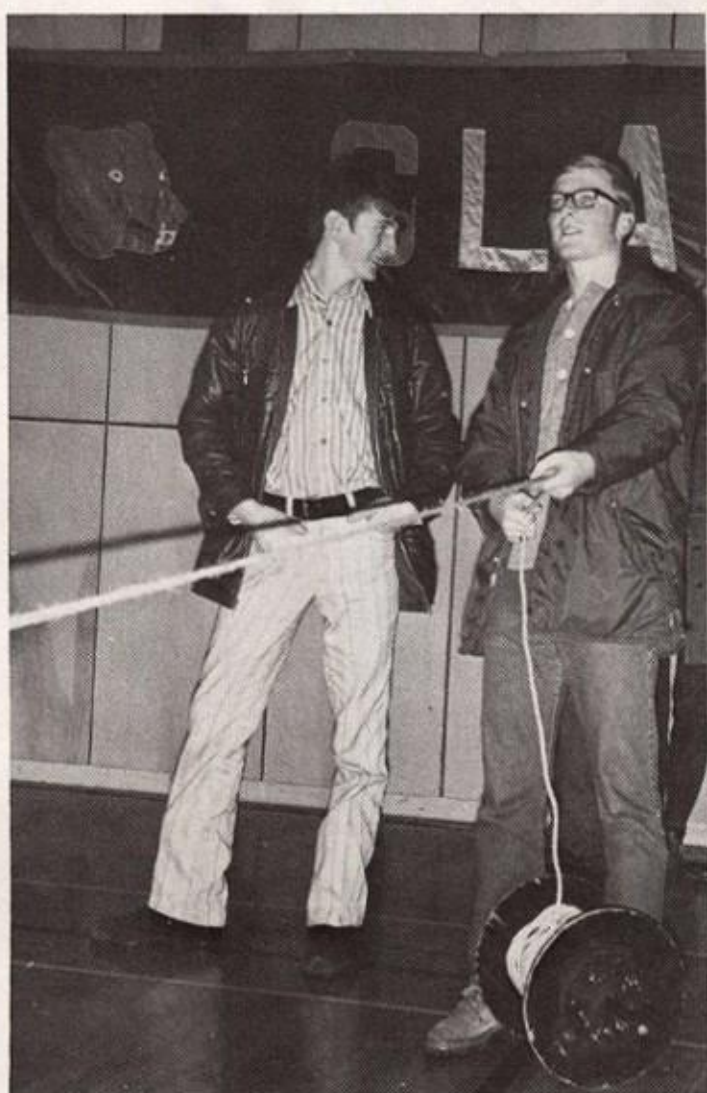

CHESS is a game requiring ample amounts of patience, concentration, and skill. This years team had 7 matches during the season. Our chessmates managed only 2 wins and 1 draw, but still had a rewarding season.

INTRAMURALS at Glacier are a very important part of school life. It gives students who are sports minded and who enjoy a challenge a chance to take part in athletic activities under relaxed surroundings.

The P.E. department depends a great deal on a very special group of students. These students are the **P.E. ASSISTANTS** who do everything from leading exercises to correcting tests as well as guiding the sophomores through a very delicate stage of their development.

KNOWLEDGE PROGRESSES

TORCH AND HONOR SOCIETY have now combined their efforts together to make a bigger and better club. To qualify for Torch you need a 3.0 grade average, and for Honor Society, a 3.5.

Activities of these clubs include selling Christmas stockings at the Christmas Bazaar, a field trip to the U.W. in the spring and their annual banquet which honors this year's graduates and installs next years officers.

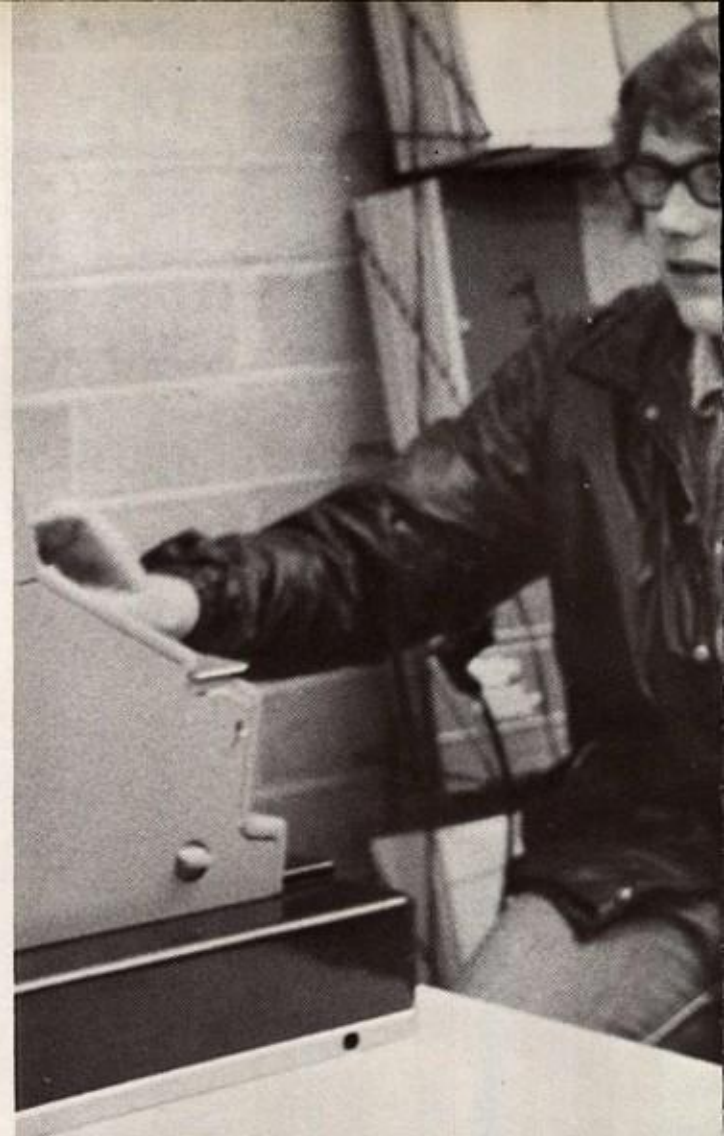

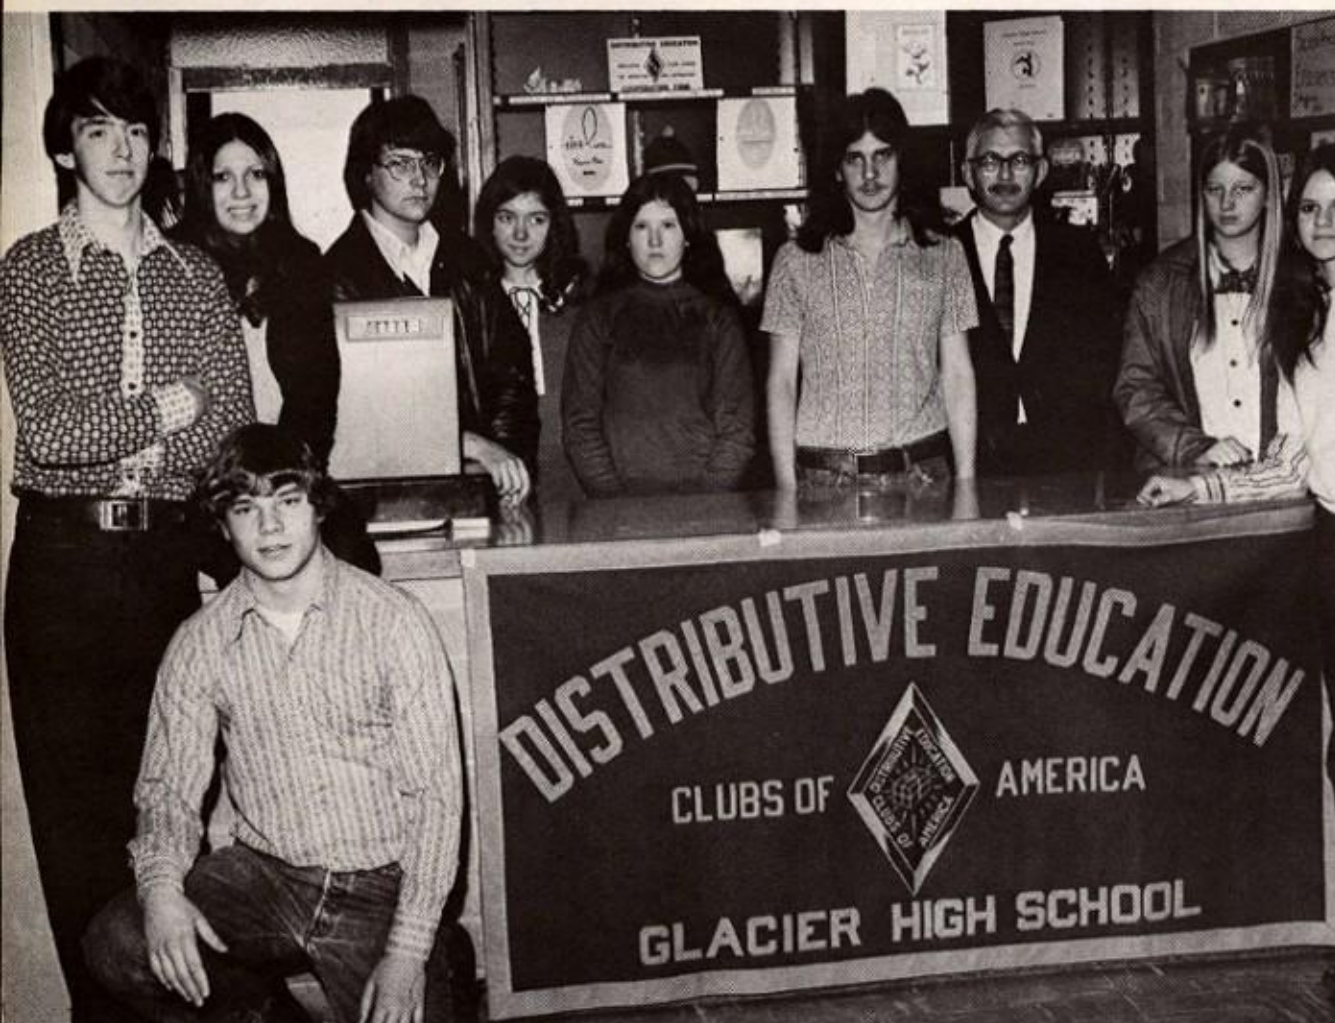

KEY CLUB, which is sponsored by the Kiwanis' Club, plays an important role at Glacier. Raising the flag each day, roping off the gym at games, and electing Boy of the Month are some of their duties. They held their annual pancake breakfast this spring, and had a banquet at the end of the year to honor its fine members.

WOW! IT'S A . . . gutter-ball. But Glacier's BOWLING team made more strikes than gutterballs this year. They met after school every Thursday afternoon at Olympic Bowl. Under the direction of Mr. Houck, bowling was one of the more successful after school activities this year.

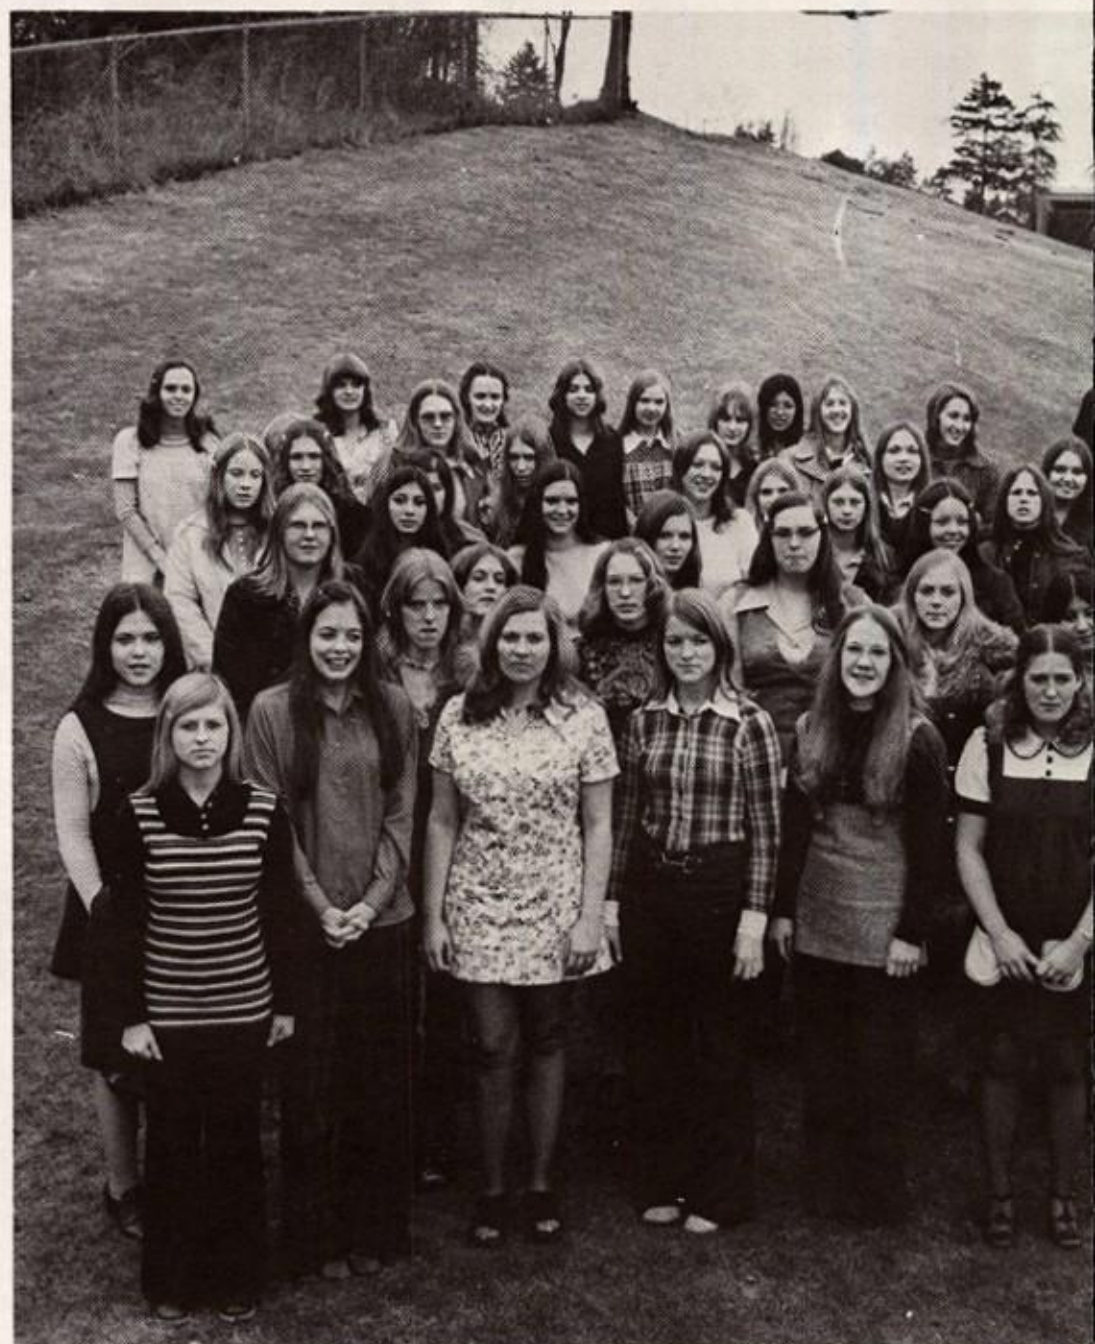

DECA, advised by Mr. Hemmingway, consists of six officers and is primarily directed toward preparing young people for the business world. Rushing busily through the school year, DECA maintains the student store, decorates the display window and they somehow manage to keep their cool while selling refreshments at school activities.

The first project of the FUTURE BUSINESS LEADERS OF AMERICA was the GLACIER telephone directory. They also participated in the Girls' Club Bazaar. During the fall they had a banquet in which they discussed the Nationals. This is where many students compete in fields of business for many honors and scholarships. This year the Nationals are being held in Washington D.C.

*Keith,
see you next
year hope you find
a steady job
not 2 or 3. Duffy Romero
1175"*

LOOKING AHEAD

Every morning some determined students boarded a bus and went to the **OCCUPATIONAL SKILLS CENTER**. Here these students along with students from other schools in the district, practiced in fields to educate them for future employment.

DEBATE class boomed through the season with many tournaments coached by Mr. Lien. Team members faced four major events this year. One was an overnight excursion to W.W.S.U. and many other exciting battles took place at Seattle Pacific, U.P.S. and P.L.U. Both Varsity and Junior Varsity teams achieved a fairly successful season. **DEBATE** members jostled through the year chalking up several win records.

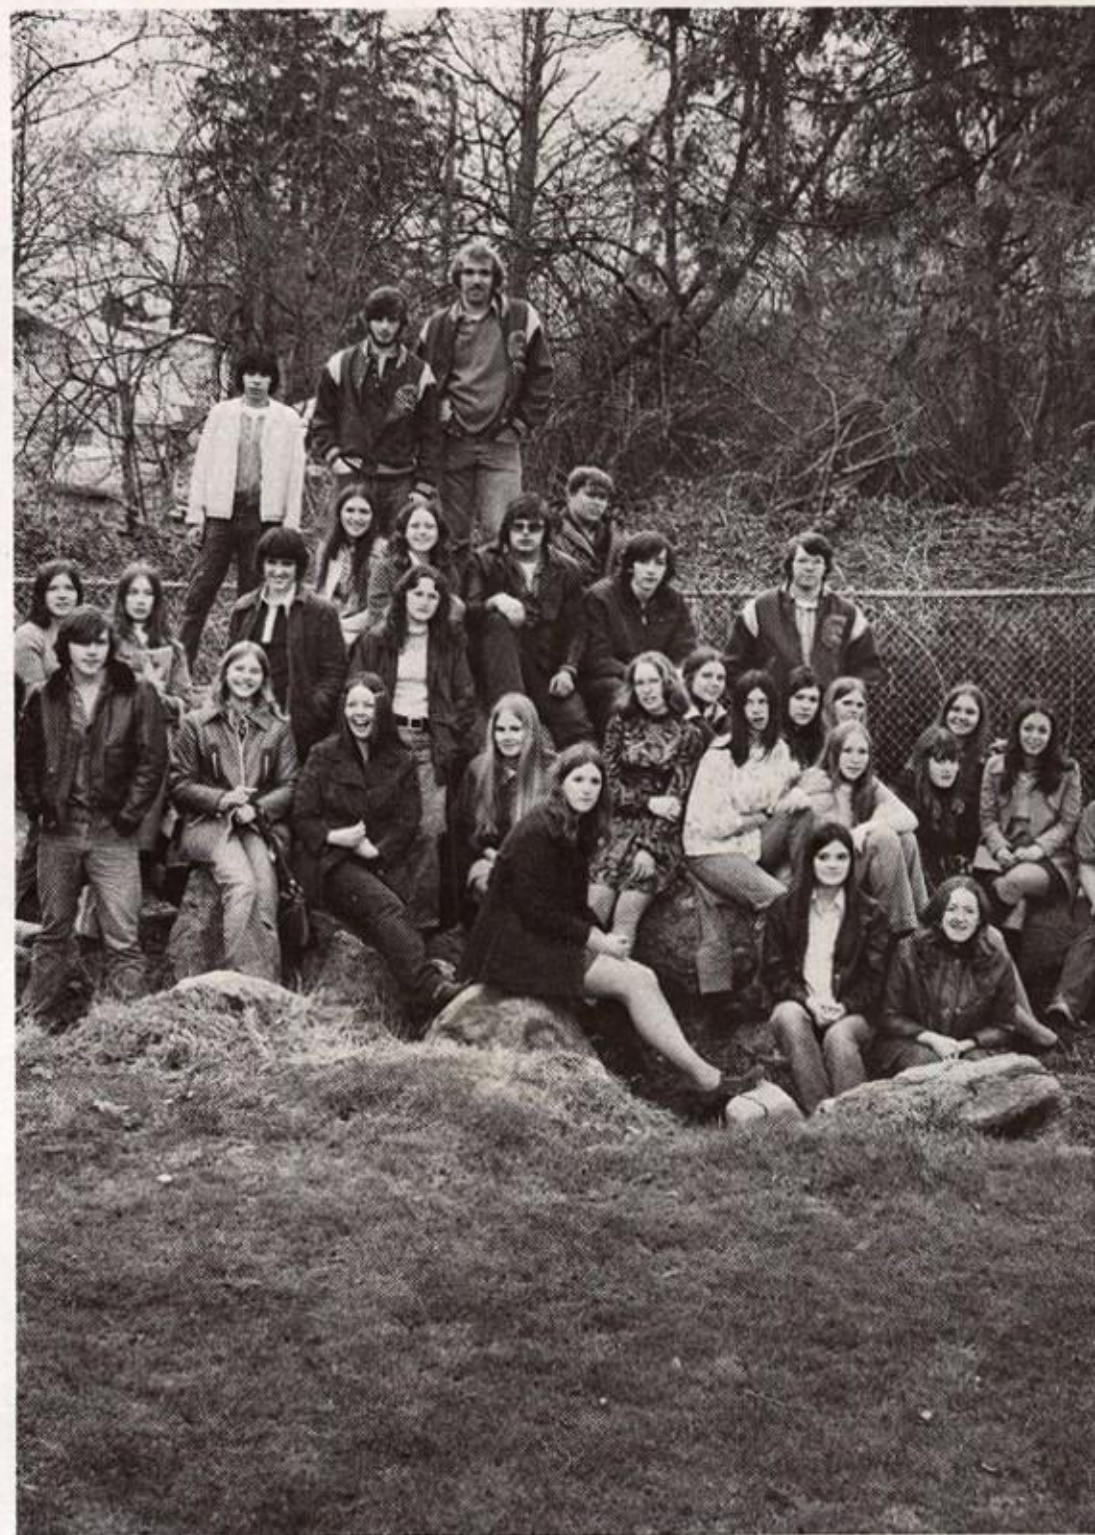

WHERE ARE WE GOING?

Bright and early each Sunday morning for eight weeks the members of Ski School jump on the bus and head for the slopes. While at Ski Acres they are given a lesson for about an hour and a half, and then spend the rest of the day gliding down the slopes practicing what they have learned.

Under the supervision of Mrs. Anderson, the 40 members of F.T.A. traveled everyday to help out at the six different elementary schools in the Glacier Area. Since the district won't supply transportation the Future Teachers must walk, run, ride bikes, or drive to the elementary school where they help the teachers, and become friends with the kids.

It gives the members a chance to find out a little about the teaching field and whether or not they would like to become teachers. The teachers are very pleased with their help, and feel that the elementary school children benefit greatly by having them.

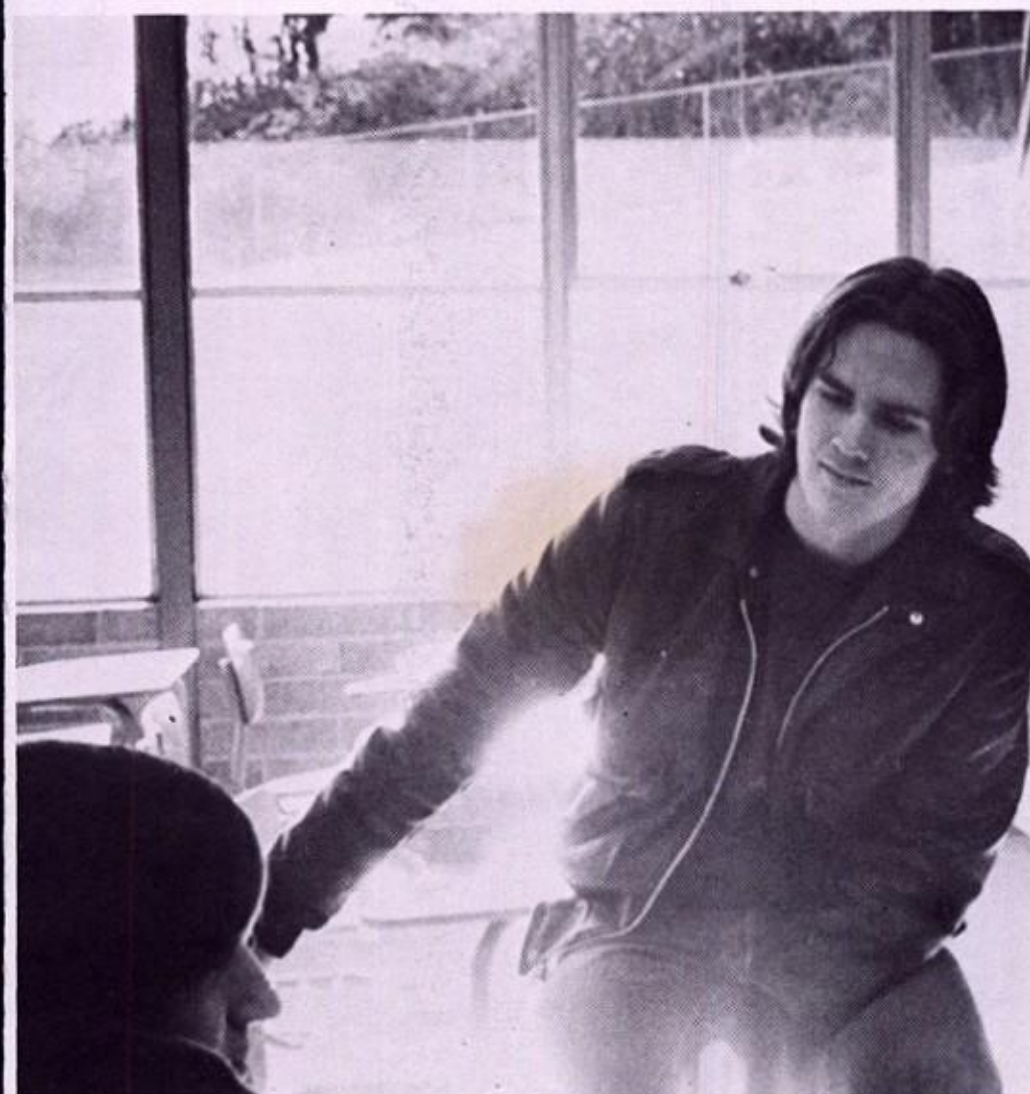

The 72-73 AVALANCHE staff produced some excellent school newspapers this year. Contributing to that is the fact that this years staff is the largest they have ever had. The AVALANCHE is supervised by Mrs. Lemmel. In order to meet their bi-monthly deadlines the staff often spends many hours after school working to meet the deadline. The class is designed to develop skills in the newspaper and advertising fields.

LIBRARY ASSISTANTS

The LIBRARY ASSISTANTS take care of running the library with the help of Mrs. Crouse. The duties of the Aide's are to keep the library in running order and help their fellow classmates find the material they need for reports and assignments.

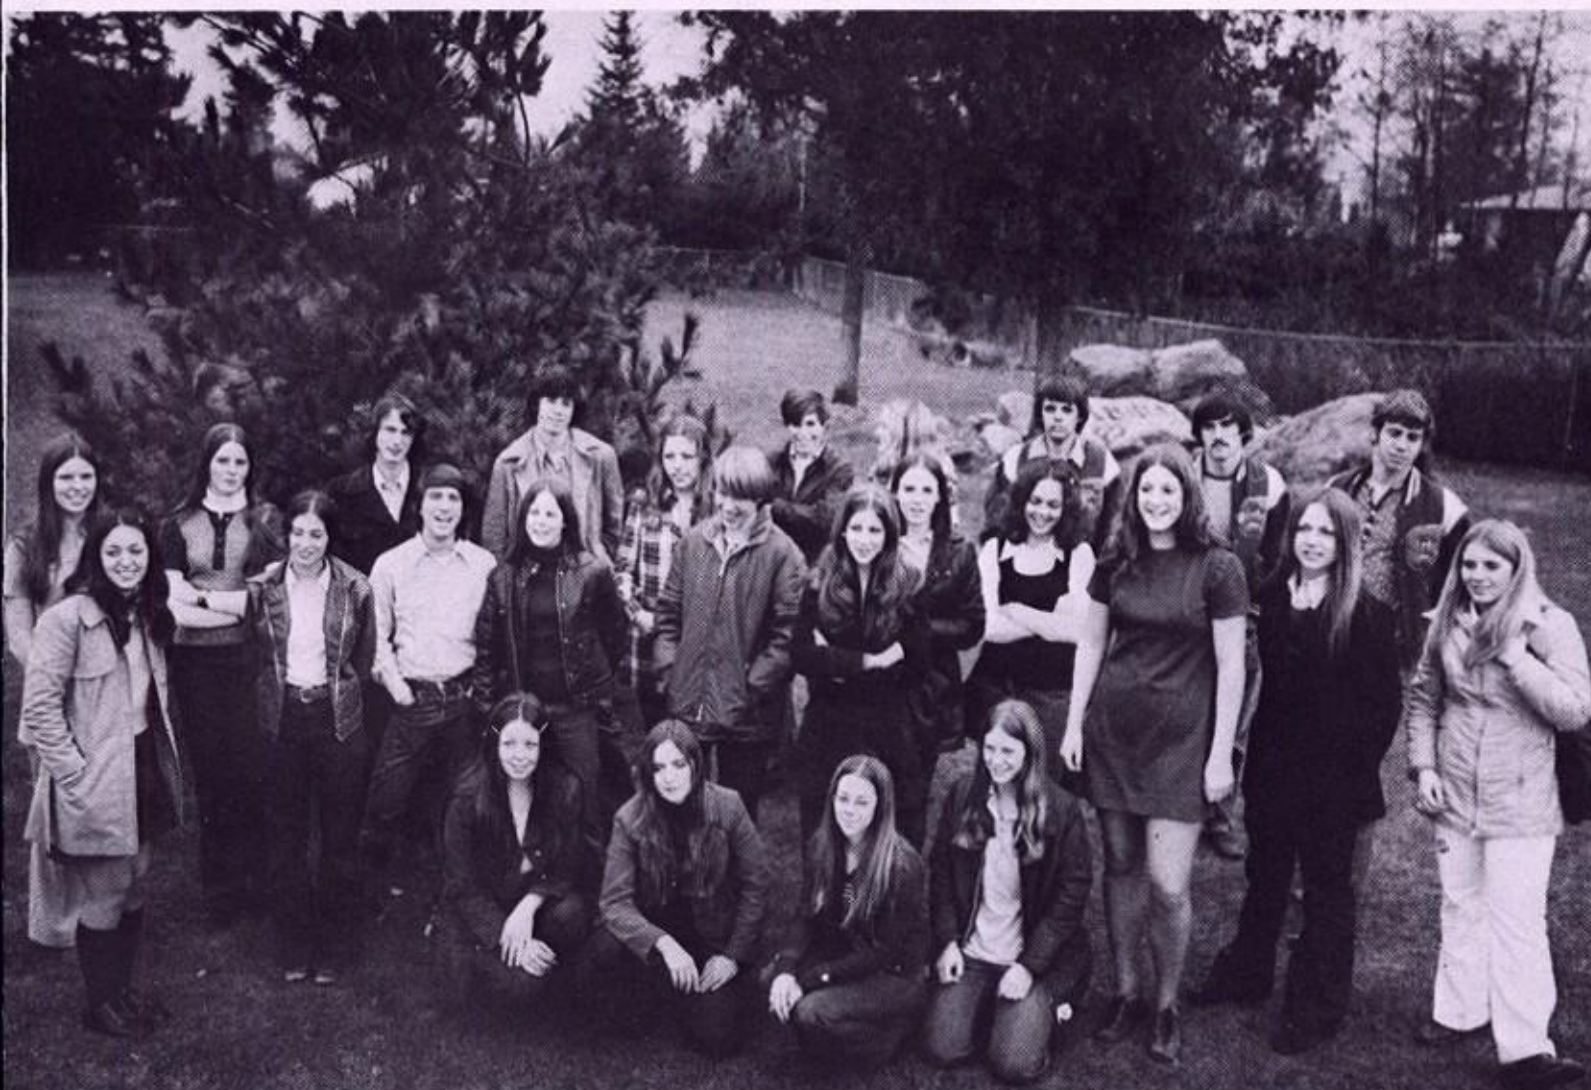

Helping those who are less fortunate is the purpose of SPADES Club. The unselfish members of this club visited Grandview school for the handicapped and helped the students. They also visited the Riverton Heights Convalescent Home.

Each day the members of AUDIO VISUAL Club race through the school halls pushing film projectors and various other equipment. Upon reaching their destinations they set up and show films to anxiously waiting students, who enjoy films while at the same time gain a better understanding of their subject.

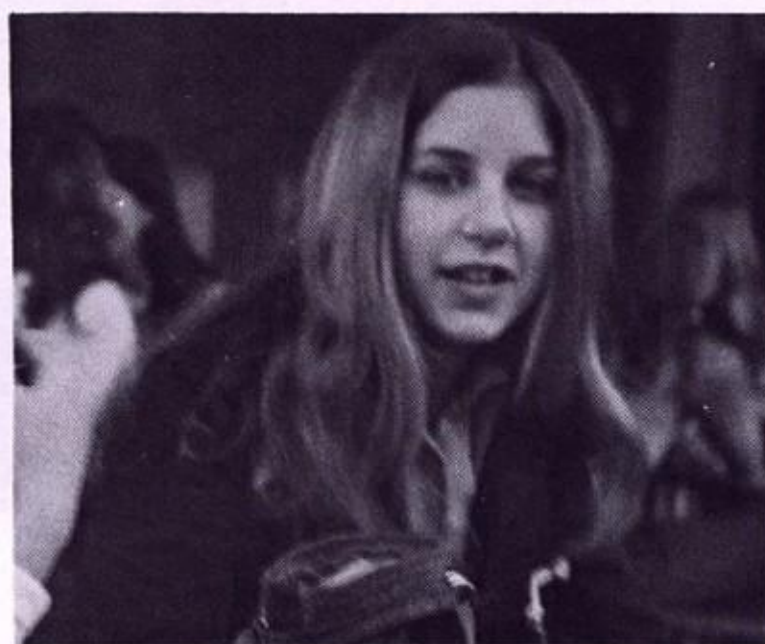

SERVICE BRINGS PLEASURE

If you seek adventure and have the stamina to take on between eight and ten sixth graders, **CAMP WASKOWITZ** is for you. For one week the counselor takes in the job of everything from mother to big brother. With the help of the camp's qualified staff, your experience at camp can be rewarding and enjoyable for both you and your sixth graders.

Taking creative pictures along with learning the various skills of photography is the goal of **PHOTO CLUB**. Which is ably advised by Mr. Chester who helps the club develop these talents.

THE BOSSES' LITTLE HELPERS

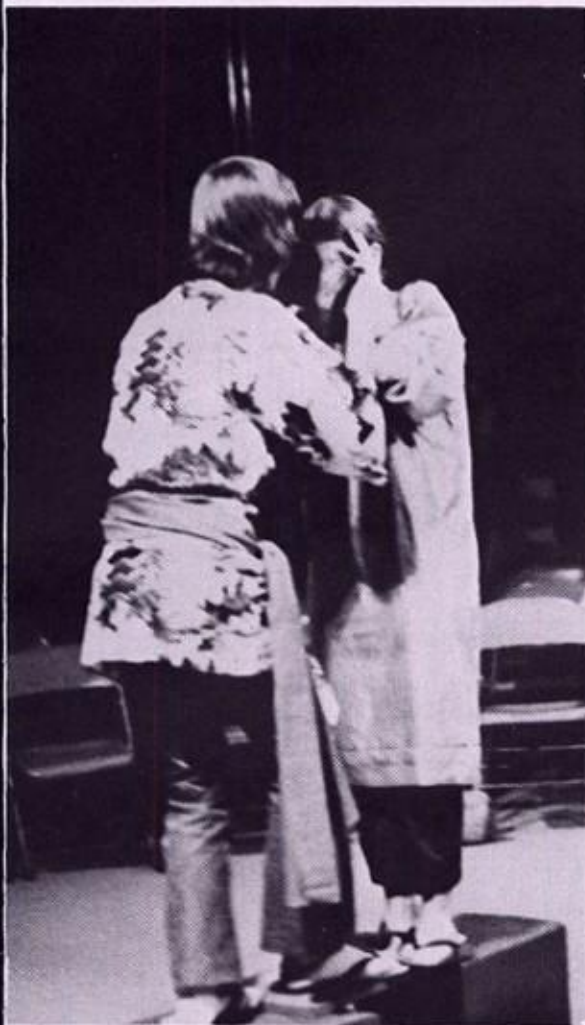

Collecting attendance, marking tardies and O.K'ing absences are the main jobs of the OFFICE AIDS. Throughout each period of the day you will find three or more hard working girls keeping the students records in perfect order. These girls are a great asset to the organization of Glaciers' office.

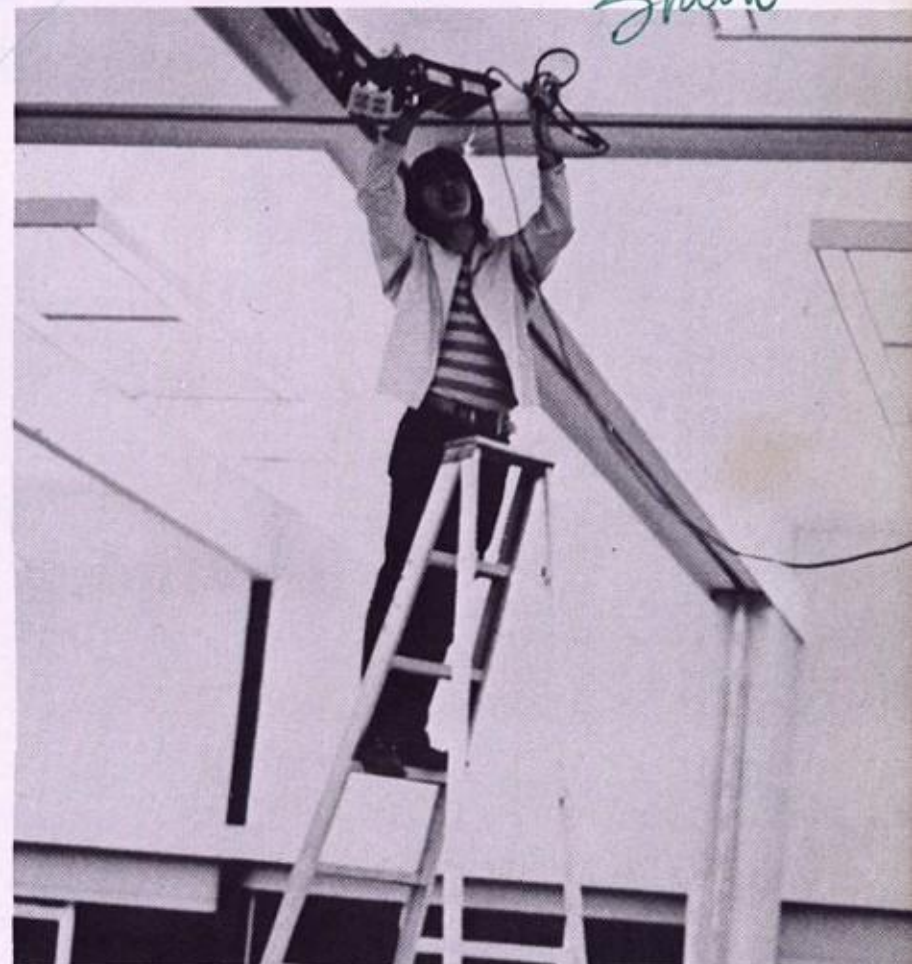

Learning is only part of the curriculum at Glacier, helping is the other. The students involved in being TEACHERS AIDS assist many of Glaciers teachers in worthwhile projects. Typing, correcting papers, running errands and even counseling with the teachers are to name only a few.

Our administration and faculty would like to thank all of the students involved in being Teachers Aids for their help and cooperation.

Keith your a real Dumb shit
 see you ACTING your
 have fun this summer
 OUT THE PART
 Frank Shick

DRAMA CLUB got off to a smashing start with their first two plays being "Pinocchio" and "The Wonderful Tang". The play was an entertaining delight to many Glacier students as well as many of the local elementary schools.

As the year progressed so did the actors and their plays. New and exciting challenges were met by the crew only to enrich their development.

Other plays preformed by Drama were "Our Town", "The Devil and Daniel Webster" and "Mr. Roberts." They were also involved in a contest performance titles "Last of My Solid Gold Watches". A childrens Christmas Festival was also put on by Drama with Highline, Tyee and Mt. Rainier.

A start of a new fulfilling career has been started for many of Glaciers' finer students under the leadership of Mrs. Bea Pearce and the organization of Drama Club.

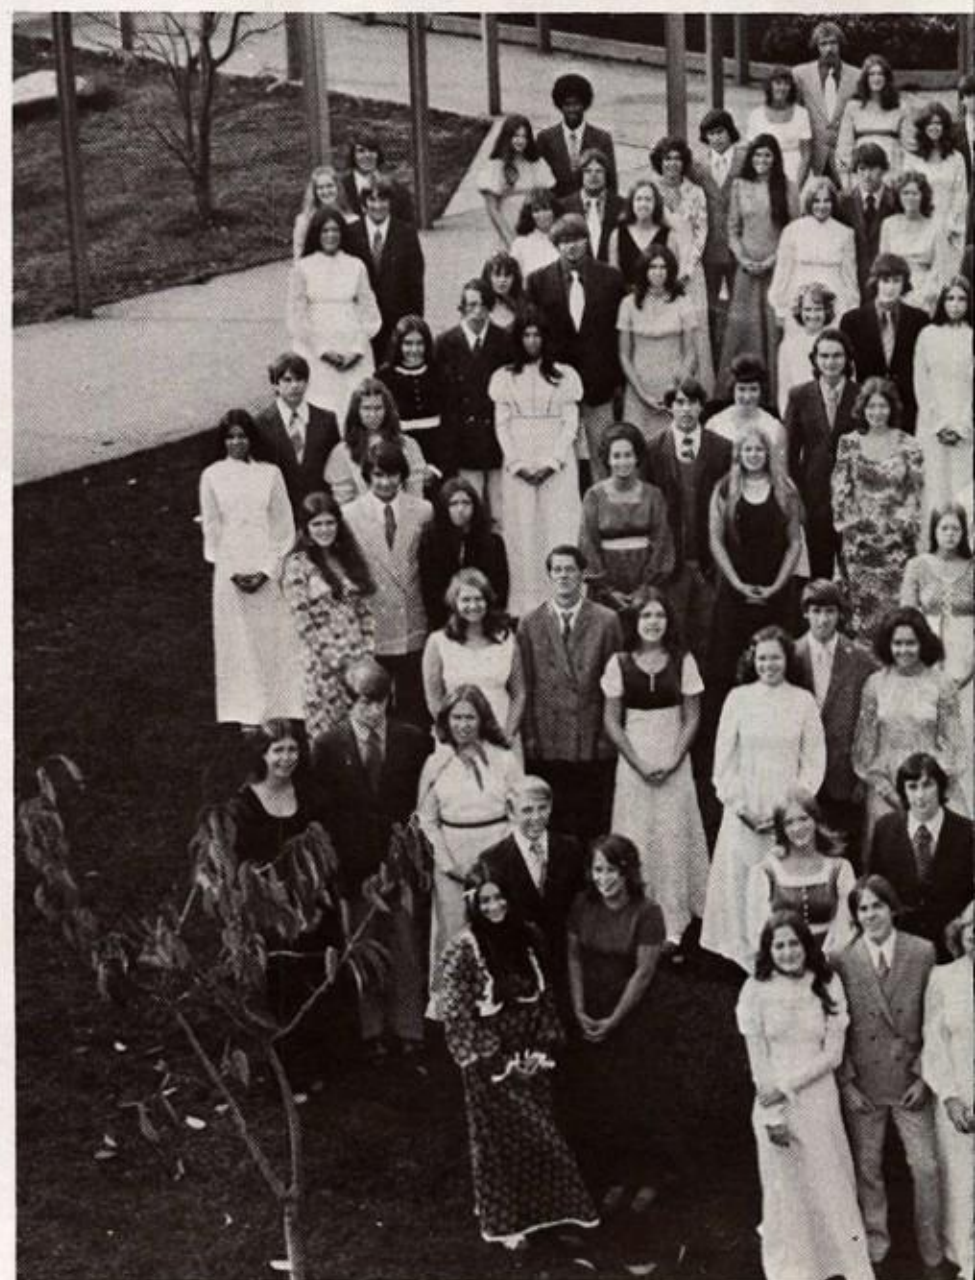

AND THERE WAS MUSIC

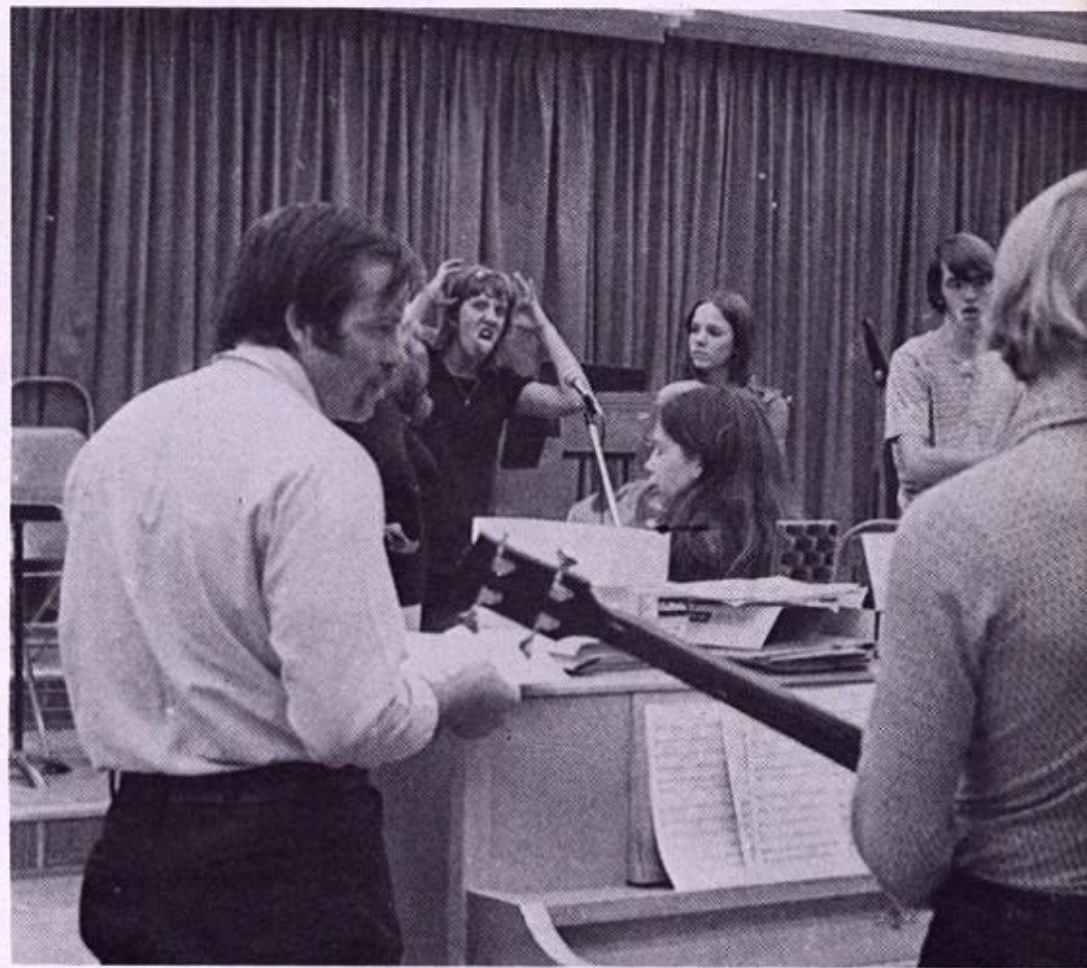

The Glacier vocal music program consists of five groups: Concert Choir, Troubadours, Rookie Choir, Sophomore Choir and Men's Choir.

Concert Choir is the elite large group, and represents Glacier in all district functions, and goes on tour when possible. Troubadours is the elite small group who represent Glacier throughout the state. In the fall they sing with the large choir, and carol all through western Washington at Christmas. In the spring they sing popular and rock music as they travel around the Puget Sound area. Rookie Choir is made up of upper-classmen new to music, and some experienced upper-classmen. This group combines with Concert Choir all during the year. Sophomore Choir is composed of strictly sophomores, who performed with the combined choir this fall and Christmas, and by themselves this spring while traveling through the district. Men's Chorus meets before school, and is a group of men at Glacier who wish to sing and have fun, too.

Camp Waskowitz was one of the high points of the year, with Dr. Rodney Eichenberger as guest conductor. The choir made a record of their Christmas performance at which they sang Magnificat by Bach. During the spring they sang at several different schools in the Highline District.

SOUND OF GLACIER

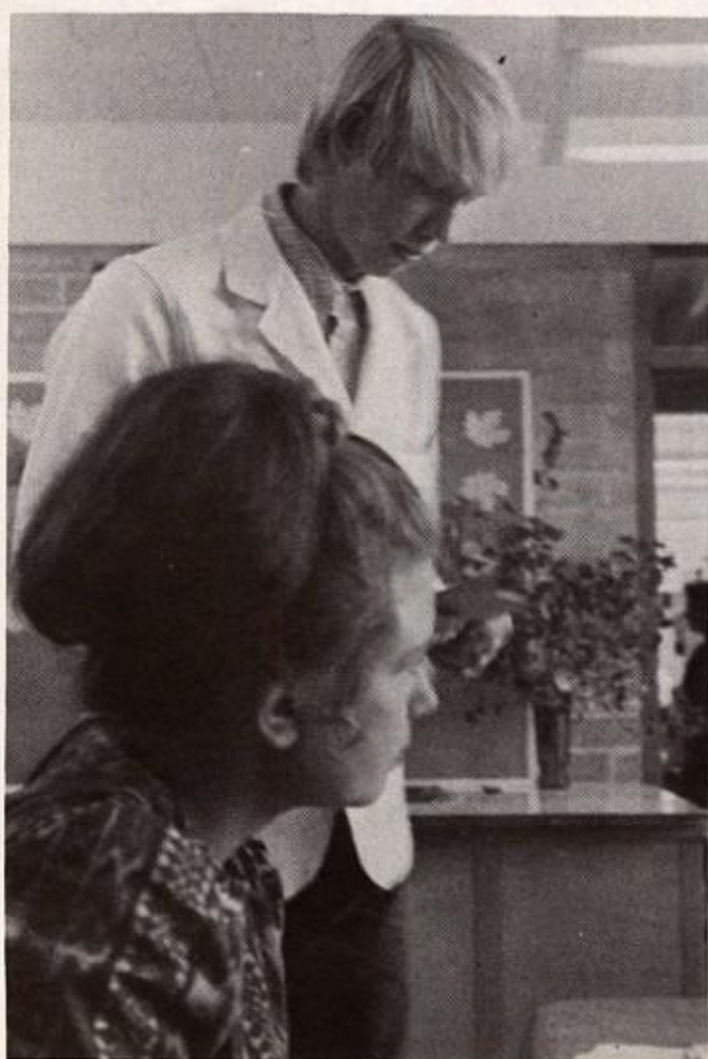

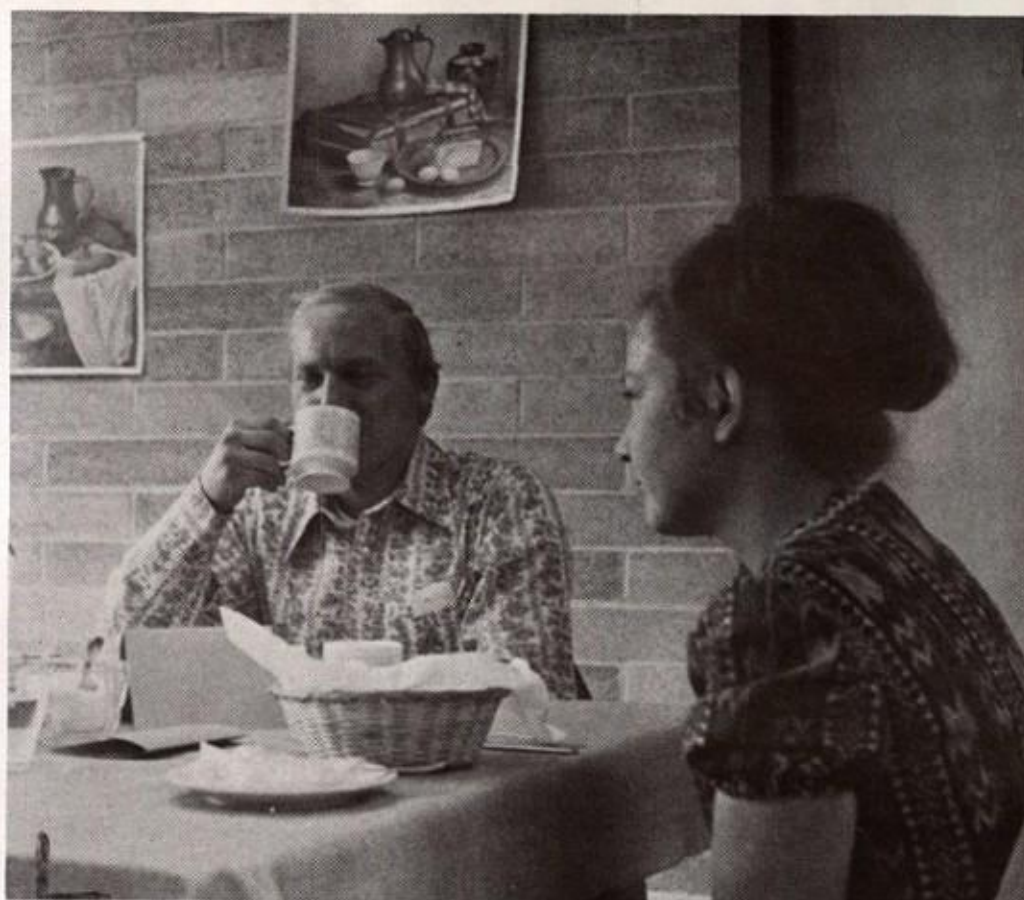

Concert Band has played through another fantastic year. They had both a fall and spring concert, and were superb. They have also performed for other schools. Members of Concert Band devoted many extra hours, coming before school and staying after school for section rehearsals.

The Glacier Stage Band played at many of our games and Pep Assemblies. There wouldn't have been nearly as much spirit without them. They did a great job at Glacier as well as traveling to other schools for performances. All the members of Stage Band put in a lot of extra time throughout the year.

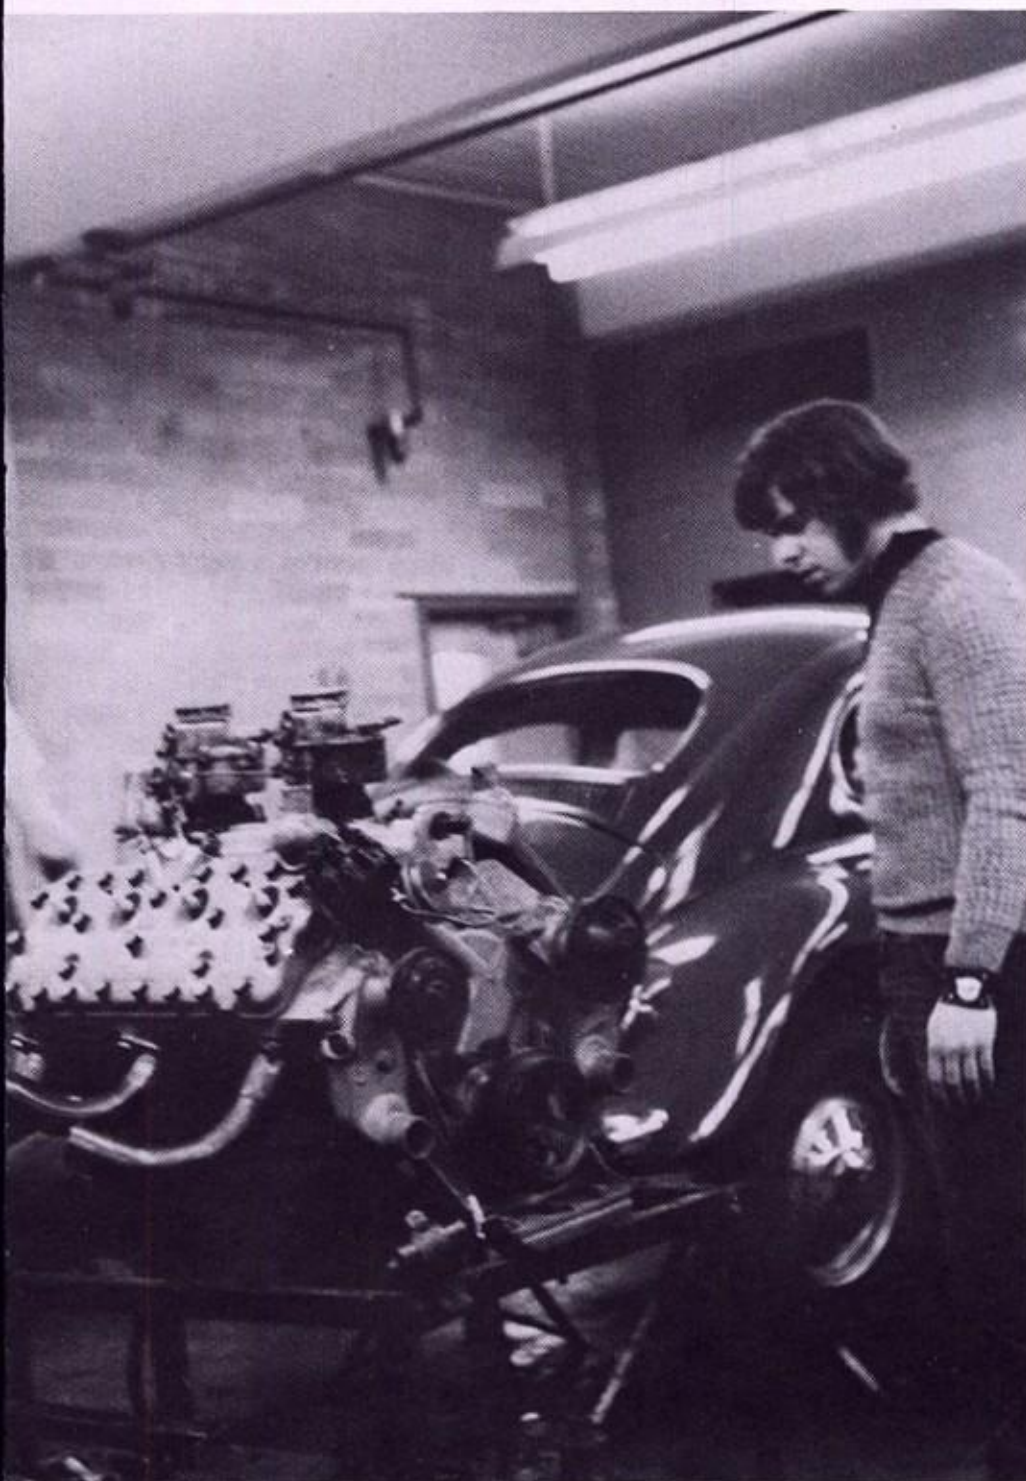

Pep Band, composed of members of the Concert Band, played for Pep Assemblies and some of the games and contributed to school spirit.

FEAST (Food Education And Service Training) is a new program this year in the Highline District. Glacier is the only school which has this program. FEAST is a four period block which includes one hour Publicity and Public Relations, one hour Business Math, two hours Food Lab, and work experiences on the side. The head advisor of FEAST is Mrs. Call, along with teachers Mrs. Smith, Mrs. Moore (cook), Mr. Phillips, and Mr. Maloney. The eighteen students involved are juniors and seniors. They get working experiences from serving at banquets, having carwashes, and many students have jobs working in restaurants. FEAST has been a very successful program at Glacier.

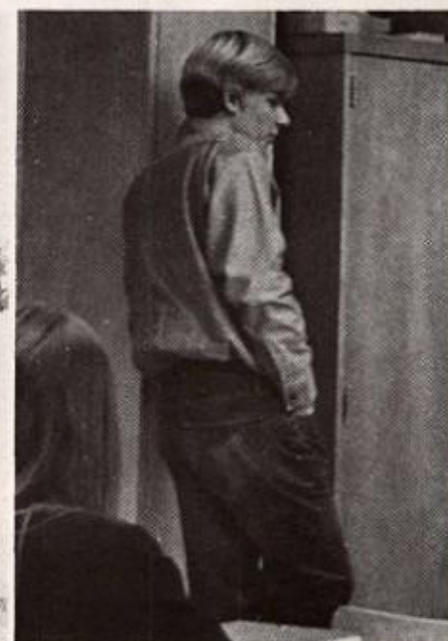

V.I.C.A.

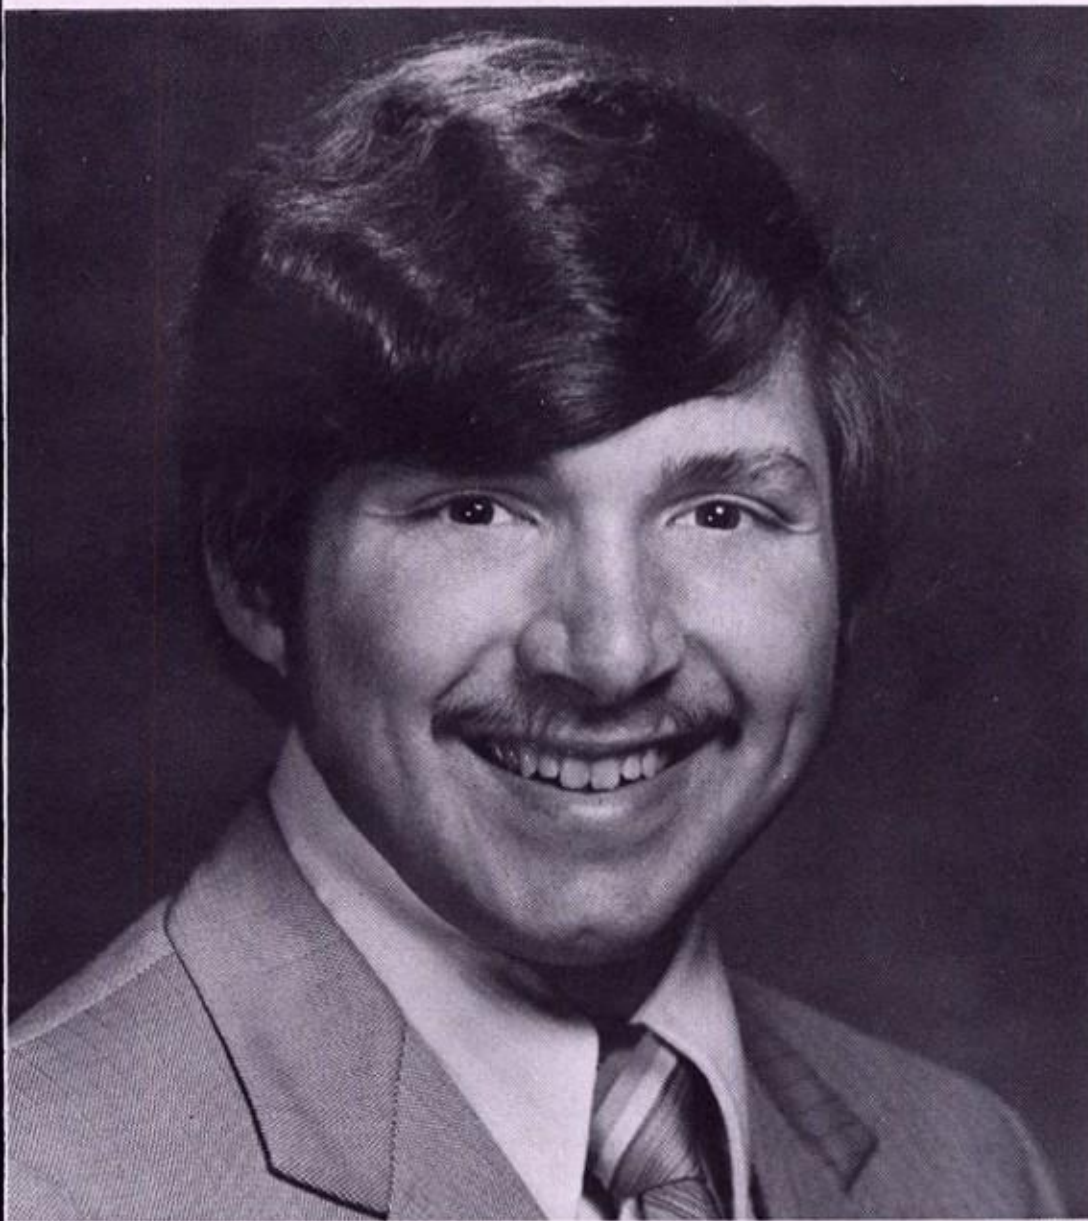

Vocational Industrial Clubs of America (VICA) is a national organization which offers leadership development to vocational students in high school vocational programs. VICA is officially identified as an integral part of the instructional program providing opportunity for the student to develop the "job plus" qualities of leadership, citizenship, and character, through civic, educational, professional and social activities.

ALL GREAT THINGS THAT COME TO BE COMES
FROM THE

CLASS OF '73

BOY
AND
GIRL
OF THE
YEAR

JOHN
FOUNTAIN

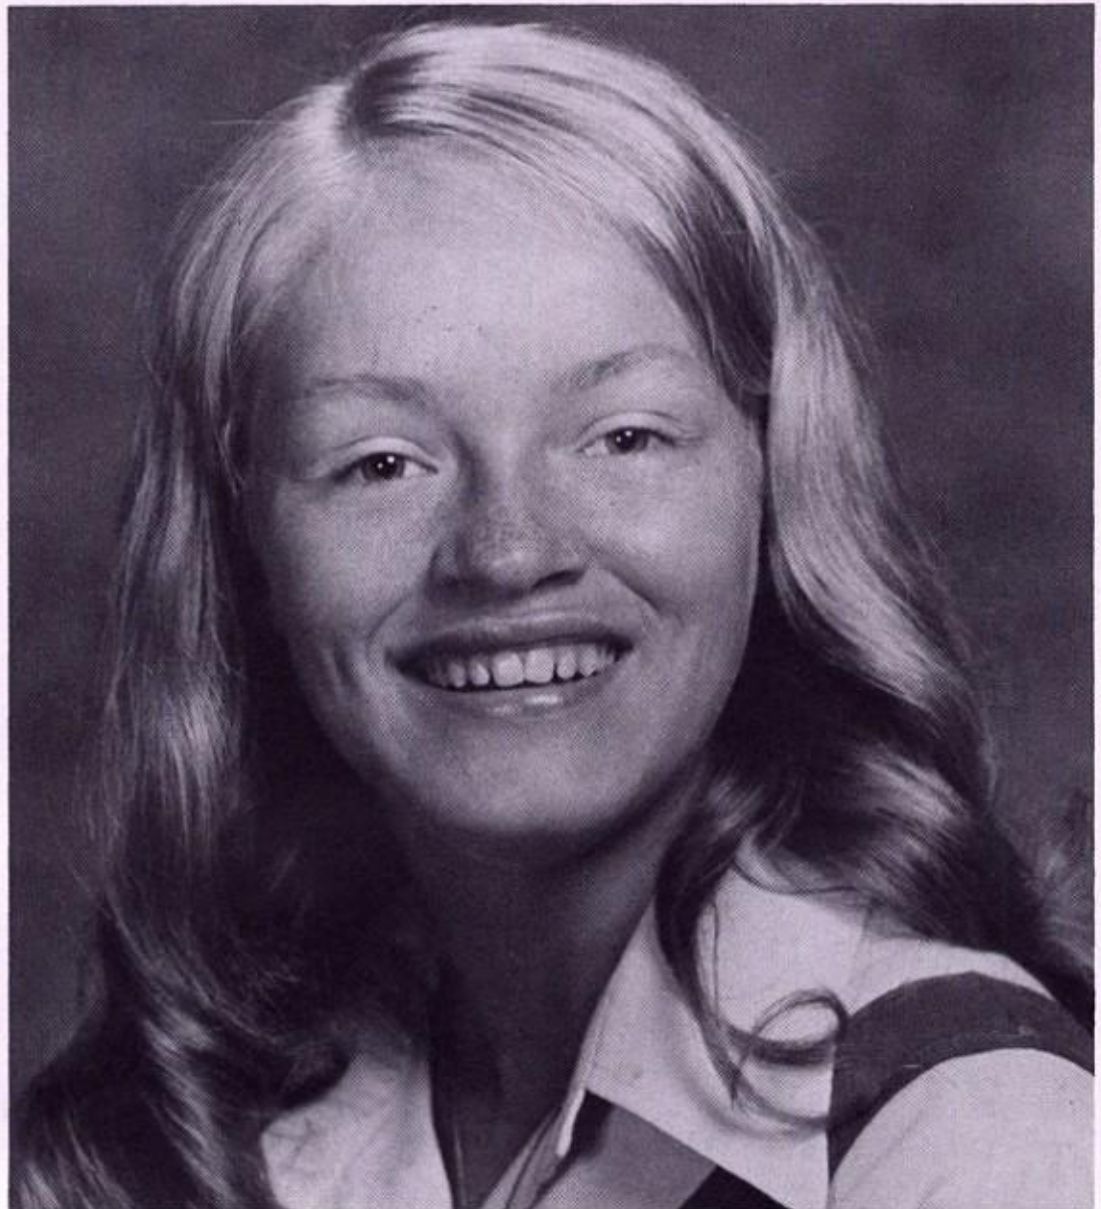

PEGGY
LOVELL

The boy and the girl of the year are seniors chosen by a vote of the Glacier Faculty. Three areas are considered in determining these special honors: service, citizenship and academic accomplishment.

TERRIFIC TWENTY

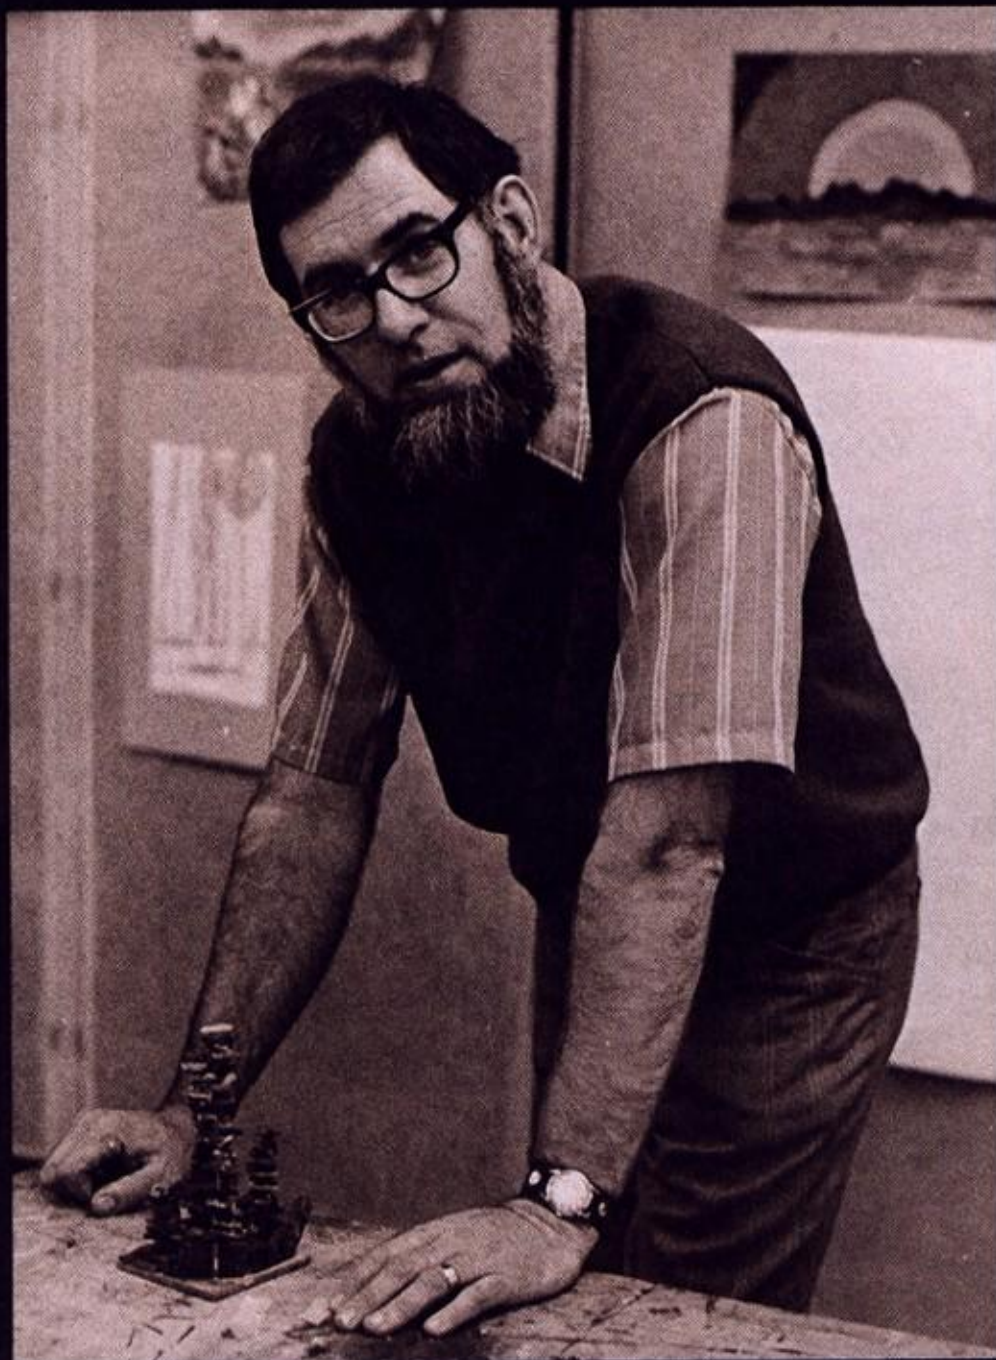

Glacier's Boy and Girl of the Month are chosen on the basis of their involvement around our school. Girl's Club and Key Club pick them from a wide variety of deserving students here at Glacier and honor those who deserve it most.

September	John Fountain Peggy Lovell
October	Mark Gravel Cec Turgeon
November	Mike Crouse Marie Mayer
December	Steve Parsons Gail Hult
January	Pat Costello Sheryl Grant
February	Alan Hanson Leslie McKay
March	Steve Campau Lori McCleary
April	Stew Jones Roxanne Mitchell
May	Nelson Lytle Ann Hunt
June	Jeff Nomi Felicia Wiggins

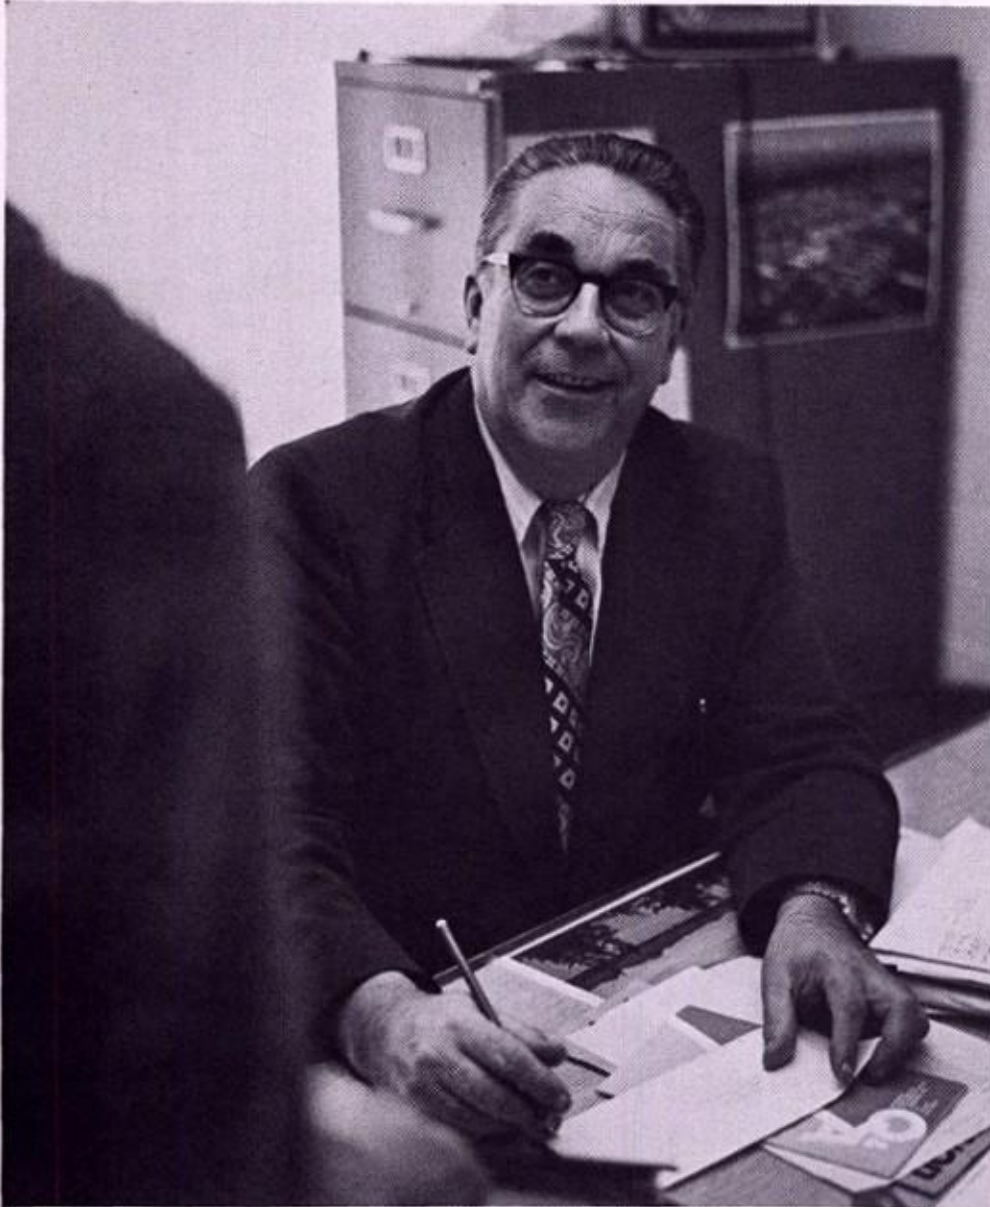

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

FACULTY

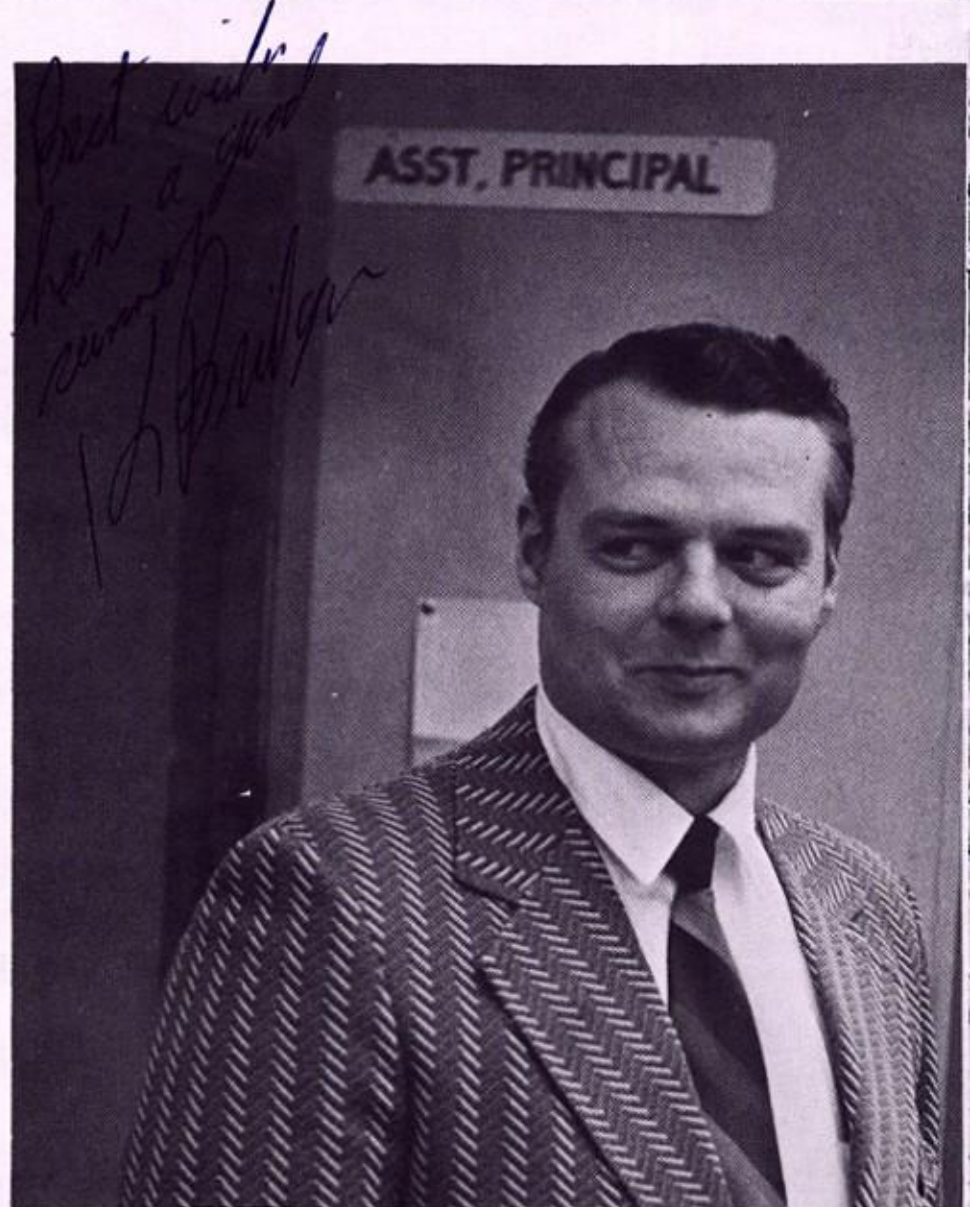

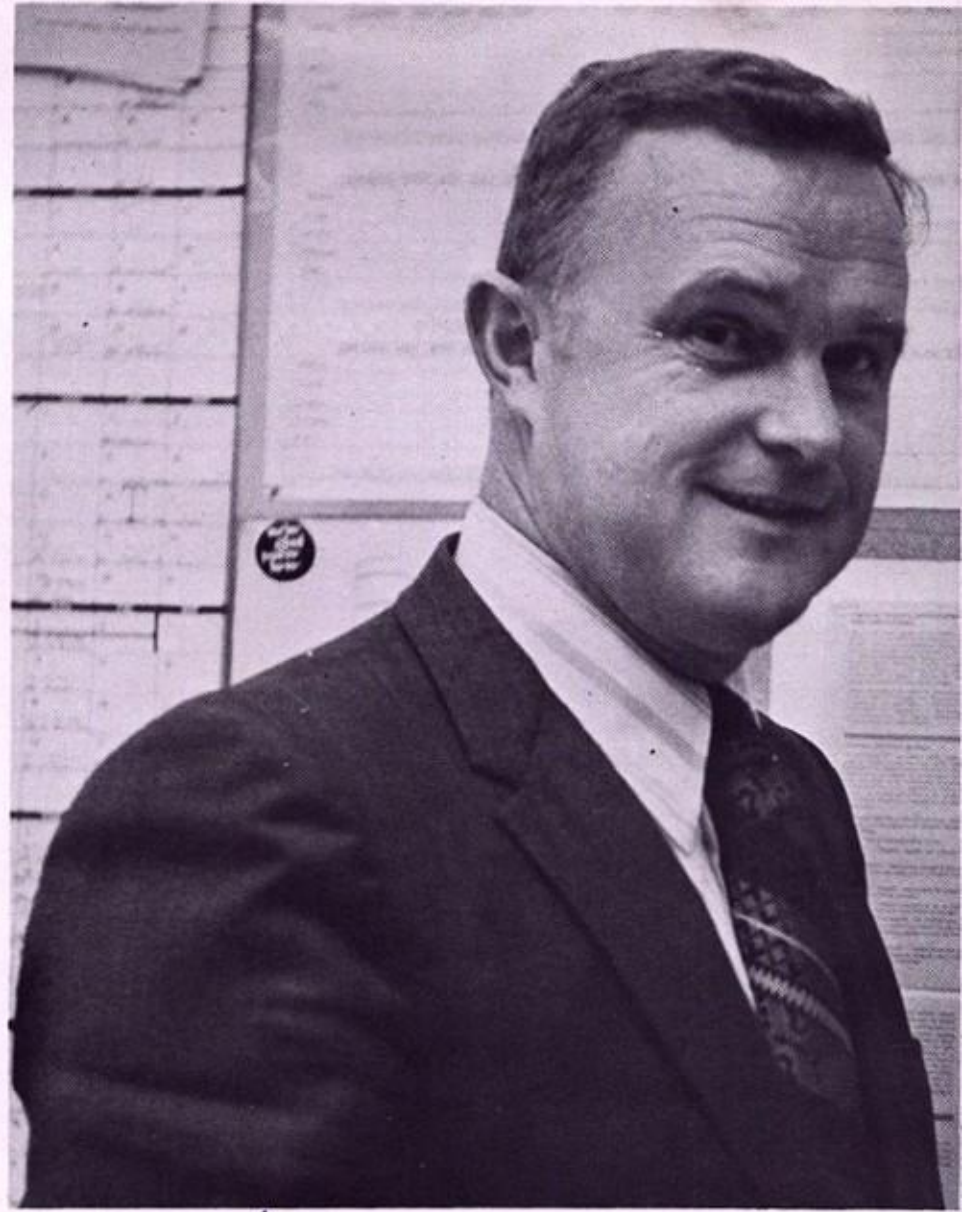

THE LOOK OF QUALIFICATION

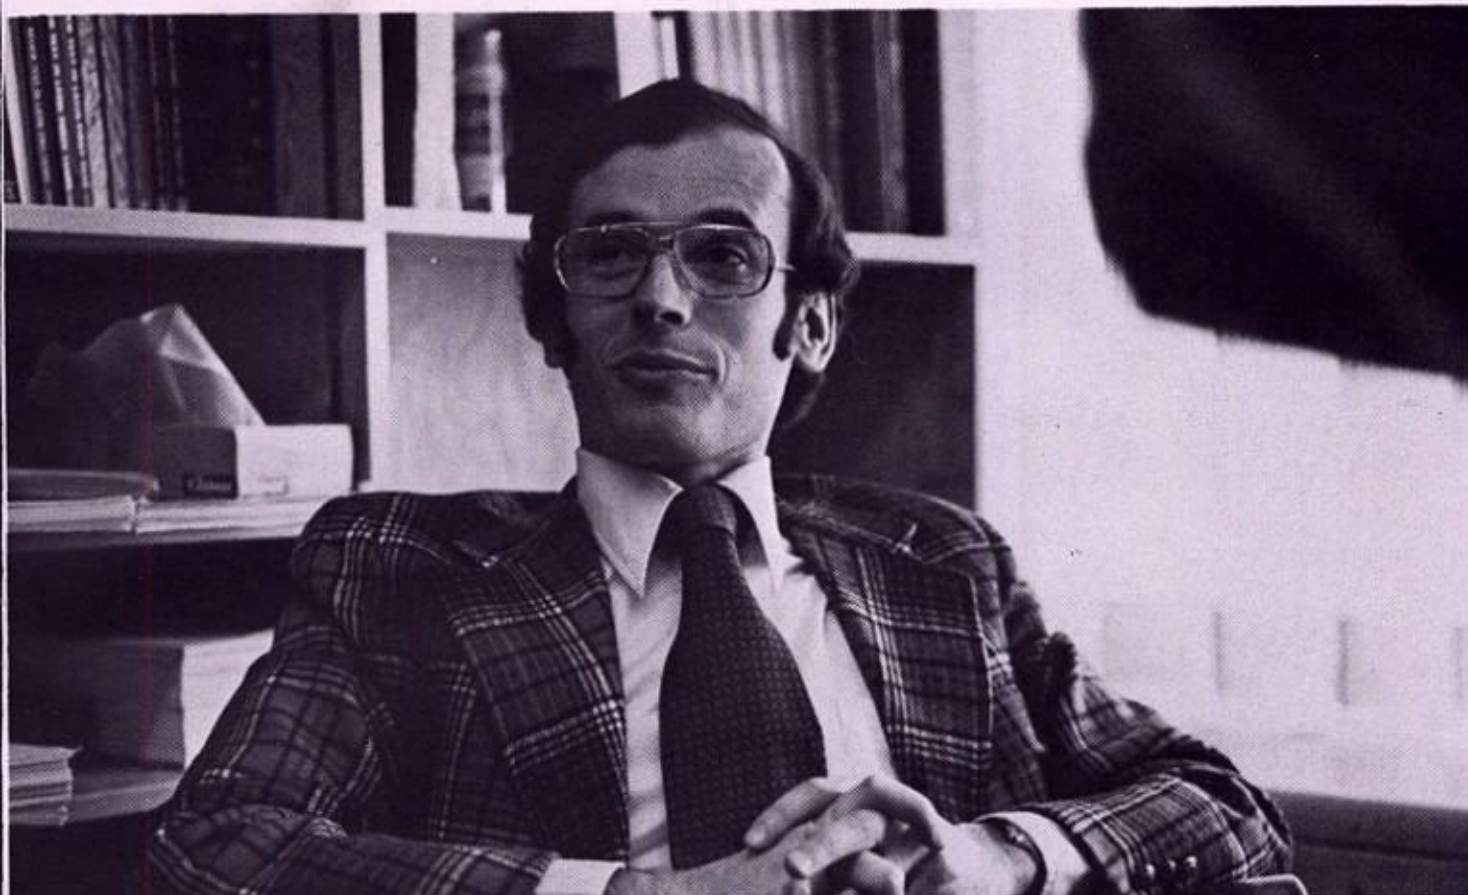

Glacier, to those of you who have been here the full three years, has played a major part in your life. We hope it has been good and that the teachers and others who you contacted while here will always be regarded as good and positive friends. We sincerely wish you well as you leave this year, and that as you go forth you will remember us a little bit and come back when you can and say, hi!

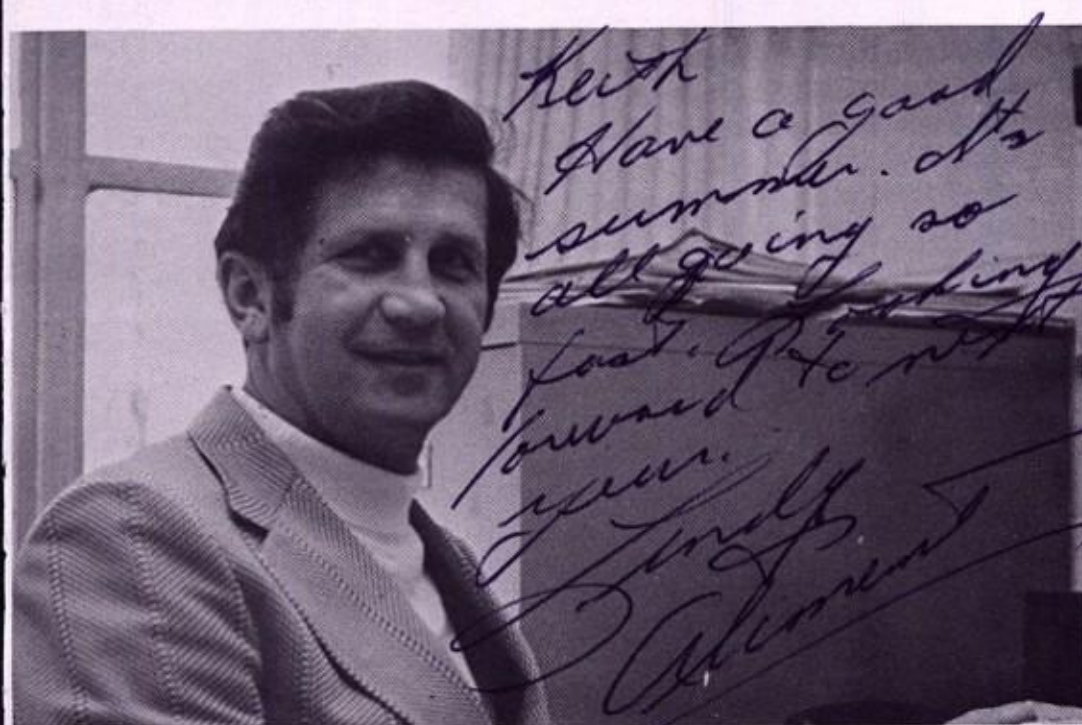

Ray Hinderlie, Principal

(top right) Mr. Fred Minahan-Vice Principal; (bottom right) Mr. Ken Bridges-Assistant Principal.

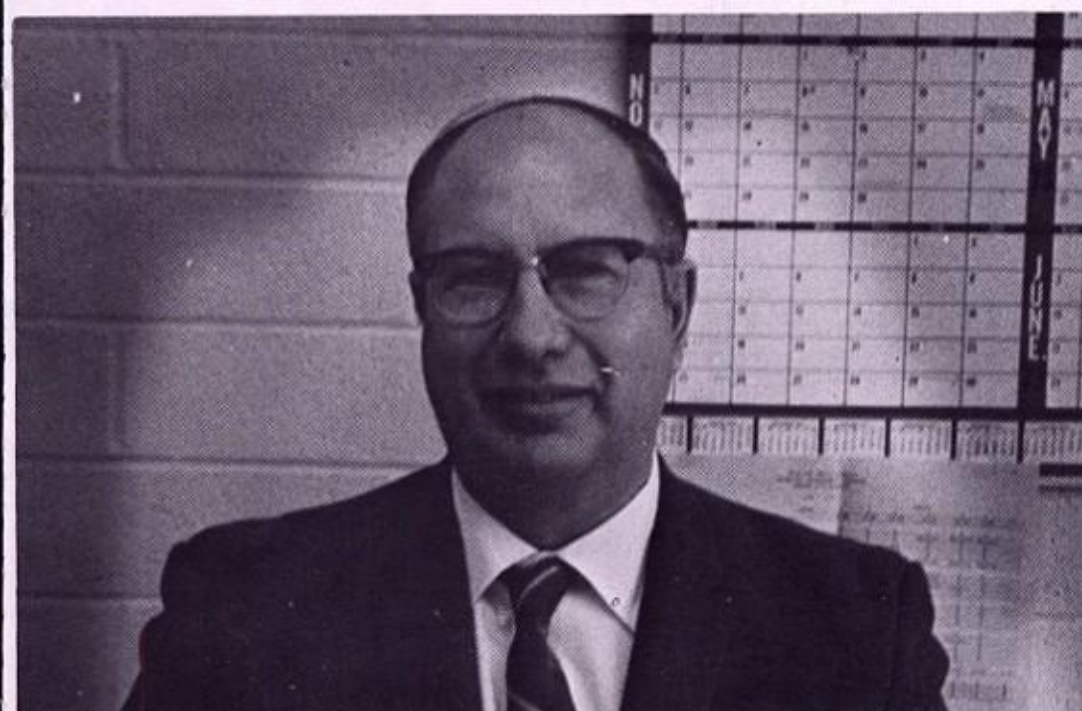

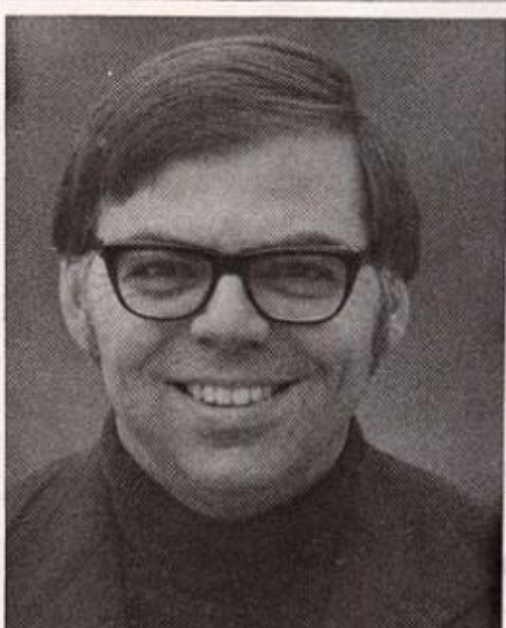

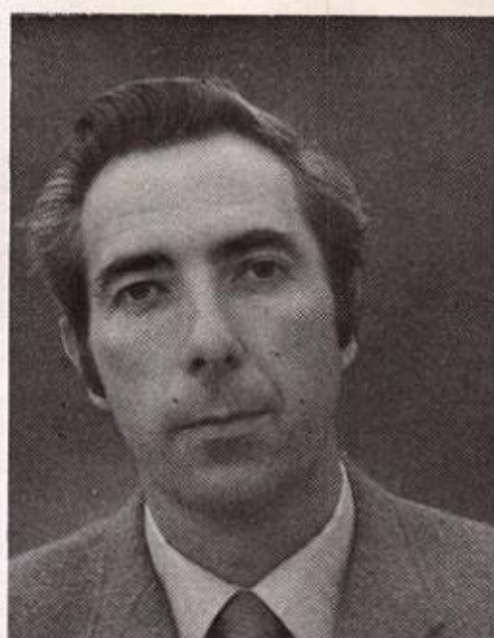

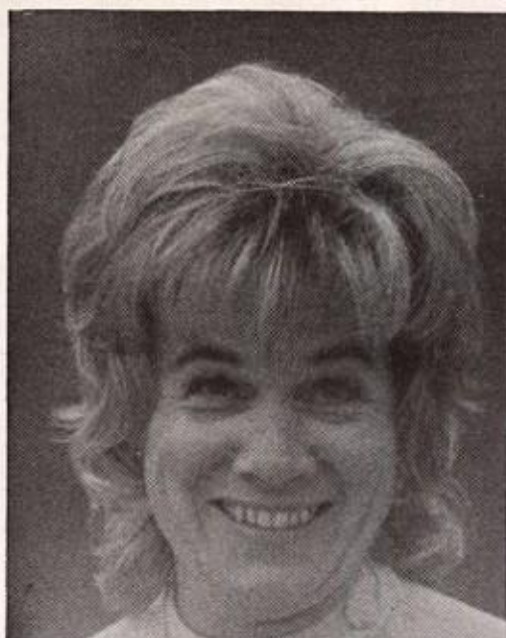

(top left) Mr. John Maloney-
Senior Counselor; (middle) Mr.
